She Is No Longer Fat

She found a way to reduce her fat. It was a way far more pleasant than dieting or exercising would have been. This new way allowed her to eat foods without danger of becoming fat again.

She found *Marmola Tablets*. They aid the digestive system to obtain the full nutriment of food. They help Nature to turn food into muscle, bone and sinew instead of fat.

Marmola Tablets are made from the famous *Marmola* prescription. Thousands have found that these handy tablets give complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell *Marmola Tablets* at one dollar a box. Ask your druggist for them, or order direct and they will be sent in plain wrapper, postpaid.
