# THE THIRD ALARM

**Greatest Show on Earth at Hastings, September 26th**

The world's one big circus--Ringling Brothers and Barnum & Bailey Combined--draws nearer and on its hundred cars will come "ten thousand wonders" to exhibit in Hastings, Wednesday, Sept. 26th.  
World toured and world conquering this truly Greatest Show on Earth is now fully a third larger than it was when it last visited this locality.  
In addition to the many innovations offered then, the present season's program numbers ten more trained wild animal displays--making thirty in all--and the most superb trained horse acts that Europe has yet produced. The wild animal and equine displays of the past were introduced merely that the Ringling Brothers might judge of their popularity. So enthusiastically were these numbers received that the famous showmen immediately arranged for the purchase of the world's finest acts of this kind. An entire equine circus was bought outright and brought to this country last winter. And while the Ringling Brothers and Barnum & Bailey agents were securing this and the trained tiger, polar bear, lion, leopard and jaguar groups, they had orders to engage the foremost men and women performers of the European capitals. And these stars from city and jungle are all to be seen with this wonder circus of 1923. More than 700

men and women, embracing the world's foremost arena stars take part. These artists include the very biggest acts ranging from extensive companies of foreign performers to the amazing English family of Neisons--positively one family consisting of father, mother, six daughters and one son. And this group of world famous acrobats but illustrates the remarkable scope of the human side of this great circus. There are 100 clowns. Aside from the ferocious beasts, the program includes forty trained elephants. There are five companies of trained seals, many dogs, bears, monkeys, pigs and pigeons. Added for good measure is the mammoth menagerie of more than 1,000 animals. It is the biggest circus program the world has ever seen, given under the largest tent.

**INTERESTED VOTERS MEET TO STANDARDIZE MOVIES**

A meeting of the interested voters of the 27th senatorial district of the state of Nebraska was held at the Congregational church in Red Cloud on Friday afternoon, September 7, 1923. The object of this meeting was to perfect a district organization for the purpose of nominating and electing senators and representatives to the Nebraska legislature who will work to create an executive power that will standardize moving picture films, and establish county welfare bureaus and city welfare bureaus. In the matter of moving pictures it is not the object to fight moving pictures, but to standardize them, and bring

them up to a level that will meet the approval of the people thereby eliminating the undesirable. This movement is meeting the approval of the better class of moving picture operators. The welfare boards will have the power to regulate places of amusement both outside and inside cities and villages.  
Rev. N. G. Palmer of Franklin was elected temporary chairman; Harry Vaughan of Guide Rock temporary secretary; H. W. Pope of Red Cloud, C. O. Butler of Franklin and J. O. Hamel of Bostwick were selected as a nominating committee.  
Moved and seconded and carried that a temporary chairman be appointed for each county in the district and the following were appointed: Franklin county--N. G. Palmer; Nuckolls county--G. N. Fisher; Webster county--H. W. Pope.  
Moved and seconded that the meeting go on record as in favor of the standardization of picture films, and of establishing both city and county welfare boards.  
The nominating committee submitted the following names of persons for permanent officers of the 27th senatorial district: J. H. Agee, Superior, president; Ed. Portwood, Nelson, secretary; E. G. Caldwell, Red Cloud, treasurer; Jennette Needham, Bostwick, finances; Harry Vaughan, Guide Rock, publicity; Bert Miller, Superior, survey; Anton Hanson of Uland. The nominating committee were all elected with the exception that C. O. Butler was elected for the finance committee instead of Miss Needham who declined, and Mr. Wright of Superior was made campaign manager instead of Mr. Hanson of Uland. The nominating committee was retained to fill possible vacancies.
