## How Many Women Peel Their Faces at Home

Any woman nowadays may quickly rejuvenate her complexion at home by a safe and painless peeling process. The days of expensive and dangerous "operations" are past and such woman can be her own beauty doctor. It has been discovered that ordinary mercurized wax, applied like cold cream at night, will cause the thin veil of lifeless, sallow or blotchy cuticle to gently flake off in invisible, flour-like particles, revealing the fresh, vigorous and beautiful young skin underneath. The wax peels off only the unhealthy and unsightly outer film. The process defies detection and uncovers a clear, white, lovely complexion which is, of course, a perfectly natural one. For this purpose many thousands of women are now using mercurized wax, which may be obtained at any drug store. Naturally the process also removes all such surface blemishes as freckles, blotches, pimples, tan, liver spots, etc. It makes the face look years younger.

## Thrilling Auto Race Ends With Liquor Capture

Booze Suspect Leads Federal Agent Merry Chase From Bluffs to North of Florence.

A thrilling auto chase late yesterday afternoon ended in the arrest of Carl Grace, 215 North Eighth street, Council Bluffs, on the charge of illegal possession of liquor. Earlier in the afternoon, Federal Agent Summer Knox had raided the home of Mrs. Cora B. Grace, with

whom her son lives, and seized 40 gallons of alcohol. Knox, suspecting that the alcohol was the property of the son, Carl, who previously had been arrested on a liquor charge, set out in a high-powered automobile to find him. He was accompanied by Deputy Sheriff George Gillaspay.

At Thirty-fourth and Broadway the officers overtook Grace speeding toward Omaha in a big machine. Grace turned north on Thirty-fourth street, dashed across the Illinois Central bridge to East Omaha, sped to the boulevard and on north through Florence into the country north of Omaha. Knox and Gillaspay followed in hot pursuit, the deputy firing several shots into the air to frighten Grace.

The fugitive finally was overtaken and was returned to Council Bluffs where he put up \$2,000 bond for his release on the liquor charge.

## Sheriff Quashes Attempt to Break Jail by Bank Trio

Prisoners Narrowly Escape Death When Car Conveying Them to State Penitentiary Overturns.

After being frustrated in an attempted jail break three Omaha men, recently convicted of the Decorah State bank robbery attempt, were placed in a large touring car yesterday to be taken to the state penitentiary in Lincoln, narrowly escaping death when the car overturned near Fremont.

Sheriff Ray Stanfield visited the Tekamah county jail between 10 and 11 Wednesday night. He discovered that Ben King, one of the three men, had sawed one bar of his cell in two, and was sawing on a second bar. King, and Louis Klernt and Gottfried Persek, the other two prisoners, were in separate cells. Deputy Harry Smith was on guard, but water had been placed on the bars, thus deadening the sound of the sawing.

Officers were at a loss to understand how King had gained possession of the saw. Fearing to leave the prisoners in the jail any longer, Sheriff Standfield, County Attorney Herbert Rhodes, Deputy Sheriff Smith and Burrell Latta set out for Fremont. When the big car rolled over a six-foot embankment near Fremont Latta, the driver, was the only one seriously injured. The party arrived at the penitentiary in Lincoln at 11:30.
