

ANNOUNCEMENT RED CLOUD CITY SCHOOLS

School will open Monday September 3rd. New students will enroll and check credits Saturday, September, 1st. 9 to 12 M.

Non-resident students are required (in accordance with the law) to show certificates permitting free attendance or pay one semester tuition in advance. Students holding free High School certificates from Kansas will be allowed to apply the same on their tuition. (High School tuition \$54.00 per semester, Grade tuition \$27.00 per semester.) Tuition to be paid to the Superintendent.

All students are required to enroll in the Academic course (College Preparatory) unless accompanied by their parent or guardian, or presenting written permission to enroll in one of the special courses (English, Normal Training, Commercial or Smith-Hughes.) When a student elects upon a course he will not be allowed to change to another.

Students are required to carry four subjects. Only those students whose grades have averaged 90% or better will be allowed to carry more than four subjects.

Credit will be given for music, when the student complies with the conditions established by the State Department of Education.

Promotions will be governed by the following. Required average 80%. No study below 70%. A pupil cannot maintain satisfactory grades without Home Study. It is therefore imperative that periods of home study shall be free from interruption, and as regular and unbroken as though they occurred at school under the supervision of the teacher.

The following Courses of Study are offered:

Note:—The Students are required to do at least six months supervised practical work, under the direction of the Smith-Hughes supervisor. This work is continued throughout the summer months.

ELEVENTH GRADE		TWELFTH GRADE	
Eng. V	Eng. VI	American Hist.	American Hist.
Physics	Physics	Civics	Farm Organization
Algebra III.	Solid Geom.	Eng. VII.	Eng. VIII.

Note:—Students not wishing Uni. entrance credits may elect some other subject than this 3rd year of Math. However everyone is urged to take the math. in order that they will be able to enter a College or University.

The methods of instruction in the Smith-Hughes course shall combine supervised study, laboratory demonstrations, recitations and field trips, supplemented by individual practicals and home projects. The development shall be from the standpoint of productive farming and not that of scientific investigation. In order to receive credit from this course the pupil must conduct his Home Project work successfully. No credit will be given if the student fails in this practical application of the work.

The instructor of this course shall be a graduate of a four year agriculture course in a standard agriculture college. He must meet the state requirements for professional credit in educational courses. He must have had at least two years practical farm experience.

The Smith-Hughes instructor shall be employed the year round. During the summer months he visits and supervises the work of the Smith-Hughes students.

The home project, shall consist of a farm enterprise, on which books are kept, inventories taken, and final statements made, and undertaken by the pupil with full responsibility on his part for both financing the project and doing the work.

The individual practicals, which shall consist of practice in particular farm jobs to develop skill and efficiency in farm operations.

General Farm work. Farm boys are naturally doing many jobs about the home farm, and an effort will be made to so organize this general work as to make it supplement the students agriculture instruction. Town and city boys taking this course will be encouraged to accept employment on the farm during the summer months in order to meet this requirement.

Patrons wishing further information in regard to the different courses offered by the Red Cloud City Schools may secure it by conferring with the Superintendent.

A. B. GELWICK, Superintendent Red Cloud City Schools.

Mr. and Mrs. Carrol Ailes and Miss Manche Pope returned home Saturday evening from Colorado Springs, Manitou and Denver, Colorado, where they have been on an auto trip for the past couple of weeks.

Mrs. Margaret Moody and daughter returned to their home in Sterling, Illinois, Saturday morning after spending the past two weeks here at the Grant Turner home and with other relatives here and in Blue Hill.

Mrs. George Van Camp and daughter returned to their home in Lincoln Thursday morning. They have been here for the past couple of weeks visiting with Dr. and Mrs. Robert Damerell and friends.

Trouble is one thing you can borrow without giving security.

To hear some folks tell it, their highest conception of liberty is the right to get drunk.

Certainty of punishment is more effective in preventing crime than severity of penalty.

Hank Leggett says he would like to find a place where fish bite as readily as mosquitos.

An optimist is said to be a man who still thinks it is possible to find a good nickle cigar.

Ford drivers will have to quit running over Ford voters if Henry expects to become President.

An exchange remarks that most June husbands have already forgotten how to drive with one hand.

A 10-year-old girl is winning fame as a writer of popular songs. I didn't suppose any of the authors were over five.

There is always something to be thankful for. Suppose railroad trains were run sideways instead of endways.

Self starters are important on autos but lots of them would be safer if they were also equipped with self stoppers.

