Special Selling of Printed Crepe de Chine

3.75 per Yard

Not only are these silks much reduced in price, but they are much in fashionable demand. The scroll designs are particularly good for frocks and blouses; the plaided patterns, with their brilliant contrasting colors, for sport costumes.

Woven of hard twisted silk yarn with dull luster finish, this Crepe de Chine has the fine crinkled surface of the best crepes. Full 40 inches wide, it may be had in these colorings: White plaided with all bright shades, tan with lavender stripe, gray with blue stripe, red with black checks and barred effects and black, navy or browns with white scroll designs.

Sale of Wilton Velvet Rugs

These Wilton Velvet Rugs, secured in a special purchase, are a distinctly good buy. They are fringed, seamless rugs, closely woven in desirable patterns for living rooms, dining rooms, or bedrooms. While they are termed imperfects, in most instances the variation in pattern or color is so slight it can scarcely be detected even when you look for it. This, however, enables us to sell them at a much lower price than would be otherwise possible.
