YOUR HAND How to Read Your Characteristics and Tendencies—the Capabilities or Weaknesses That Make for Success or Failure as Shown in Your Palm

LOSS OF MONEY IN THE HAND

AS WE may read by various signs in the hand that the fortunate subject has acquired, or is to acquire, wealth through inheritance or through his or her own exertions, so may we read also, in the hand the loss of wealth, after it has been possessed and enjoyed.

Inspect carefully the finger of Saturn, the middle or ring finger, near the top, for a star. If it appears plainly near the edge of the finger it indicates loss of position and money. See, also, the mount of Saturn, which lies at the base of the same finger. If it bears, near the base or beginning of the mount, a zigzag line, the same loss is indicated.

Naturally, it must be understood that these signs, as so many others in the hand, are not always perfectly clear and well-marked; and great care must be exercised in reading them, in conjunction with the other marks in the hand.

A BIG TENT AND A BIG CHURCH FOR VACATION BIBLE SCHOOL

To Begin June 18

It has been decided that the ten-day Vacation Bible School which was announced some weeks ago to begin on June 18, shall be held at the Methodist church. In this church there is more room, and more rooms. The big tent which was used last year has been secured for our use this year. This tent will be used as a work shop in which much of the work will be done.

All the churches are cooperating in this school. It is authorized and backed by all the churches through a board of Education consisting of the Pastors and Sunday School Superintendents of the various churches. As last year, all boys and girls from the beginners up to and including the intermediates and seniors will be eligible to registration. The school is open to any boy or girl of Red Cloud or community. It is not for any special class or special group. It is for all.

The work will consist in, studies in devotion, hymn and scripture memorizing, habit and health talks, lessons in citizenship and patriotism, Bible study, mission study, while the expressional work will consist in paper folding and cutting, needle work, basketry, wood work, and various kinds of handicraft such as the youngsters will enjoy. The youngsters will bring their Bibles, needles, crayons, saws and nimble fingers.

The aim will be to teach, the Bible, missions, good habits, good citizenship and service, while recreation and expressional work will be had in wholesome proportions.

A special honest-to-goodness treat for every boy and girl who will register and be present for the first day. Watch for the announcement next week.
