NUMBER 26.

Fall in, Buddy!

In more than 11,000 communities the world over today your old Buddies are, through The American Legion, still in action, fighting at home for the land that was good enough to fight for abroad.

There are vacant places in the ranks that can never be filled—blank files dedicated to the memory of old shipmates and tentmates who went West when death rode in the air and sea.

But there's your old place in the line, Buddy, waiting for you, and the bugle of duty sounds "Fall in". There are no written orders or commands except those of your own conscience, and bunk-fatigue brings no excited top kicker.

Just the same, Soldier, The American Legion needs you and you need The American Legion. That's fifty-fifty. Hold up your end and become a member.

By midnight—Saturday—July 1, Red Cloud Post No. 238 wants to have every eligible service man or woman enrolled as a member.

Your honorable discharge is your eligibility ticket.

Your Legion button tells the world you have such a discharge.

Roy Robbins' Death Results In the Arrest of Tom Killough

Roy Robbins, well known to all residents of this locality was found dead in his bed last Saturday morning at his home in Guide Rock. The deceased was thirty five years of age. Several years ago he operated a cream station in this city and was engaged in this business at Guide Rock at the time of his death. While endowed with considerable business ability and all the natural characteristics necessary for a successful future, unfortunately like many of our otherwise most brilliant men, he developed a weakness for strong drink, and to this his untimely death is directly attributed.

State Deputy Sheriff O. D. Hedge and Sheriff Huffer after investigation arrested Tom Killough alleging that he furnished the deceased man with the liquor responsible for his tragic death. The charge filed is for the sale of intoxicating liquor and manslaughter. He furnished bond and his preliminary hearing will be held before Judge Ranney next Thursday. In the meantime the authorities will have an analysis made of the liquor which is supposed to have caused Mr. Robbins' death.

The death leaves his mother, Mrs. E. Robbins of this city, two brothers and one sister besides his wife and two children. Funeral services were conducted from the Brothers church at Guide Rock last Sunday afternoon and interment made in the Red Cloud cemetery.

BUDDY, JOIN THE LEGION

Because it is the spirit made visible of the high resolve that led us through the hardships of the war; because it is the great and living monument of the victory we won; because it is organized in every community in America, and in every possession overseas that flies the American flag; because it comes to your help in time of need; because it keeps you in touch with the old comrades you are drifting away from; because it finds you buddies everywhere; and because it identifies you with the greatest American organization in America.

Do you know today what has become of Number Three of your old squad, who saluted with two fingers to his right eyebrow? Where is old Bill Smith, who carried your pack ten miles on the hottest August day France ever saw? Or Tom Jones, who lugged you under cover in his arms when you tried to stop a silver of H. E.? Have you ever met your old top sergeant in civies yet? Don't you ever light up a pill and meditate a bit and wonder what has become of the old-timers in camp and trench whom you were always going to keep in touch with? Have you any idea of the whereabouts of one in a hundred of them now? And when you happen on one of them accidentally don't you pump-handle for five minutes and wander on with a little catch in your throat?

Your mighty right you do. It was a tough old war, but it brought every one of us associations and friendships that he never wants to lose completely out of his life. But time passes and every one of us has his own path to follow. What can we do about it?

The American Legion is the answer. It's the official organization of the ex-soldiers of America. It has a post in every community in America. Its weekly magazine is mailed to a million members. It is made up of your old pals and founded on the memories of the old days. It has a place for every man who wore the uniform. Come in and keep in touch. It's lone some outside.

EQUALIZATION BOARD ADJUST MANY GRIEVANCES

Red Cloud, Nebr.
June 13, 1922

The Webster County Board of Equalization met at 10 o'clock a. m., with the following members present: Commissioners Waldo, Crowell, Chaplin, Stumpenhorst, Shidler, County Assessor Rudd and County Clerk Perry.

The Board was called to order by the County Clerk and on motion C. A. Waldo was elected as Chairman of the Board of Equalization for the year 1922.

An unusual number of complaints were filed by Real Estate owners protesting against their assessments and in fact all the Board accomplished on June 13, 14, and 15th was the hearing and filing of complaints.

The Board then adjourned to meet June 16th at 9 o'clock a. m.

June 16, 1922.
Board reconvened at 9 a. m., with all members present. The Board decided to take up the matter of equalization of the Personal Property and the first matter taken up was the Equalization of Automobiles in Webster county.

After a careful comparison of same between the different precincts a motion was made and carried that the assessment of autos in Batin precinct be raised 100 per cent; Harmony precinct be raised 50 per cent; Inavale precinct be raised 40 per cent; Cowles precinct be reduced 25 per cent; Potsdam precinct be reduced 20 per cent.

Board adjourned to meet June 19, 1922.

June 19, 1922

Board met as per adjournment with all members present.

The Board continued the Equalization of Personal Property and the following equalization was made to apply to all precincts in the county:

CATTLE
Yearlings, per head \$15.00
2 yr olds, per head 22.00
3 yr olds, per head 29.00
Stock Cows, per head 30.00

HORSES
Yearling Colts, per head \$15.00
2 yr olds, per head 23.00
3 yr olds, per head and over 56.00

MULES
Yearlings, per head \$21.00
2 yr olds, per head 35.00
3 yr olds and over, per head 65.00

Board adjourned to meet June 20, 1922.

June 20, 1922

Board reconvened at 9 a. m., with all members present.

The first matter taken up was the equalization of improvements on farm lands.

On motion the following equalization of improvements was made: All improvements in Glenwood precinct to be reduced 20 per cent; all improvements in Potsdam precinct to be raised 15 per cent; all improvements in Oak Creek precinct to be reduced 10 per cent; all improvements in Beaver Creek precinct to be reduced 10 per cent; all improvements in Harmony precinct to be raised 20 per cent; all improvements in Elm Creek to be reduced 20 per cent; all improvements in Inavale to be reduced 20 per cent; all improvements in Catherton to be raised 100 per cent except the improvement of E. J. Peterson, Geo. P. Cather and Mrs. Retta Miner in Catherton precinct which are to remain the same as they are now assessed. No changes made in the balance of the precincts of the County on Improvements.

As the 1922 assessment of lots and improvements of the towns of Red Cloud, Rosemont, Guide Rock, Bladen, Inavale, Blue Hill and Cowles was about \$250,000 under the 1921 valuation, a motion was made and carried that no change be made in these towns except a 10 per cent reduction on improvements only in the Village of Inavale.

Board adjourned to June 21, 1922.

June 21, 1922

Board reconvened at 9 a. m., with all members present.

The first matter taken up was the equalization of the farm lands between the various precincts of the county. This matter consumed considerable time and it was the opinion of the Board that this equalization between precincts should be made before they considered any of the complaints filed.

On motion the following scale was adopted as a proper equalization of what the average price per acre should be to properly equalize the county between precincts (on land only, no improvements.)

	1921 Average	1922 Average	Fixed By Co. Board
Glenwood	\$54.5	\$59	\$58
Potsdam	52	57	56
Stillwater	43.9	52	48
Red Cloud	37.1	51	45

THRIFT

"Save young man and become respectable and respected. It's the surest way."—BENJAMIN FRANKLIN

THIS MAXIM from the mind of one of America's greatest thinkers should strike home with the young men of Red Cloud and vicinity. Our most successful business men have heeded it in their youth and are happy for having done so. They practiced thrift without personal inconvenience and the dollars they thus saved proved the foundation for their success.
