Boost Garber for Speaker Popular Young Man Passes Away

The friends of Daniel Garber of Webster county have honored his boom for speaker of the house. Mr. Garber is a practical and successful farmer, and has had considerable experience in past years in farm graduate work. He is a native of Webster county, is a graduate of the Red Cloud high school, and later entered the state university.

He has served the republican party in various capacities from precinct committee-man, county secretary, county chair-man, congressional secretary and delegate to national convention in 1912 at Chicago. He was elected representative by 900 majority, two to one, in one of the warmest political contests ever staged in this district, notwithstanding C. W. Bryan carried the county by 400.—Nebraska State Journal

Hell's Half Acre Pleased People and Was a Success

After several days and nights of hard work by the American Legion members and others, "Hell's Half Acre" opened its doors at the Sale Pavilion Friday evening.

The pavilion was decorated with flags and bunting, also properly heated. Both sides of the barn were lined with booths filled with goods that went like hot cakes in winter time. The Bing game was a whirl-wind as the aluminum ware and pyrex dishes disappeared like dew in the morning sun. The center was converted into a dance floor where the young folks, both evenings, had a very enjoyable time, while Betz's orchestra dished out their usual grade of first-class music for the event.

The crowds were very large and the people had plenty of fun both evenings. Friday evening J. A. McBride, of Cowles, presided as judge of the Kangaroo Court, with Paul Polnick and Chas. Pichler as policemen. They had considerable fun in relieving several men of their "bucks." Saturday evening Dr. Creighton filled the judge's chair and he, likewise, had a good time in imposing fines upon those who were brought before him. These gentlemen's makeup was good and they resembled the dags of the past in truly western style.

Saturday evening the band rendered several selections that pleased the people.

Everett Hawkins was present and took movie pictures of the event which will be shown at the Auditorium Friday and Saturday.

Properly at 12 o'clock Saturday night the most successful event that has been put on at this pavilion closed its doors.

The Legion boys' now have their treasury replenished and the money will be used for good causes. They expect to put this event on next year and it will be bigger and better than any carnival pulled off here.

Mass Meeting of Tax Payers

The County Commissioners, and committees of the Farmers' Union, and the Farm Bureau invite all members of the School Boards and Teachers, of Webster County, also any and all tax payers interested, to a meeting to be held in the Court House at Red Cloud, at 1 p. m., on Saturday, November 25, 1922, for the purpose of discussing taxes in all its phases, of Schools, County and Township, with the object of formulating definite recommendations for tax reduction.

The Motion Pictures of Armistice Day

Hell's Half Acre, Ford Parade, High School Fire Drill, etc., taken by E. W. Hawkins are back to Red Cloud in excellent condition. They will be shown in connection with New York Sleeps and Carter DeHaven Comedy at the Besse Auditorium Friday and Saturday.

Saturday morning a pale of gloom was cast over this community by the announcement that Ernie Barrett had passed away at a hospital in Omaha at 4 o'clock, to which place he had been taken in hopes that medical skill might save his life.

He was injured November 5th, while practicing with the Legion team for the Armistice Day game which was cancelled after the accident. Although little hope was given for his recovery, word had been received here at different times announcing his improvement but a change for the worst came which resulted in his death.

William Ernest Barrett was born in Smith County, Kansas, July 8, 1900, and was aged 22 years, 4 months and 8 days. In 1908 the family moved to this city where he attended the local high school and graduated. During his school days he took an active part in athletics and was the star of many foot ball games. For the past two years he has been associated with his father in the trucking business.

He is survived by his parents, Mr. and Mrs. Chas. Barrett, one brother, Cecil, two sisters, Miss Ila, at home, and Mrs. Harold Moraville, of Hemlingford, and the sympathy of the entire community goes out to the bereaved ones, and in no small measure to his broken-hearted fiancée, Miss Ruth Oatman to whom he was soon to have been married.

Funeral services were held at the Methodist church Tuesday afternoon, Rev. Hardman and Rev. Cope conducting the services. The church was crowded with his many friends, who were present to pay their last tribute to a young man who was a kind friend to those with whom he came in contact. The large profusion of flowers which covered the casket showed the esteem in which he was held in the community. Interment was made in the city cemetery.

Salvation Army Drive
