## That Satisfy

In Quality  
and Price!

That's the kind you'll find in our store  
We don't consume large amounts of ad space,  
spasmodically, telling you about big bargains in  
special lines--sold at and below cost--because  
every merchant must derive a certain percent of  
profit on the goods he sells if he expects to pay  
interest on his investment and remain in business.

During our many years in the grocery business  
we have found that the average customer pre-  
fers high quality groceries at honest prices to  
inferior brands at "below cost" price.

Our guarantee of satisfaction stands behind the  
merchandise we sell. You take no chances  
when you trade with us.

### Code Bill Knocked Out

The Supreme Court, Saturday, decid-  
ed that Gov. McKelvie's pet hobbie,  
"The Code Law" will have to be voted  
on at the general election, this fall.  
During the first six months it was in  
operation it cost the tax payers of this  
grand old state \$55,000 and the law is  
now void.

As a result of returning \$50, the dif-  
ference between his salary and that  
provided by the code bill, E. D. Beach,  
chief of the fire prevention bureau,  
was discharged Tuesday by the Govern-  
or.

We quote from a circular sent out  
over the state by prominent Republi-  
cans: "Gov. McKelvie already very  
unpopular, is made more impossible by  
the last fiasco of the code bill. Yet,  
with the field divided as it is, and a  
rallying point, he will be nominated to  
go down to unglorious defeat in Nov-  
ember. The situation needs no argu-  
ment, it needs a remedy".

### Bears, Lions and Wild Cats

An unknown element in dramatic  
screen production, the introduction of  
animal comedy to relieve tension, has  
been successfully practiced in "Back  
to God's Country," by James Oliver  
Curwood, adapted from his famous  
magazine story, "Wapi, the Walrus,"  
which will be seen at the Orpheum  
Theater, Monday and Tuesday.

Nell Shipman, popular American  
screen favorite, as Dolores; Wheeler  
Oakman, Wellington Playter and Char-  
les Arling, in other roles in the cast,  
portray their parts with the skill and  
support of nearly two dozen animals,  
consisting of bears, wolves, lynx, fox,  
deer, mountain lions, raccoons, porcu-  
pines, goats and other forest beasts,  
trained to perfection by expert animal  
trainers.

Probably no picture production ever  
released has a more unusual array of  
animal talent.

Critics have placed a high approval  
on "Back to God's Country," and the  
local management promises it will  
be one of the most pleasing attractions  
to be seen at that theatre in sev-  
eral months.

### MARRIAGES

The following couples were united  
in marriage by Judge Ranney:

Friday—Hobart A. Green, of Okla-  
homa City, Oklahoma, and Miss Anne  
E. Roderick, of Denver.

Tuesday—Lloyd J. Piehler and Miss  
Helen B. Harvey, both of Franklin.

Wednesday—Eddie R. Watson, of  
Inavale, and Miss Belle Paulson of  
Franklin.

Mrs. Ettie Hewitt returned to  
Grand Island Wednesday after visit-  
ing with Mr. and Mrs. J. M. Hewitt.

Mr. H. F. Thompson, who has been  
working the third trick at the depot  
for the past year was greatly sur-  
prised to hear of the death of his  
wife in Hastings Saturday noon. She  
was taken there about a month ago  
to receive medical treatment in the  
sanitarium and up until a few hours  
before her death she was supposed  
to be getting along as well as could  
be expected. Saturday morning  
Mr. Thompson received a phone call  
from Hastings that his wife was not  
so well and that he had better ar-  
range to go there that evening. Not  
three hours later word came that she  
had died. The remains were taken  
to Benkelman for burial.

of Public Instruction.

The dates set for the final eighth  
grade examinations are Thursday and  
Friday, March 25-26, and Thursday  
and Friday, May 6-7. The following  
schedule will be followed:

Thursday forenoon—Grammar, His-  
tory Civics. Afternoon—Orthogra-  
phy, Writing, Physiology, Drawing.

Friday forenoon—Arithmetic, Read-  
ing, English Composition. After-  
noon—Mental Arithmetic, Bookkeep-  
ing, Geography, Agriculture.

The seventh grade will take ex-  
aminations only in the following sub-  
jects: Orthography, Writing, Physiol-  
ogy, Drawing and Mental Arithme-  
tic.

