Denies Racial Antipathy Caused Annapolis Row

Secretary Roosevelt Reprimands Ensign Olmstead for Cruel Treatment of Fellow Student.

Washington, June 15.—Acting Secretary of the Navy Roosevelt today officially reprimanded Ensign J. L. Olmsted, editor of the Lucky Bag, the year book of the present year's graduating class at Annapolis, for "cruel and unwarranted" treatment of Leonard Kaplan, a fellow member of the class.

When asked for a copy of the reprimand, Acting Secretary Roosevelt made public at the same time a statement in which he expressed the belief that no racial antipathy was ehind the treatment of Kaplan,

No Racial Motive.

"A most serious note in this in-stance at the academy," Col, Roosevelt said in his statement to newspapermen, "was struck by the query of certain people's minds as to whether the action has been taken because of racial reasons. Feeling as strongly as I do how un-American any such distinction as this should be, I have gone most carefully into this phase. I am happy to say that I am convinced that, bad

though this incident was, no such motive was behind it.

"The records o fthe naval academy show that in the class of 1922, nine men entered their faith as Jewish. Certain of these men were ish. Certain of these men were among the most popular in the class. Furthermore, a number of our prominent officers in the past and at the present time are of Jewish faith or Jewish extraction.

Part of Record. "The traditions of our country have always been exemplified by our navy. We pride ourselves that in the service there are no distinctions of race or creed."

The reprimand automatically becomes a part of Olmsted's official navy record. Ensign Olmsted is at-tached to the battleship Wyoming.

Baltimore, Md., June 15.—Ensign Leonard Kaplan of West Virginia was quoted here today as willing to "let the matter drop."

brought in behalf of bondholders and judgment creditors a year ago by James H. Hanley, receiver, is docketed for trial in lederal court at Los Angeles Monday.

Foreclosure suit against the Independent company in federal court here in 1912 developed the fact that the company owed bondholders and creditors \$2,500,000. The physical property of the company was sold to the Bell company for \$1,000,000, leaving a deficit of \$1,500,000.

Asserting that three California stockholders had purchased \$5,000,000 worth of stock and failed to pay for it Charles S. Elgutter, Omaha attorney, brought suit against them. The death of one of these stockhold-

The death of one of these stockholders left but two desendants in the case: U. S. Grant, jr., of San Diego, and William H. Allen, jr., of Los Angeles.