One Nebraska editor says about the only way that can be found to keep the average man good is to keep him broke.

A Harvard woman is so up to date that she puts salad dressing on pumpkin pie and then serves the pie on a lettuce leaf.

The average man's vocabulary consists of about 350 words, and most of the ones he uses in daily conversation are unfit to print.

Too many prayers consist only of advice to the Lord. And some sound like He may get into trouble if He doesn't take the advice.

Bibby must pay about as much attention to health rules as I do. His favorite breakfast confection is hot cakes and maple syrup.

The only way a Harvard man can tell when Sunday comes is because it is the day when his wife makes him put on a clean shirt.

Judging by the way so many people handle automobiles it is hard to believe that institutions for feeble minded are overcrowded.

As a kindness to your wife you ought to pick a fuss with her occasionally so she will have a chance to tell exactly what she really thinks of you.

The only reason a husband is willing to tolerate flowerpots around the house is because they make such a handy place to dump cigar and pipe ashes.

If girls could get as much fun out of water in a washbub or a dishpan as they do out of water in a swimming pool—but why expect the impossible?

If the vets have their way we can, when crops are large and prices low, urge the public to drink more corn, rye and barley instead of asking them to eat more.

The town of Hebron is all stirred up over the question of blowing a whistle at noon and six o'clock. The chief objection is that it ruins the naps of non-advertising merchants.

As an evidence that the world is advancing one editor calls attention to the fact that almost a third as much is offered for a successful world peace plan as Shelby paid for one fight.

Babe Ruth's pictures indicate that he is, mentally, about as proficient as the average 14-year-old boy. But there are thousands of people who think he is a bigger man than President Coolidge.

Cecil Matthews has been in my town twice lately but I've managed to dodge him both times. Now that he has become a pure food inspector he is just ornery enough to declare my pipe unsanitary.

The big profit that was made out of gasoline makes lots of folks think there may be an equal reason for some other high prices.

The only difference between Shelby, Montana folks and other town boosters is that Shelby went farther and got less.

As an indication that country editors are prosperous I notice that most of them have pencil sharpeners nowadays instead of whittling their pencils with a knife.

GRACE EPISCOPAL

As men and women who profess and call themselves Christian, we are an associate part of the Church's Program. It is through the earnest effort on our part to pour out of the individual life streams of mercy and truth and power that shall refresh and bless and save a barren world. In order to do this we must possess the Spirit of the Christ in our lives. One way to keep ourselves refreshed and strengthened is to attend the services of the Church.

The Church School at ten o'clock each Sunday morning.

Morning Prayer and Sermon at eleven o'clock each Sunday morning.

Beginning Sunday Sept. 9th Evening Prayer at seven thirty p. m.

This Sunday morning Sept 2nd, Holy Communion at eleven o'clock Rev. John M. Bates celebrating.

A cordial invitation to all who care to worship with us.
Rev. Basil S. Daugherty.

GARFIELD COMMUNITY

Sunday is to observed as Public School Day. The order of the day's services will be:

Sunday School at 10 a. m.

11 a. m. Sermon "Education in the Shaping of National Life".

12 m. Basket Dinner at the church.

1:30 p. m. Public School Day Program. The outstanding features of this will be:

Address—"The Significance of Today" I. B. Wagoner

Address—"Fundamentals of Public School Success" E. J. Ovinger.

Pres of Red Cloud School Board Address—"The Opportunity of the Teacher"—Miss Blanche McCartney

Special music by Mr. L. A. Wagoner and Mrs. Bertha Wagoner

8:00 p. m. Music.

8:15 p. m. Address "The Liberating Power of the Gospel"—Miss McCartney.

Miss McCartney will leave the first of the week for India. All will want to hear her two addresses of Sunday. The evening address will show the effect of the Gospel upon the national and individual life of people, in contrast to those who do not have it.

Every pupil of the public schools, all members of the school boards and the teachers are given a special invitation to attend the services of the day. It will be an occasion of more than ordinary interest.

Last Thursday evening the Masons and Odd Fellows staged a ball game at which time the former won by a score of 14 to 12. The feature of the game was the home run hit made by Oliver Powell, who came up with the bases full of Masons and landed on the ball which hit centerfield, Porter Hale, he losing the same and after recovering the same Oliver had crossed the home plate. These two teams will play again this evening at which 25c will be charged.

State Line

Mrs. Harve Blair is very sick at this writing.

