Don't Forget the Chautauqua, July 25-31

Married at Annapolis, Md.

Ensign Allan D. Blackie, U. S. N., and Miss Irma Ranney, were married at eight o'clock--high noon--in the Academy Chapel at Annapolis, Maryland, July 19th, 1920. Captain B. R. Patrick, Chaplain Corps U. S. A., officiating.

The bride attended by her sister, Miss Pauline Ranney, was given away by her uncle, Mr. J. Walter Saybolt of Baltimore. Ensign F. H. Conant 2nd, a ship mate of the groom acted as best man.

The bride's gown was of white satin with train and veil. The groom wore the blue navy uniform.

The bridal couple left for New York from which place they went by boat to Boston to spend their honeymoon at Bass Rock, a fashionable summer resort near there.

They will be at home at Norfolk, Virginia, after July 30th where the groom will resume his duties on the U. S. S. Oklahoma.

Both bride and groom are well known and highly respected here and are of the sort who have made good in every respect and have exhibited those qualities of character which endeared them to many friends. After graduating from our high school the bride graduated from Cotner University and was instructor in the high school of Dorchester, Nebraska and the groom entered the U. S. Naval Academy from which he graduated last year and is still in the service as a Junior Officer in the Navy.

The Chief for itself, and for their many friends, extends them hearty congratulations and sincere good wishes for a prosperous and happy life, regretting only that their duties will keep them away from their former home.

Injured in Auto Accident

While enroute to Cowles, in a car, Tuesday morning, Ed Garber, accompanied by Henry McCune, met with an accident that caused the fracture of his right leg in two places. Mr. McCune was at the wheel, when they came into a spot of soft ground, and in an effort to get out onto the solid part of the road the car turned over, throwing Ed to one side of the road and pinning Mr. McCune underneath the car.

Mr. Garber was brought to this city and given medical attendance. At this writing he is confined to his bed.

The Chief force, along with Ed's many friends will greatly miss his smiling countenance and cheery voice and we hope for his speedy recovery.

Bring in Your Old Clothing

The local committee for the Armenian relief would appreciate it if the people, while attending the Chautauqua next week, would bring in their discarded clothing and leave the same at Frank Smith's shoe store, as another call has been sent out for clothing for the suffering Armenians. At the present time that country has plenty of food, and at present, as the weather is warm they are not in need of much clothing, but the relief committee who have charge of the work in that country state that they will be in need of clothing as soon as the cold weather sets in and urge every one to donate what they can.

Locals Shut Out Guide Rock

After a week's practice the unexpected happened last Sunday afternoon--when the Red Cloud ball team shut out the Guide Rock boys by a score of 7 to 0. Herzog was on the mound for the home boys while Ely pitched for the visitors. Since Dr. Hearst has taken charge of the team he has been working the boys out each night and the fruits of his, and their, labor are beginning to show. Next Sunday afternoon they will play Inavale on the home grounds, at 3 p. m. and no doubt it will be a good game. Next Wednesday afternoon they will play a Legioner's Team, from Chicago at 3:30 o'clock.

COUNTY SCHOOL NOTES
(By County Superintendent)

Teachers' examination will be given on July 30 and 31. Friday morning--Arithmetic, Mental Arithmetic, Geography, Spelling and Grammar. Friday afternoon--Reading, Algebra, Geometry and Music. Saturday morning--Penmanship, Drawing, Physiology and History. Saturday afternoon--Theory, Civics, Agriculture and Botany.

Teachers' Institute begins the 2nd of August and closes the 7th of August. Work will begin in full swing at 8:30 Monday morning and will close Saturday.

Teachers are so scarce that there is no need of any of them being out of a position. If any such will send in their credentials and the salary they desire, I am very sure I can secure them positions. Not all of the positions of this county are filled as yet so I should rather not be too quick about disposing of the available supply. As soon as all of this county's places are filled I will do my best to help the rest to positions.

Teachers and directors should let me know when a position is secured so that I will not give wrong schools to teachers and wrong names to directors.

BUTLER-WOODS

Announcements have been received in this city of the wedding, at the Methodist parsonage, in Denver, Colorado, on Monday evening, of Oliver Meredith Butler and Miss Mary Woods of Pauline, the ceremony being witnessed by the bride's mother and the groom's brother, Verne.

The bride, while a stranger to nearly all in this vicinity, is the daughter of Mr. and Mrs. O. Woods, highly respected and well to do residents of Pauline and is said to be an extremely talented young lady.

The groom is the son of Mr. and Mrs. J. E. Butler, an ex-service man, with an enviable record and rated besides being of sterling worth and integrity, as being a meat cutter, second to none.

The newlyweds will return to Hastings, where they will be at home the last of the month, intending in the spring to go onto the homestead near Craig, Colorado, recently taken up by the Butler boys.

The Commercial Advertiser extends felicitations.--Wednesday's Commercial Advertiser.
