

Out-State Gifts Swell Bee Ice and Milk Fund

Out-of-Town Nebraskans Out- strip Omahans in Contribu- tions to Aid Needy Babies.

Persons from out in the state are more interested in relieving the suffering of Omaha babies than Omaha themselves, according to contributions to The Bee Milk and Ice Fund since Sunday. Although \$13 was contributed from Omaha, other Nebraskans have challenged the metropolis to the tune of \$20.25.

But even this loyal support on the part of persons from other parts of the state has failed to bring the fund up to the mark reached at this time last year. In spite of the fact that heat records this month have been higher than those of a year ago, the fund to relieve the suffering of babies with milk and ice is \$122 below its total at this time last year.

The Florence Nightingale club has remembered that in spite of business conditions there are hundreds of babies suffering from the intense heat of summer. Their annual contribution of \$5 has been made.

There doubtless are others who intend to do their bit to help the babies of Omaha, but have neglected it. If you have put off sending in your money do it now. The Visiting Nurses must be backed up in their work or they cannot continue. Let your name head the list in this column today.

Crop Returns Enhanced by Rainfall of Two Days

Lincoln, June 27.—Corn pastures and third crop alfalfa were greatly benefited by the rains of Saturday and Sunday, according to Prof. T. A. Kisselbach of the University of Nebraska College of Agriculture. Late oats, likewise, may have been helped by the rains.

Farmers who were facing a shortage of yield in wheat, corn, and potatoes, because of the continued drought, now are rejoicing. Prof. Kisselbach stated today.

Reports from Norfolk, Fremont, Columbus, Beatrice, O'Neill and other places in the state indicate that rains of from one-fourth of an inch to two inches of rain will greatly enhance crop returns. Some damage from hail and wind was reported at Grand Island.

Progressive Wants Debate Series With Democrat

Plattsburgh, Neb., June 27.—Progressive and democratic doctrines don't mix, in the opinion of A. L. Tidd, progressive candidate for congress in the First district. To demonstrate the conflict of policy between the two parties he has challenged John H. Morehead to a series of debates in Nebraska City, Auburn, Tecumseh and Pawnee City. Morehead has filed both as a democrat and as a progressive.

"You present the argument for the democratic side and I will present the progressive side," Tidd has written Morehead.

PARKER'S HAIR BALSAM
Removes dandruff, restores color and beauty to gray and faded hair. Sold everywhere.

CUTICURA HEALS ECZEMA ON CHILD
On Face and Neck. In Pimples, Itched and Burned.

"When my sister was ten months old eczema broke out on her face and neck in small pimples, which spread rapidly. It itched and burned so she was unable to sleep, and her body was a mass of sore eruptions. She had to be carried around on a pillow."
"A friend recommended Cuticura Soap and Ointment and after using one cake of Cuticura Soap and one box of Cuticura Ointment she was healed." (Signed) Mrs. J. S. Smith, Box 118, Lakota, No. Dakota.
Give Cuticura Soap, Ointment and Talcum the care of your skin.
Sample Book Free by Mail. Address: Cuticura Laboratories, Dept. H, Malden, Mass. Sold everywhere. Soap, 25c; Ointment, 10c; Talcum, 10c. Cuticura Soap always without mess.

Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey, I have been prescribing my Prescription No. 777 for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at moderate price, on the money back if dissatisfied plan.
Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessings of life and health. Watch the symptoms. If you have specks floating before the eyes, puffy eyes, clammy feet or moist palms, backache or side ache, you ought to get a bottle of Dr. Carey's Prescription No. 777 right away. It has wonderfully benefited tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.
NOTE—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription, No. 777, aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective Prescription at all reliable pharmacists the country over. Keep in mind the name, Dr. Carey's Prescription No. 777 (Liquid or Tablets). No other medicine can take its place.

Measure Aids Use of Coupler

Centimeter Rule May Be Attached Parallel With Slider.

Many an amateur has wished for some good method of measuring his coupling, whether close and loose and how much or what degree, in order to jot down notes on the position of his instruments while coupling a certain station.

The loose coupler presents a little difficulty in this regard and a simple and very effective way of measuring may be provided by screwing a rule, preferably marked in centimeters, on the ends of the primary parallel to the slider. A rule screwed to the base of the coupler under the rods which support the sliding secondary, in such a position as to be easily seen, will measure the coupling.

Use of Protractor.
Honeycomb coils present a more difficult problem. The old method of measuring with a ruler the distance between their extreme ends is slow and inaccurate. A much easier and quicker method is to place a protractor, or semi-circular measure, where the coils separate, at the mounting or panel, and then the coupling can be taken down on paper in degrees.

With these simple additions any amateur can keep for reference the position of his coils or coupler when hearing some elusive station.

Hawaii Is Gripped by the Radio Craze

Honolulu, T. H., June 27.—All Hawaii has gone "radio crazy!" The craze for radiophones which is sweeping the mainland of the United States has now reached the islands, 2,000 miles out in the Pacific. Companies handling the new apparatus report that they are unable to satisfy the demand for outfits, or even to keep within reasonable distance of their orders, which are now piled so high that at least six months will be

Jazz Music Given Bee Radio Friends

Dean Nordin and Nestlebush Family Delight Fans—Soloist Well Received.

There was plenty of jazz in the Bee's radio program over the Omaha Grain exchange station, WAAW, Monday night. Radio audiences throughout the middle west heard Dean Nordin's Rag-a-Jazz Boys coax harmony from the piano, clarinet, saxophone and drums.

WAAW Wednesday

Wednesday's radio program to be given by The Bee and the Omaha Grain exchange from Station WAAW is as follows:
8:45 A. M.—Market reports.
9:00 A. M.—News bulletin.
9:45 A. M.—Market reports.
10:15 A. M.—Market reports.
10:45 A. M.—Market reports.
11:30 P. M.—Market reports.
12:30 P. M.—News bulletin.
1:15 P. M.—Baseball scores.
8:00 P. M.—Market reports.
8:15 P. M.—Free concert.

The Bee has arranged a vocal and piano recital by radio Wednesday night to begin immediately following announcement of the market reports from the grain exchange station.

Elkhorn Channel to Be Rip-Rapped

Plans for straightening the channel of the Elkhorn river at Elk City, in order to save the necessity of building a new bridge at that point after every flood, are being considered by the county board.

Two years ago the river moved out from under the steel bridge erected a few years before. A temporary wooden structure has served since.

Plans of the state engineer provide for an extensive rip-rapping scheme with concrete block piers, linked together by cables. On this work the Allied Contractors of Omaha are low bidders at \$20,000.

Sparks

Residents of Elliott, Ia., listen in on The Bee concerts from the Omaha Grain Exchange station WAAW at the high school in that city. Prof. E. P. Simmons of Elliott has installed a powerful receiving set with magnavox in the school for the entertainment of the public there.
