**DISTRICT COURT**

A short session of the district court was held Tuesday and Wednesday. Only one case was tried to the jury, it being a case in which a man name Maxon sought to recover a judgment from School District 38. It appeared that Mr. Maxon had contracted to teach the school at a salary of \$95 per month for the year, and after a few months work was discharged by the board. He was suing for the balance of a year's salary. Evidence was introduced to show that his discipline was unsatisfactory, the county superintendent being one of the witnesses. The jury found against him. F. J. Munday represented the district.

**FOURTEEN NATIONS SUPPORT COOLIDGE**

European Countries Join American President in Backing Golden Rule as Practical Program.

Geneva, Switzerland.--Officials of relief organizations from fourteen European countries have asked their governments and peoples to join in a great international movement to save the destitute orphans and widowed mothers in those countries of the Near East that have suffered from recent wars.

Dec. 2 has been set aside as "Golden Rule Sunday." On that day people will be asked to observe the broad principle of the Golden Rule by foregoing their usual noonday meal and eating instead the frugal ration usually partaken of by the parentless children of Greece, Armenia and Palestine.

The world's people will then be asked to contribute the difference in the cost of the two meals to the principal relief organization in their country, to be administered for the needy children.

Notable people in Europe who will co-operate to give the day an international aspect are King George of Greece, Prince Carl of Sweden, ex Premier Clemenceau of France, M. Paul Hymans and Dr. August Zsigmondy.

**HELLO CHILDREN!**

Here I am back again after a busy, happy year in my Iceland workshop. My trip down to Steins' was really exciting. My aeroplane was so heaped with toys I was afraid every minute they would spill out. Old Jumbo, the elephant, was terribly grumbly and Francine, the Frech baby doll, was a little frightened. However, that's all over now and here we are in Toyville, just waiting to see you. Do come in soon.

Love to you all

**Santa Claus**

Above is the letter Santa left for you boys and girls when he was here the other day. Toyland is open wide with a thousand wonders. Never has this community witnessed a greater Toyland. The sooner you get in the better, for the rush is on right in full force.

**Condensed Milk Preferred.**

Sweetened condensed milk, diluted with hot water, has won a place as a highly esteemed drink among the Chinese of the Swatow district. They prefer this mixture to the excellent fresh milk, containing a high percentage of butterfat, available from the water buffaloes and other cattle maintained in considerable numbers by the farmers.
