MESSAGE SENT BY BALLOON

Letters for Legion Posts, by National Commander Owsley, Dropped From Big Bags.

Messages from the air were literally showered on posts of the American Legion from National Commander Alvin Owsley recently when letters were dropped from the basket of one of the entrants in the national elimination balloon race. The messages were received in a number of Eastern states over which the balloon passed on its 400-mile journey over the country.

Anticipating the general direction the balloons would travel from the national headquarters city, a number of personal messages from Commander Owsley were made ready, and the pilots planned to throw these from the basket, attached to tiny parachutes, as they passed over the towns and cities, later to be delivered to the commander of the Legion post in that locality.

The balloon which carried this message was entered as "The American Legionnaire," and was piloted by Capt. C. E. McCullough, vice chairman of the Legion's national committee on aeronautics. Captain McCullough was attached to various balloon schools during the war and made many flights. He is now division passenger agent for the Pennsylvania railway, and in this capacity handled transportation arrangements on the occasion of the visits of the king and queen of Belgium, Marshal Foch, the prince of Wales and other European notables.

Assisting Captain McCullough was Lieut. Carlton F. Bond of the army air service now stationed at Aberdeen proving ground, Maryland, as a Legionnaire. Lieutenant Bond has participated in a number of balloon races, being in the basket with Major Westover, who won the 1922 elimination race, which started at Milwaukee. On this trip the bag landed in the Province of Quebec, Canada, 850 miles from its starting place. This victory entitled them to competition in the international race for the James Gordon Bennett cup, which started from Geneva, Switzerland, but they were forced down shortly after crossing the Alps.

The balloon used by Captain McCullough and Lieutenant Bond, and from which the messages from the Legion's head were dropped, was of 80,000 cubic feet capacity. It was of the army type and had been supplied by the commanding officer of the Three Hundred and Eighty-second airship company, G. H. Q. reserves, Third corps army area. The balloon safely landed at Frankfort, Pa., a few miles west of Pittsburgh, in this race, after being in the air for nearly 24 hours. The aeronauts were forced to land when they encountered a terrific storm.

LEGION MEN URGED TO FILE

Thousands of Acres of Public Lands Are Thrown Open in Western States.

American Legion members are urged by national headquarters to consider filing entries on more than 110,000 acres of public land in four Western states which have recently been thrown open to entry to ex-service men.

The area comprises the second largest offering of public domain for homesteading in several years. Lands thrown open under the order include:

- California—Thirty-six thousand acres in San Bernardino county, near Kelso, and in San Diego county, near Campo.
 - Colorado—Eighteen thousand acres in Costilla county, near Russell.
 - Nevada—Twenty-two thousand acres in Nye county, near Carrara.
 - Utah—Forty thousand acres in Washington county, near Central.
- More than 11,000 acres in Junn county, near Mona, Utah, will be opened to veterans after the state has made selections from the tract in accordance with public land grants to it.

WILL SUBMIT BONUS MEASURE

Omaha Legion Members to Urge State Legislature's Action on Pigeon-holed Bill.

Omaha members of the American Legion plan to submit the bill providing a bonus to World War veterans to the people by invoking the initiative at the next general election.

Sponsors of the measure, which will be patterned after the Iowa state bonus, say the bill will provide for the payment of 50 cents per day to every service man or woman who, at the time of enlistment, was a resident of Nebraska. There will be a maximum clause of \$350. No distinction will be made between domestic and foreign service.

The state bonus measure has been before the Nebraska legislature three times. In 1919 the legislators dropped the bonus and passed an emergency relief bill for service men and their families. In 1923 the bill passed the lower house by an overwhelming majority, only to be held in committee in the senate without being reported out for a vote.

AT WORK ON BIG CONVENTION

Lieut. Gen. Hunter Liggett, in Charge of Arrangements, Being Assisted by Many Others.

With a powerful former lieutenant general, who commanded the first army of a million fighting men in France, at the helm, and important committees headed by ex-officers and "back privates" alike, preparations for the American Legion's 11th annual convention, to be held in San Francisco next October, are progressing.

Gen. Hunter Liggett, a favorite among Legionnaires because of his efforts to build up the Legion in San Francisco, finds the important task of directing arrangements for the big national gathering a pleasant, though busy and comprehensive job.

Not all of the work of preparing for the convention is being handled by Legionnaires. San Francisco has made a systematic study of conventions and the result has been the development of an efficient corps of prominent business men, who, originally "hobbying it" as convention workers, got into the hang of the activity so well that they find themselves called into conference

LIEUT. GEN. HUNTER LIGGETT

every time a major convocation comes to the city. Many of these distinguished citizens, staid business men, whose "bit" during the war may have been the selling of millions of dollars in Liberty bonds and thousands of other splendid deeds, are today "drafted" into the committees preparing for the national convention. Their ability to handle efficiently and well the "short cuts" that have been ferreted out through the staging of more than one hundred conventions each year, will serve the Legion convention workers most effectively. Their part is certain to add to the already tentative program that is now in the making.

