### No Need of Getting Shoes Half a Size Too Large

As so many ladies do—because they don't pay enough attention to the fit of the stockings. You can always get the "happy medium" of a comfortably snug fit—no waste room in the toes or heels, or about the ankles—no wrinkles to hurt and look slovenly.

### There's a size in ARMOR PLATE Hosiery

That is precisely your size. They're knit (never wet and molded) to size and shape. They'll neither shrink and bind your feet, nor stretch and wrinkle under the shoes, after you've worn them awhile. Because they fit so well, they look trim and stylish; the extra wear you get out of them is due to the extra quality long-fibre yarn of which they're made and the special dye (Harmasol) which positively doesn't burn, rot or weaken the fabric. Cotton, silk or wool—perfect in weave, wear and wash.

As an introduction the Daily State Journal will be mailed the rest of this year for only \$3.50, or, including the big Sunday paper for \$4.50. This is the biggest newspaper bargain in Nebraska. The news events of the world are most important just now and the readjustments made will affect your income no matter what you do for a living. Special features are being added, a wonderful new comic, Cicero Sapp, being one of them. "Would You Marry Your Husband Over Again" is the title of a most interesting continued story that will soon. The stories alone would cost you many times what you pay for the paper. We will be glad to receive your trial order. Address State Journal, Lincoln, Neb.

### The Red Cloud Mill

### Robinhood Pleases People

Faith in their own statements, that Red Cloud could not successfully and profitably give a high class attraction at the Auditorium, was severely shaken when many of these town prophets attended the opera, "Robin Hood" given here Friday evening of last week. In fact the opera was such a success both from a financial and artistic standpoint that our citizens are anxiously awaiting the announcement of the arrival of another performance of this kind. The house was sold out entirely, it being necessary to add a goodly number of folding chairs in order to accommodate the people who came to witness this high class attraction. Not only were people of the city and adjacent territory present but also many from other towns within a radius of seventy-five miles, even as far west as McCook. The management as well as all those interested in the success of southern Nebraska's biggest and best show house are highly elated over the success of this opera.

The costumes, stage settings and scenery equalled anything seen in the cities. The music by their own orchestra was worth the price of admission.

The caste of characters contained such noted artists as Albert Parr as Robin Hood, Tom Burton, the sheriff, and George Olsen, his ward. The parts of the outlaws were taken by Robert Robinson, Wm. Degan, William White and Clara Gray. Elsie Thiede as Lady Fitzwalter, Madeline Hartford as the widow and Mary Baker, her daughter played prominent role in the opera. Numerous other characters playing the Villagers, Milkmaids, Foresters, Archers and Peddlers were worthy of note.

The management of the Auditorium is receiving many compliments and expressions of appreciation from those who witnessed the play, and it is to be hoped that many more attractions of this kind may be booked in the future.

Contractor Bing and George Trotter of Nelson were in the city Tuesday attending to some business matters.

Mrs. F. N. Wells returned to her home at Lincoln Sunday after visiting her parents, Mr. and Mrs. O. C. Teel.

Wes Throckmorton spent Saturday at Hastings with his wife who is in a hospital there recovering from an operation.

Saturday, Judge Ranney issued a marriage license to Albert Shimic, of Red Cloud, and Miss Emma Korbeltik of Milligan.

Lynn Bush went to McCook Saturday morning where he will work in the Burlington freight office for a few weeks.

Mrs. Ula Cain went to Tobias Thursday morning after visiting a couple of days with Mr. and Mrs. W. L. Lippincott.
