Hugo Players Coming

Red Cloud will be offered a solid week of dramatic plays, music and vaudeville, starting on Monday night, when the Famous Hugo Players will open an engagement here. They come well recommended, having an established reputation in the territory they cover yearly in Kansas and Nebraska. Last season the Hugo's played six weeks engagement in Grand Island, where they are to return shortly, coming here from Superior, where they are favorites from former engagements. The company numbers thirty people, which includes an excellent band and orchestra. The company is well balanced and all plays will be new to this city, opening with "Pal O' Mine," a rural comedy, which hinges about two crooks, a dishonest banker and his beautiful daughter. There is a mock marriage, which turns out a real one and plenty of comedy is injected by Chester Hugo and Walter C. Esmond, as the "pals." Mr. Esmond will be remembered as having appeared in Red Cloud with a similar dramatic organization. There will be an entire change of plays, vaudeville and music each night during the week.
