Need Groceries To-Day?

"ALWAYS prepared and waiting to fill any Grocery order" is the motto under which our store is run. It means that no matter how small your order may be or what particular items you may want, we are ready to supply them.

We never allow any of our lines of package, bottled or canned goods to decrease to a "sold out" level. Neither do we offer anything in the Vegetable or Fruit line, unless it is strictly fresh. And what's more, we are sure our prices will please you.

Discouraged Insects.

"How are the mosquitoes out your way?"
"We haven't any," replied Farmer Cornsossel. "So many summer boarders have been experimentin' with bootleg products that the skeeters would rather starve than come near 'em."

Too Much Travel.

Two rival western towns, each boasted of the prowess of their football teams and a game was arranged. One town bet heavily on its team, and to make the result fairly certain, hired a celebrated professional player. Early in the game he made a sensational run of 70 yards to a touch-down—and to the surprise of the spectators was immediately removed from the game. The manager gave this explanation:

"Why, we guarantee to pay that guy the rate of a dollar a yard! Do you think I wanted to see the town go busted?"

Marionette Shows in Italy.

Most Italian cities have permanent resident companies of marionette managers. Genoa has a very good show now and always has an excellent season at Christmas and at carnival time and at Easter, when a French manager generally brings a good company of marionettes to town.

YOUR HAND

ILLNESS SHOWN IN THE HAND.

TROUBLES with the throat are indicated in the hand by nails that are moderately long, but are thin and brittle. Typhoid fever may be dreaded if there is a small square on the line of life, with a St. Andrew's cross inside, and generally with a bluish tint. Wounds are shown by spots on the line of the heart, and the line of the head will be seen to be broken under the line of Saturn, in both hands, with the two fragments overlapping each other. A wound inflicted in a fight has its mark or sign in a spot on the upper mount of Mars, and if there are fine lines on the mount of Jupiter (at the base of the forefinger), with a star at the line of the head, we may foretell or read a wound in the head. It must be remodeled, of course, that while the hand affords many valuable indications of illness, past, present, or to come, these signs should never be used to supersede or supplant diagnosis by medical experience. Palmistry is not a science sufficiently exact for that.

Interest is constantly developing in the various campaigns for members of the state legislature. This means that the voters of the state are finally waking up to the fact that this is one of the most important parts of the ballot. The governor can't do anything about reforms in state government, no official can do anything to make things better unless there is in Lincoln a legislature which will make the laws and the changes in the laws which are necessary before the betterment can begin. That lesson has been learned in many previous elections. It is of the utmost importance that plenty of democrats be returned to the state legislature, both house and senate, this year.

FARM BUREAU NOTES

(By County Agent, Henry R. Fausch)

The Webster County Duroc Jersey Breeders met and decided to hold a Consignment Sale Saturday, October 28th, selling 25 boars and gilts. The following breeders will co-sponsor: Geo. Beitler, Logan Ohmstede, Jay Lovejoy, Wm. Arndt, C. W. Johnston, J. H. Kellogg, J. T. McMahon, Emil Blumenthal and Reid Dickerson. These breeders are offering the tops of their spring pig crop. J. H. Kellogg was chosen as sales manager.

POLAND CHINA HOG SALE

The Webster county Poland China breeders will hold a Consignment Sale Saturday, November 4th and sell 20 boars and 25 gilts. The consignors have saved only a few of their best pigs for boars and in this way the individuals in these sales are much better than in an offering put out by one breeder. One also has the choice of the different strains of breeding.

Consignors in the Poland Sale are Frank Lippincott, Geo. Amack, John Hamilton, Henry Fausch, Alex Buschow, Louie Mattock, Carl Fausch, Earl Mattock and Alfred Buschow. J. W. Hamilton will manage the sale.

Farmers wanting boars should keep these two sale dates in mind. The hogs in these consignment sales have been selling very reasonable and they deserve the attendance of all who desire better logs in Webster county.

Pride and Vanity. I would much rather fight pride than vanity, because pride has a stand-up way of fighting. You know where it is. It throws its black shadow on you, and you are not at a loss where to strike. But vanity is that delusive, that insectivorous, that multiplied feeling; and men that fight vanity are like men that fight widgees and butterflies. It is easier to chase them than to hit them.—Henry Ward Beecher.

Can Be No Compromise. It is a truism, but one often practically forgotten, that there is no medium between truth and falsehood.—Archbishop Whateley.

Have an Idea. Adv.—"Wanted, an experienced designer to design latest designs for carpets for carpet factory." A trifle vague, but we think we understand what's wanted.—Boston Transcript.
