

\$50,000 Donation Is Made Toward Jewish Building

Morris Levy, at Dinner in Honor, Pledges Gift for \$200,000 Community Center.

On the eve of his departure to spend the summer in Europe, Morris Levy, chairman of the Jewish Welfare federation, made a \$50,000 gift Thursday night toward a Jewish community center building for Omaha.

Mr. Levy made his announcement at a banquet given in his honor at the Brandeis restaurants. The \$50,000 donation requires that a building to cost not less than \$200,000 be built, and that this sum be raised within six months.

A few moments later \$50,000 had been pledged by those attending the banquet. A committee, with William Holzman, chairman; Harry Wolf, vice chairman; Harry Lapidus, secretary, and Louis Kirschbraun, treasurer, then was named to take charge of the campaign for the \$100,000 which must yet be raised.

Dr. Philip Sher, William Holzman, Harry Lapidus, Henry Monsky, Harry Zimman, Isidor Ziegler and Louis Kirschbraun made brief talks at the banquet. Harry Wolf was toastmaster and paid glowing tribute to Mr. Levy's service to the community and his activity in bringing about a complete federation of all Jewish communal work locally.

It was during his response that Mr. Levy made his community center offer.

Prof. F. M. Gregg Is Named State Sunday School Head

Fremont, Neb., June 16.—(Special Telegram.)—The fifty-fifth annual convention of the Nebraska State Sunday School association came to a close here last night.

Prof. F. M. Gregg of Nebraska Wesleyan college was named as the next president. It was decided to hold the next annual convention in Kearney.

A tribute of appreciation was paid to the retiring president of the organization, Rev. H. Ellis Lininger of Wisner.

Other officers elected were: vice president, A. L. Krause, West Point; Secretary, Mrs. Alona C. Little, Lincoln; treasurer, W. H. Kimbely, Lincoln.

Aurora Running Race Meet To Be Held "Rain or Shine"

Aurora, Neb., June 16.—(Special.)—The Aurora race meet this year will be entirely lacking in harness races, but the running races will be of such high order as to merit a large attendance.

More than 100 running horses have been secured already and the local race experts expect 200 to be registered before the meet opens. The races will begin June 20 and last five days, and the races will be pulled off, rain or shine.

Special days have been set for Central City, York, Grand Island and Hastings and it is expected that large delegations from these neighboring towns will be present.

Fire at Beatrice

Beatrice, Neb., June 16.—(Special.)—A shed and corn crib near the R. Davis elevator were destroyed by fire with a loss of \$500. The origin of the blaze is not known. The firemen had a hard fight to save adjoining buildings from destruction. The loss is covered by insurance.

Workman Killed by Explosion of Sterilizer Tank

Expires Before His Brother, Lyons Priest Attending Retreat in Omaha, Could Reach His Side.

James Flynn, 23, 3818 South Twenty-seventh street, was struck by the door of an exploding sterilizer tank of the Corn States Serum company, 4420 U street, at 4:15 yesterday afternoon and died at 5 after being taken to the South Side hospital.

The steel door crushed his forehead, mashed his nose and right eye, according to Dr. H. C. Miller, who attended him.

He remained unconscious until his death, which occurred before his brother, Father J. J. Flynn of Lyons, Neb., in Omaha attending retreat this week, could reach his side.

Father Flynn was preparing to leave the city for Lyons on a train at 6 last night when he heard of the accident.

James, Flynn, who was employed at the serum factory, was sterilizing containers for serum when the accident occurred. He was to enter Creighton this fall to study medicine. He has been a resident of Omaha 18 months. His parents are in Ireland.

Funeral services will be held Monday at 9 from the Holy Family church.

A "white elephant" can be turned into cash quickest by advertising it for sale in The Bee Want Ads.

\$27,000,000 Wage Cut Is Announced

(Continued From Page One.) The board with the further proviso that any "hello girls" who receive more than that amount at present shall not suffer any reduction.

The 12,000 workmen received the heaviest cut of the group, being reduced 5 cents an hour, with helpers suffering a 6-cent slash. Signal foremen, assistant foremen and inspectors, however, escaped with no reduction whatsoever.

The 5,000 train dispatchers likewise escaped a cut, their wages declaring the nature of their work and their responsibility warranting continuance of the present rates.

Get Slight Slash. Stationary engineers, firemen and oilers, numbering 10,000, escaped with the smallest slice from their pay envelopes, being cut 2 cents an hour.

Executives of the firemen and oilers' union, the signalmen and the clerks' brotherhood decided at a conference with eight other labor unions in Cincinnati last week to issue a strike ballot if their wages were reduced. The six shop crafts and the maintenance of way union, also in the conference, already have their strike vote under way.

Dining car employees and the culinary workers on the ferries in San Francisco bay will continue to get their present pay since but few carriers asked a reduction in these classes. But four carriers asked for reduction of their marine workers, too, and the wages of that group, numbering 800 were remanded for settlement with the carriers.

