B URGESS-NASH have proved a wonderful help for the lover of wonderful help for the lover of A in a cafe the other evening when two women took the table next to him. One of them, a dainty bit of femininity nearing, in M. M.'s judgment, picnics this year. Did you see their the eighty-year-line, wore her skirts just touching the floor—the same length, without a doubt, she wore when she was a girl. Now, my dears, window on 16th which offered everything for the picnic? High, narrow thing for the picnic? High, narrow tinent question: "How will the girls of Today wear their skirts when they are girls of Tomorrow?" I believe you will at least try the lovely new thing for the picnic? High, narrow car-fitting refrigerator baskets with heavy straps for security were perhaps the most notable picuic help. In reality a light, portable ice chest or refrigerator, \$7.50, they enable one to practically live in the automobile during the summer. Interesting are the Auto Vacuum Ice Cream Freezers, one quart size, \$5; two quart size, \$6. Mix ingredients for the ice cream before putting the freezer in the car, upon arriving at the destination for the picnic cream is ready. A Wear Ever Aluminum shaker, will be sure to appeal to the lover of chilled drinks, while the indispensable thermos bottles, the lemon squeezer of heavy glass, 15c, and the ice pick, 15c, might well be remembered. This same window suggested a wonderful form of entertainment for the kiddies, a clown, life-size, carved from wood, holding on his sturdy shoulders a see-saw with carved horses' heads at each end.
