BARBARA PHARES

One of the loveliest gems of opera sung by Besanzoni

"Voce di donna" (Angelic Voice), the grateful song of the blind mother in Gioconda, is considered by many music-lovers the finest single number in the opera.

It would be difficult to choose a number better adapted to the quality of Besanzoni's lower tones, and you realize here is one of the truly great voices of this generation.

Caruso sings

"L'Addio a Napoli" (Farewell to Naples)

A ringing, scintillating bolero as brilliant, perhaps, as anything in music. Phrase follows and answers phrase with ever-increasing strength and splendor. A masterpiece of Neapolitan song rendered in a manner worthy of this supreme artist.

HOW TAXES HAVE INCREASED

State taxes have increased from \$3,617,241.28 in 1919, the first year of John Morehead's administration as governor, to \$7,906,277.60, the amount that will be charged to the various counties of Nebraska in 1920, which is the second year of Governor McKelvie's administration, as shown by the records of the state board of equalization.

Governor Morehead served four years and there was a substantial decrease in state taxes at the end of his second term the total taxes for 1916, the last year of his term, being \$3,059,806.35; or \$614,434.93 less than during the first year of his term.

Governor McKelvie is serving his second year. State taxes were increased approximately \$3,000,000 in 1919 over what they were in 1918, and they will be approximately a half million dollars higher in 1920 than they were in 1919. This too, in face of the fact that the present governor made his campaign on an economy program two years ago, and his charge that waste and extravagance prevailed in every department of the state government.

Governor Morehead served four years prior to the war. Governor Neville served during the war period, when some increase in governmental expense was to be expected. Governor McKelvie has served since the war.

The following statement will show the state taxes charged to Webster county during the past eight years.

1913 under Morehead, democrat	\$12,026.82
1914 under Morehead, democrat	40,858.64
1915 under Morehead, democrat	32,904.01
1916 under Morehead, democrat	36,128.61
1917 under Neville, democrat	47,401.53
1918 under Neville, democrat	44,238.40
1919 under McKelvie, republican	75,031.12
1920 under McKelvie, republican	65,630.46

John H. Morehead and his associates on the state ticket stand for efficiency and economy in the administration of the state's affairs. Your tax receipts will show what you are paying under the present administration. The state needs the kind of administration Morehead would give.

INAUALE

Rev. Schofield returned from Omaha Tuesday. He had been attending the sessions of the Nebraska Annual Conference of the Methodist church in that city. Rev. Schofield was returned to Inavale for the year 1920-1921.

Work on the Methodist church is well under way. The church is being raised and a basement wall put in. By the time the farmers get their wheat in the foundation will be completed. Following this it is planned to hold a Pick and Shovel Bee to which all men of the community will be invited to help in digging the dirt from the new basement.

Tuesday evening the Commercial Club held a meeting at its Club rooms. After reading the minutes of the previous meeting Secretary R. P. Weesner made a report of the state association meeting. Supt. Holtzen was present and asked that the club give \$150 towards suits, etc., for the football team and upon motion President Ranney appointed a committee to work in conjunction with the team in raising funds among the business men and citizens. County Agent Fausch and Henry Gilham, on behalf of the Farmers' Institute, asked that the club have charge of the parade during the Institute. The president stated that he would appoint a committee to look after the parade.

WEBSTER COUNTY STOCK JUDGING TEAM

Webster County Stock Judging Team wins first at the Nebraska State Fair.

The contest was held on Monday. Each contestant was required to place eight classes of Live Stock, each class consisting of four animals. The classes were as follows:

Duroc Jersey Gilt, Poland China Gilt, Shorthorn Heifer, Hereford Fat Steers, Percheron Stallions, Percheron Mares, Shropshire Ewes, and Southdown Rams.

Fifteen minutes were allowed for placing each class. Cards with the placings were handed to the judge, then each contestant went before the judge and gave oral reasons for his placings.

Webster county was first with a score of 1,755, Dawson county, second, with a score of 1,671.

Alfred Fringer was high man, with a score of 634, Lyle Ashby ranked 9th, score 561, and Lawrence Means 10th, score 560. Lawrence Means was high man in cattle, Alfred Fringer, 3rd. Alfred Fringer was 2nd in sheep, Lyle Ashby 4th.

This makes Webster County Team, the State Champion Team. They will leave Saturday, September 18, for Sioux City, Iowa, Inter-state Fair, where they will compete with 12 other State Champion Teams.

Webster county being the State Champion Team, makes it eligible to enter the International Judging contest at Atlanta, Georgia, October 19 to 22. \$1500.00 prize money will be pro-rated among Judging Teams, and the team first will be given a free trip to the Royal Stock Show held at Liverpool.

HENRY R. FAUSCH,
 County Agricultural Agent

The Webster County Farmers Union will hold their annual meeting in this city Saturday, October 2nd.

Next Tuesday afternoon at Lebanon one of the best ball games of the season will be played. The Red Cloud team and Bellaire will play. Red Cloud defeated Bellaire in a 20-inning game during the anniversary and the latter team seems to think that they can defeat the home team in this game. No doubt both teams will be "spiked" with the best players available and it will practically be a Nebraska vs Kansas game. Go over and see the game.