Clerks Oppose Strike. Cincinnati, June 15.—(By A. P.)—No general strike ballot will be sent out by the Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees, it was announced by E. H. Fitzgerald, its president, who said no strike would develop among these workers on several railroad systems.

Timothy Healy, president of the Firemen and Oilers union, said a ballot on the strike would be in the mails tomorrow night.

First Home Talent Course at Nelson Is Successful

Nelson, Neb., June 16.—The first of a series of five community programs to be given by home talent here proved a big success and has elicited much praise.

Nelson is the first city in this section to make the experiment of having a home talent course instead of the chautauqua. The first number was given by the children of the public schools, a four-act operetta, "Jack and The Beanstalk."

The next will be an Oratorio, "Last Judgment," by the united choirs of the churches. This will be followed by a lecture. Then comes a farce comedy by the Legion boys, and the course will close with a band concert and minstrel show. The programs are given at intervals of two weeks.

John Murtey, Grain Man, Killed at Alvo by Train

Alvo, Neb., June 16.—John Murtey, former member from Cass county of the lower house of the Nebraska legislature, died yesterday afternoon when struck by a Rock Island passenger train.

Mr. Murtey, who owns a grain elevator here, was walking along the track in the same direction as the train was moving. The engineer, the only known witness to the accident, says he blew the whistle, but Mr. Murtey paid no attention to the signal. The body was sent to Lincoln.

Harvard (Neb.) Man Installs Receiving Set for Radio

Harvard, Neb., June 16.—(Special.)—Clarence Traut, manager of a local grain office, has installed a radio receiving set and is able to "get" hourly market reports from the Omaha Grain exchange, Kansas City and other large broadcasting stations.

Lad Knocks Older Brother Unconscious With Hammer

Callaway, Neb., June 16.—(Special.)—Eddie Skolik, jr., of Comstock, Neb., near here, was painfully injured and rendered unconscious when his small brother struck him on the head with a hammer.

Two Fires at McCook

McCook, Neb., June 16.—(Special.)—McCook had two small fires last night. The loss was about \$1,000, with insurance of \$650. A garage, Ford car and small barn were destroyed.

DID HIM MORE GOOD THAN ALL ELSE COMBINED

S. J. Anderson Declares He Was Much Improved in Short Time When He Started Taking Tanlac—Had Suffered Nearly 25 Years.

"My trouble has been pulling me down for well nigh 25 years, but I have been steadily improving since taking Tanlac," said S. J. Anderson, 621 S. Lawrence street, Wichita, Kan., valued employee of the Massey Iron company.

"I had a most stubborn case of stomach trouble, had no appetite and what little I did force down soured on my stomach and caused gas. My head ached nearly every day and I had pains all through my body. It was always hard for me to get any sleep and when morning came I simply had to force myself off to work.

"Well, now I have a fine appetite, eat about anything without trouble afterwards and all my troubles are fast leaving me. I want to say Tanlac has done me more good than everything else I ever tried put together."

Tanlac is sold by all good druggists.

Four Big Highway Contracts Are Let by State Engineer

Paving of Six Miles North of Valley Agreed on—Bridge and Culvert Work Awarded.

Lincoln, June 16.—(Special.)—Awarding of four big Douglas county road contracts today by George E. Johnson, state engineer, completed a week of bidding and awarding contracts by his department for road work to be carried on in Nebraska this year at prices near to the prewar level. The contracts will total \$2,000,000.

Omaha's Get Contract. The A. H. Contractors, Omaha, obtained a contract for paving six miles of road with bitulite north of Valley on the Lincoln highway. The contract price was \$125,000.

Peterson, Shirley & Gunther, Omaha, was awarded grading on road work running from Florence out on the Washington highway. The price was \$18,374. Guard rails contract amounting to \$34,875, went to National Construction company, Omaha.

Peterson, Shirley & Gunther also was low bidder on grading the road north from Oreston to Elk City. Contract price was \$12,500. Concrete and bridge work amounting to \$12,000, went to Central Bridges & Construction company, Wahoo, created by the National Construction company, Omaha, for \$1,000.

The Florence-Bennington grading job went to Phelan-Shirley, Omaha, for \$49,400. Culvert work will be done by the Central Bridges & Construction company, Wahoo, for \$11,200, and ditch ditches will be installed by the National Construction company, Omaha, for \$1,000.

One Contract Held Up. Johnson held up a contract on a big grading job in Nebraska county awaiting the final decision on sending contracts on road work. The low bid on this job was by Peterson, Shirley & Gunther, Omaha. The contractor's bid was \$119,522.85. The same firm was given the corrugated culvert contract for \$14,487.