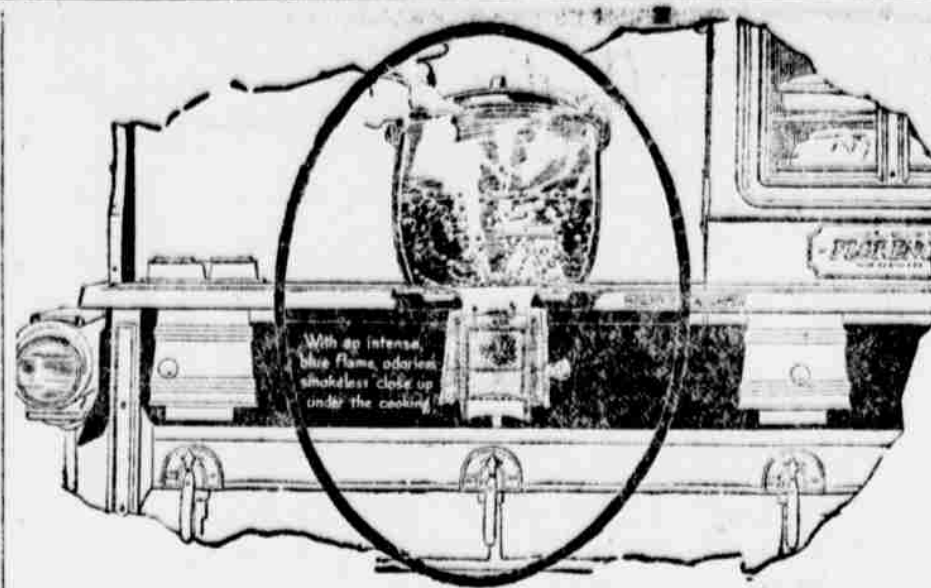

Pupils should write answers in  
clear, concise terms; the questions  
need not be written. A complete  
solution of all problems in arithmetic  
should be given. Credit will be de-  
ducted from carelessly written or il-  
legible papers. Remember, the gen-  
eral average in the fourteen subjects  
required must be at least seventy-five  
per cent, with no grade below sixty  
per cent in any subject. Teachers  
should plan the examinations for the  
pupils, advising them as to the sub-  
jects on which they should write, and  
urging them to take the full time al-  
lowed for each subject and to write  
every paper as neatly and carefully  
as possible. All papers should be  
written in pen and ink; the drawings  
may be made with lead pencil. Pupils  
should pin the pages of each sub-  
ject together with all edges even. No  
whispering will be permitted. Grades  
of pupils violating this rule will be  
cancelled. Conductors are not to ex-  
plain the meaning of any of the ques-  
tions given in the lists, or answer  
any question relating to their an-  
swers. The examination questions  
are stated plainly enough for one  
who knows his subject.

All pupils, desiring to avail them-  
selves of the free high school law,  
must pass this examination. The  
parents of every pupil, entitled to a  
free high school certificate, should  
make written applications to the  
County Superintendent within the  
forty days preceding the first Mon-  
day in June.

The County Superintendent at the  
close of each examination shall, after  
ascertaining that the name of the pu-  
pil is not written on the examination  
paper, record each set of papers by  
name and number, after which, papers  
should be turned over to the Exam-  
ining Board who shall consider the pa-  
pers by number only. State Laws,  
No. 6813.)

To clean mirror brilliant.

To clean a mirror in such a way as  
to bring it to the highest state of bril-  
liancy, very fine whiting, or better,  
precipitated chalk, is one of the best-  
known agents. The mirror should be  
rubbed gently with methylated spirits  
with a soft, clean sponge, and then  
dusted with the whiting or chalk. Af-  
ter a moment it should be wiped with  
a dry cloth. Another softer cloth or  
more effectively, a silk handkerchief,  
should be used for the final polishing,  
which should leave the glass clear  
and brilliant.

# FLORENCE

## OIL COOK STOVES

A FLORENCE is a triple blessing—  
bakes, cooks and roasts and does it  
easily and at the same time. No ashes,  
no smoke, no fires to poke, no dampers to  
regulate. No wicks, no valves. Burns  
kerosene.

Come in and see how simply this oil  
stove works; how the intensely hot blue  
flame means more heat and less care. Let  
us show you why the Florence Portable  
Oven with its baker's arch assures even  
baking, tempting pastries and well-  
browned roasts.
