

### Northern Towns to Send Raiding Parties to Den

#### Ak-Sar-Ben to Entertain Delegates From Along Minneapolis and Omaha Route Monday Night.

Monday night will be a big night at Ak-Sar-Ben Den. Large delegations from towns along the Minneapolis & Omaha railroad are to be guests of Samson on this night.

These delegations are reported to be already mobilizing for their descent on the realm. They will storm the Den Monday night 8:00 strong and the good knights of Ak-Sar-Ben will surrender the realm to them without resistance.

And from the moment of their arrival till the last hot dog has disappeared there will be things happening. If any of the invaders escape the initiation Samson has threatened to behead at least one knight. Nor will there be any escape from the speech by E. C. Huston of Tekamah, who is reputed to be the William Jennings Bryan of the delegation.

Mr. Huston is billed as the principal speaker and he is expected to emit large mouthfuls of wisdom on whatever subject he desires, just so it's about Ak-Sar-Ben, or prosperity or free lunch.

Monday night also will mark the opening of a huge drive for members. The drive will be carried on throughout next week with great ferocity on all sectors. Up-to-date Ak-Sar-Ben has 3,702 members. King Ak is quoted as saying that "before the sun sinks next Saturday night the membership will total at least 4,200, or else!"

The 4,200 mark was the highest reached by Ak-Sar-Ben last year. If this mark can be reached in a week, the membership should soar far above any past seasons, King Ak declares.

### Church Parade to Start at 3

#### Several Thousand Catholics Expected to Join in Corpus Christi Procession.

Several thousand persons from Omaha Catholic parishes are expected to gather at St. Cecilia's cathedral, Fortieth and Burt, at this afternoon for the third annual observance of the Corpus Christi feast. Members of all 34 Omaha parishes will be present, with their clergy and other officials.

Parishioners have been divided into three divisions under the following leaders: Anton Chapek, first; Frank Wichert, second; and George McCon, third. The fourth division will be under the direction of John Daly and will contain a delegation of children from St. Cecilia's, a special choir by Dr. R. M. Silby, clergy from all parts of the city, and a delegation of Knights of Columbus.

The procession will lead to the first altar at Thirty-eighth and Burt streets, then to the second altar at the Sacred Heart grounds, and on to the third at Thirty-eighth and Webster streets. From there the procession will lead into the cathedral for the last blessing at the fourth altar.

The Knights of Columbus, all fourth degree men in uniform, will act as canopy bearers and a guard of honor for the holy sacrament. Father Stenson, assisted by Father Borer, will act as master of ceremonies.

### New Method of Reducing Fat

A news item from abroad informs us that the American method of producing a slim, trim figure is meeting with astonishing success. This system, which has made such a wonderful impression over there, must be the Marmola Prescription Tablet method of reducing fat. It is safe to say that we have nothing better for this purpose in this country. Anything that will reduce the excess flesh steadily and easily without injury to the stomach, the causing of wrinkles, the help of exercising or dieting, or interference with one's meals is a mighty important and useful addition to civilization's necessities. Just such a catalogue of good results follow the use of these pleasant, harmless and economical little fat reducers. We say economical because Marmola Prescription Tablets (made in accordance with the famous Marmola Prescription) can be obtained of any druggist the world over or from the Marmola Company, 4612 Woodward Ave., Detroit, Mich., for one dollar a case, which is a decidedly economical price, considering the number of tablets each case contains. They are harmless.

### Alkali in Shampoos Bad for Washing Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else on the market. You can get Mulsified at any drug store and a few ounces will last the whole family for months. Two or three teaspoonfuls of Mulsified in a cup or glass with a little warm water is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulsified.

#### Husband Helped in Housework. Lydia E. Pinkham's Vegetable Compound Made Her Strong

Foster, Oregon. "I used Lydia E. Pinkham's Vegetable Compound for pains across the small of my back. They bothered me so badly that I could do my work only with the help of my husband.