San Francisco expects 150,000 visitors to attend the convention.

NAVY IS TO BE REPRESENTED

Numerous War Vessels and Men to Represent Department to Attend Legion Convention.

Nine battleships, 38 destroyers and numerous auxiliary vessels will participate in the naval show in conjunction with the national convention of the American Legion in San Francisco October 15 to 19. The personnel attached to the ships will number 900 commissioned officers, 100 warrant officers and 16,000 enlisted men.

Authorization of the battle fleet's presence was granted by Theodore Roosevelt, Jr., assistant secretary of the navy. The ships will anchor off San Francisco October 12 and will remain until October 28. Included in the fleet will be the battleships California, Maryland, New York, Texas, Arizona, Pennsylvania, New Mexico, Idaho and Tennessee.

Legion convention officials are endeavoring to emphasize the naval program of the gathering to a greater extent than has been attempted in previous years. To that end, the naval authorities of a number of countries allied with the United States in the World War have been asked to send vessels.

VETERANS TO PEOPLE TRACT

American Legion Indorses Washington Land Settlement Project for Former Warriors.

Indorsement by the American Legion of a land settlement project of the state of Washington has made it possible that the tract may be completely peopled by veterans of United States wars.

This, the White Bluffs-Hanford land settlement project, was considered for opening in the spring of 1922, and sufficient applications were received at that time to settle the tracts with veterans as homesteaders, but preliminary work delayed the opening and only a few were granted land. The legislature in 1923 increased the appropriation for the settlement project and made available 100 tracts for veterans who, under the state law, are given preference in settlement. Further aid was extended to the aspiring agriculturists by provisions for loans from the state with which to stock the farms.

Complete colonization by veterans of the tract is the hope of Legion men, who offer every co-operation to the war fighter who seeks to take advantage of the opportunity for homesteading.

Aspirin

Say "Bayer" and Insist!

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe by millions for

- Colds
- Toothache
- Earache
- Neuralgia
- Headache
- Lumbago
- Rheumatism
- Pain, Pain

Accept "Bayer Tablets of Aspirin" only. Each unbroken package contains proper directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monoceteneester of Salicylicacid.—Advertisement.

WOMEN FROM FORTY TO FIFTY

Will Be Interested in Mrs. Hooker's Recovery by Use of Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I was going through the Change of Life and suffered from a run-down condition and the troubles a woman has to go through at that time—hot flashes, nervousness and headaches. At times I was not able to do my work, but since taking Lydia E. Pinkham's Vegetable Compound I am gaining every day and can do my work with more ease than I have for five or six years. I owe it all to your great medicine."

MARtha HOOKER, 114 College Avenue, St. Paul, Minn.

When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flashes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics. Write to Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

There to Stay.

Two aunts had come to visit at Esther's home at different times this summer, and each brought a small baby. Esther's surprise and chagrin was great when they left, taking their babies away again.

Then one day a new baby sister came to Esther's house.

When they told her the news she hurried over to our house and announced: "We've got a real stay baby now, 'cause this one was born to us."

Describing It.

"What kind of a place is your neighboring hamlet of Slapdaddle?" inquired a recently arrived guest.

"Well, I'll just tell you," replied the landlord of the tavern at Grudge. "That outfit of tarapans are so far behind that they are just now taking up the roller skating craze for the first time."—Kansas City Star.

A lot of worry comes to those who wait.

Ever stop to think of this?

We are what we eat!

It's a startling fact, yet a simple truth. This is the reason every one should know that his food is really nourishing—not merely filling. Grape-Nuts—made from wheat and barley—is one of the few cereal foods that includes the vital mineral salts so necessary for supplying proper nourishment for nerve and bone structure. In Grape-Nuts, too, is retained the important vitamin-B of the wheat. No food has greater influence in strengthening the body of a growing child than Grape-Nuts. And remember, children need the very best there is in the way of nourishment. Grape-Nuts is just as delicious as it is healthful, whether served right from the package as a breakfast cereal with milk or cream, with fresh or stewed fruit, or made into an appetizing recipe. Try the suggestion given below.

GRAPE-NUTS ICE CREAM
Prepare plain flavored ice cream in the usual way. Just before the cream hardens in freezing, add Grape-Nuts as it comes from the package, in the proportion of one-half cup of Grape-Nuts to one quart of ice cream. If you buy ice cream ready-made, add Grape-Nuts in place of nut meats. You'll find the resulting flavor unique.

Where you don't find Grape-Nuts, you won't find people—**"There's a Reason"**