Bert Gass hauled hogs to Red Cloud Monday.

Lewis Paget was shopping in Womer Monday.

There was a family reunion at Frank Browns, Sunday.

EI Elliott and Joe Ryan hauled sand for a culvert Monday.

Mr and Mrs. John Brown made a trip to Lebanon last week.

The dance at Elmer Molines Monday evening was well attended.

Mr. and Mrs. Guss Ring left Tuesday morning for Norton to take in the fair.

A baby girl arrived at the home of Mr and Mrs Nelse Rask on Monday.

Mr. and Mrs. Harry Brown came in from Norton county, Friday, for a visit with relatives.

Mrs. O. M. Noble spent Friday and Saturday at the home of her daughter, Mrs. E. P. Carper.

Fred and Frank Brown and Charlie Ray left Sunday evening for Kansas City where they expect to buy cattle to fatten.

Northeast Pawnee

Carlie Wilson was visiting the McCoale Bros. one day last week.

Mr. and Mrs. Max Jones were trading at Duckerville last Saturday.

Mr. and Mrs. Bob Lunnigan were at Lebanon the fore part of the week.

Mr and Mrs. F. Ryan, Mr and Mrs. J Ring were at Red Cloud one day last week.

Mr. and Mrs. Austin Spurrier were doing their trading at Duckerville one day last week.

Bennie Mapes, Ed Leadbrand and Ray Gouldie were trading at Womer last Wednesday.

Geo. Johnston was visiting his family and doing his trading at Red Cloud the last of the week.

Mr. and Mrs. Harry Brown are back here from Norton on a few days visit with their folks.

Mr and Mrs. Ira Williams were in Smith Center transacting business the end of the week.

Herb Barber and Bennie Mohler were at Duckerville last Saturday doing some trading.

The majority of the farmers are thru haying having good calm weather for that work though hot.

Mr. and Mrs. J. Ryan, Mr. and Mrs. E. Elliot were at Womer doing their trading last Wednesday.

Edgar Leadbrand, Chas Collins and sister Miss Mabel were in Red Cloud one day last week transacting business.

Mr. and Mrs. Bennie Mohler and family were in Red Cloud Friday morning doing their trading, they spent the afternoon picking plums.

Mr. and Mrs. E. E. Spurrier were in Lebanon one day last week visiting the former's folks, Mr. and Mrs. Theodore Spurrier, and doing some trading.

Mr and Mrs. Jim Collins were visiting the latter's folks, Mr. and Mrs. Herb Barber, Thursday evening, the former testing his new Ford lately purchased.

Rolie Stone is the first road boss who finished up road making in north west Logan. He certainly laid down a good headline for good beneficial workmanship and I have no doubts but others will try to imitate him.

Pawnee road bosses who are now finished haying will start in full blast this week roadmaking nothing to stop them unless their gangs are broken up by the Smith County fair and rain will not hurt but if anything will help.

Some of the old settlers say that they never saw sunflowers making such a remarkable growth as they have done this year of course this is due to the incessant and unusual heavy rains of the season. I believe they say what is right. The writer happened to be driving along the road in his car in looking across the field I noticed a team and buggy in a draw so I stopped my car to investigate thinking it a runaway team, but no, nearby was a kid bending down sunflowers, having his team tied to a limb or branch of a sunflower. I asked the lad why he didn't tie his team to the main trunk that they were liable to break loose and he would have to walk home. He replied they were dandies if they broke that limb, besides my leadstrap was too short to go around the trunk. I believe the lad was right they were there to stay. I certainly was astonished at the dimensions of the sunflower but the kid remarked that was but a small one compared to the one that fell on his little brother last week which cost his dad about ten plunks. People talk that the soil and land in general are exhausted and need fertilizers I dont believe one bit of it.

LUTHERAN

Regular services every first and third Sunday in the month in the Adventist church at 11 a. m.

Preaching at 11 a. m. Subject "Cares and What to Do With Them". Everybody welcome.

O. R. Heintz, Pastor.

Nebraska's FIFTY-FIFTH State Fair and Exposition
LINCOLN SEPT. 2-3-4-5-6-7

ASTOUNDING IN ITS IMMENSITY (A Million Dollar Investment Returning a Hundred cents on the Dollar in benefits every year.)

INCOMPARABLE IN ITS WEALTH OF EXCLUSIVE FEATURES. (An indication of the progress of the State's citizens for the past year, agriculturally, Industrially and educationally.)