Johnson declared that the Butler county job held up because he declared the Richey Sand company, Omaha, boosted its price on gravel shortly before bids were opened, would not let unless the Omaha firm reduced its price.

"We will give the firm some time to change its mind, and if it doesn't, we will open our own pit and handle the gravel ourselves," Johnson said.

The longest stretch of grading work, 25 miles on the Lincoln highway, running from North Platte to the county line, for \$1,195,228.55. The same firm was given the corrugated culvert contract for \$14,487. Other contracts awarded follow:

County, culverts and guard rails: Western Bridge & Construction company, Omaha, \$1,232.17; Peterson, Shirley & Gunther, Omaha, \$27,667.77.

Kimball County—Culverts and guard rails: Western Bridge & Construction company, Omaha, \$16,772; Peterson, Shirley & Gunther, Omaha, \$11,702.

Keith County—Grading and surfacing: Peterson, Shirley & Gunther, Omaha, \$24,250.

Holl and Boyd Counties—Bridge: Western Bridge & Construction company, Omaha, \$37,111.

Madison County—Grading, Lamoreaux Brothers company, Omaha, \$12,762; corrugated pipe, Western Bridge & Construction company, Omaha, \$7,597; steel guard rails, Dan Quinton, Kearney, \$1,000.

Faving for Madison. Madison County—Paving. Western Bridge & Construction company, Omaha, \$12,814.

York County—Grading, concrete culverts, Western Bridge & Construction company, Omaha, \$48,682; guard rails, York County board, \$2,031.

Custer County—Steel guard rails, Dan Quinton, Kearney, \$17,125; corrugated pipe, Allied Contractors, Omaha, \$14,591; grading, Peterson, Shirley & Gunther, Omaha, \$24,848.

Rock County—Project 188-B, corrugated culverts, Western Bridge & Construction company, Omaha, \$35,566.

Holdrege Dentists Lost Gold to Transon Burglar. Holdrege, Neb., June 16.—(Special.)—Two of the principal dental offices of the city were entered and their gold supply stolen.

Entrance in both cases was made through the transoms, and from all indications, only one may enter. Meredith & Wintersteen's office lost about \$65 worth of gold sheets and gold solder, and the office of Phelps & Johnson lost about \$25 worth of scrap gold.

Phelps & Johnson, after reading in the papers of the dental office robbery at ork, had placed their surplus stock of gold sheets in the bank on Monday afternoon.

Several Nebraska towns and cities have reported similar robberies within the past few weeks.

Sunday Evening Services in Aurora to Be in Open

Aurora, Neb., June 16.—(Special.)—Ministers of Aurora have divided up the Sunday evenings for the summer and the services will be held in the Courthouse park. This has been the practice in Aurora for many years. Each of the ministers will preach one Sunday evening sermon.

The Sunday morning services will be held in each of the churches as usual.

Plans for Presbyterian Church at Superior O. K.'d

Superior, Neb., June 16.—(Special.)—Rev. A. H. Eggleston and Earl Lionberger went to Hastings Wednesday where they met with the C. W. Way Co., architects, and gave the final approval of plans for the new Presbyterian church to be erected here. The plans have been sent out to the contractors, and the contract will be let July 1.

Building at Giltner Burned; Loss Is \$15,000

Aurora, Neb., June 16.—(Special.)—The Farmers union implement building at Giltner burned to the ground. The loss is estimated at \$15,000. The fire originated in the cream testing room from man unknown source.

Potato Crop Damaged

Beatrice, Neb., June 16.—(Special.)—F. W. Mumford, well known farmer and stock raiser living north-east of the city, states that oats and potatoes have been hard hit by the dry weather, but that wheat and corn so far are but little damaged.

McCook Dentist Robbed

McCook, Neb., June 16.—(Special.)—Robbers broke into Dr. J. G. Colgan's dental office and stole about \$100 worth of gold.

Scottbluff to Have Gas Within Next Sixty Days

Scottbluff, Neb., June 16.—(Special Telegram.)—Scottbluff will have an artificial gas plant within 60 days, according to Owen W. White of Casper, who was granted a franchise by the city council today. He will bring from Billings a plant being replaced by natural gas piped from Wyoming.

To Make Hairs Vanish From Face, Neck or Arms

(Beauty Culture)

Keep a little powdered delatone handy and when hairy growths appear make a paste with some of the powder and a little water. Then spread over hairy surface. After 2 or 3 minutes rub off, wash the skin and it will be entirely free from hair or blemish. This simple treatment is unfeeling, but care should be exercised to be sure and get genuine delatone, otherwise you may be disappointed.

Telephone Your Sunday Want Ad Early!!

After the clock strikes nine it will be too late to have your "want" listed in the Want Ad section of tomorrow's Sunday Bee.

Thousands of people—both in Omaha and over the state—will be watching these "want" columns tomorrow to see what you have to dispose of, or are in need of.
