

Just For Comparison

1913 - - 1920 - - 1921

It has been figured out, that in building a certain house, the LUMBER cost

\$1,600.00 in 1913
\$3,300.00 in 1920
\$2,000.00 in 1921

Freight has advanced \$280.00 on this material, since 1913, which makes the lumber cost at the present time a trifle over \$100.00 more than it did in 1913, exclusive of the freight raise.

STATE FARM BUREAU NOTES

A number of girls clubs will be organized this summer in Thurston county, according to Mabel L. Lucado, county extension agent. Macy will have two clubs headed by girls who were last year "local leaders." Wonderful progress is expected, as usually it has been hard to secure local club leaders. Sewing clubs will predominate.

Earl Godfrey of Cozad has been secured to assist the pig club boys of Dawson county in livestock judging work. He will meet with the boys twice a month during the summer. The teams will compete at the fair this fall.

It pays to raise purebred cattle, according to a comparison made by H. B. Roper, banker at Semper. Mr. Roper had two bunches of calves on the Omaha market on the same day. One bunch of purebred calves which had been fed three months, brought fifty per cent per hundred pounds more than the other bunch of mixed breeds which had been fed for a period of six months.

President James R. Howard, of the American Farm Bureau Federation has called a conference to meet in Chicago on June 13th to discuss the plan for the co-operative purchasing of coal. Delegates from Ohio, Indiana, Illinois, Michigan, Wisconsin, Minnesota, Iowa and Nebraska have been asked to attend. Secretary McLaughlin of the West Virginia Farm Bureau will present a plan at the conference.

H. D. Lute, Secretary of the Nebraska Farm Bureau Federation, after considerable correspondence has located woolen mills in Iowa that will handle raw wool from the farm and either wash or card it, or if desired will go farther and spin it into yarn, dye it or weave it into blankets on the per pound basis. Instruction will be sent by the state farm bureau headquarters to county farm bureau offices, as to how to handle the proposition.

Preliminary steps have been taken for the organization of the Nebraska Agricultural Council, intended to

We'll say Gran'pop packs a wallop!

GRAN'POP PROBABLY IS THE NATIONAL champion. AT SWAPPING things. TWO YEARS ago he swapped. THE OLD blind mare. FOR A cider mill. AND THEN of course. WHEN WE went dry. CIDER MILLS got valuable. AND GRAN'POP swapped again. AND GOT a fiver. SO I said, "Gran'pop. SUPPOSE I start you. WITH THAT old busted. BABY CARRIAGE back home. COULDN'T YOU swap it. AND GET me. A LIMOUSINE." A CRAFTY gleam. CAME INTO Gran'pop's eye.

AS HE said, "No. BUT I'LL tell ye. I'LL SWAP a match. FOR ONE of them. CIGARETTES OF yours. THAT SATISFY." SO WE swapped. ONE BROKEN paper match. FOR ONE perfect cigarette. AND YOU ought to see. HOW PLEASED he was. IT DID me good. TO BE "done" by Gran'pop.

TWENTY Chesterfields for twenty cents--some swap! Your good money never brought better value. Choicest tobaccos (Turkish and Domestic) so blended that you get every last bit of their flavor. And Chesterfields do what no other cigarette can do for you--"They Satisfy".
