C. B. Steward Honored

At a National Convention of the United States Grain Growers, Inc., held at Chicago last week C. B. Steward, who was a delegate from the 5th district was elected a member of the Board of Directors for a term of two years. The Board consists of twenty-one members. Forty six per cent of the grain growers of this organization have withdrawn their support owing to the system that was used in the electing of officers at this time and it looks as though the officers and directors will have no easy time in getting the organization back to where it was before the convention.

New Bakery Opens its Doors

The new "Palace Bakery" under the management of Messrs. Henderson and Ehly opened up for business yesterday. Their new soda fountain has arrived and will be installed in the immediate future. Nothing has been overlooked in making this bakery and ice cream parlor one of the most attractive places in the city. The splendid patronage it received on the opening day is indication that our citizens appreciate the efforts of the enterprising proprietors and that the new enterprise will receive universal support.

Illustrated Sermon on Italy

The subject of the lecture sermon at the Baptist church next Sunday night will be "Beautiful Italy". The pictures will be very interesting to all lovers of the beautiful, for Italy is called the paradise of Europe.

Italy is a land of great interest to all who are historically inclined. It has had a mighty part in the drama of the centuries. Rome, the seat of the mighty ancient world power, Genoa, the home of America's discoverer, Venice the most interesting of all European cities, and many other places teeming with interest will be shown.

A cordial invitation is extended all who care to attend. The service begins at seven thirty, and all are welcome.

Arrangements are being perfected to present the Passion play of Oberammergau in the near future.

Congregational Church Notes

Rev. Thompsen is expected to preach again Sunday morning at 11 o'clock. Rev. J. S. Dick of Lincoln will be here April 17th and preach every evening for one week.

Mrs. Ramey Called Beyond

BE PRACTICAL

The young man in love often goes into raptures about "the blue of the sea in her eyes and the golden haze of autumn in her hair," but remember this, young man—SHE'LL EAT just the same as any other healthy girl.

Therefore, get down to practical affairs. Save your money, deposit it in a good reliable bank like ours and get ready to own a home for you and the girl and to provide the three square meals a day that you will both need as long as you live. You know when poverty comes in at the door, love sometimes flies out at the window.
