

Market, Financial and Industrial News of the Day

New York Bonds

(The Bee is the only Omaha newspaper which publishes the official closing of the New York Stock exchange bonds.)

New York, July 1.—The only feature of today's market was the further rise of Liberty bonds to the year's maximum of 100.25. Mexican governments made up part of yesterday's advance, but European securities were unchanged.

St. Paul general is gained 1 point and the refunding also made fractional net movement with Illinois Central refunding.

St. Paul general is gained 1 point and moderate reactions were sustained by Kansas City Southern Inc., Interborough Industrial Co. Total sales (par value) \$1,000,000.

New York, July 1.—Following are today's high and closing prices of bonds on the New York stock exchange and the total sales of each bond:

Table with columns: Name, High, Low, Close, Sales. Lists various US government bonds like Liberty, Victory, and Foreign Government bonds.

Foreign Government, State and Municipal.

N. Y. Curb Bonds

New York, July 1.—The most prominent feature of the trading on curb markets during the week, starting with the Standard Oil issues, up to the close yesterday were 100,000 shares of Indiana.

The heavy selling of Standard Oil had a direct influence on the independent oil stock surrounding the market.

New York, July 1.—Transactions on the New York curb market today were as follows:

Harry Morris GUARANTEES A GUSHER OR YOUR MONEY BACK

Harry Morris Guaranteed Gusher Syndicate

OPERATING UNDER THE FAMOUS MORRIS ACTUAL COST PLAN 5 PROVEN EL DORADO ACRES UNITS \$10.00 PAR

Gusher Guaranteed

Here is another brass-bond, iron-clad, GUARANTEED gusher syndicate backed by the veteran oil producer, Harry Morris, "The Man Who Gets the Oil."

Hundreds were disappointed when Harry Morris' Workingman's Syndicate closed its books. They wrote, wired and came down to tell Harry Morris: "Take us in on another sure-thing."

So Harry Morris formed the Harry Morris Guaranteed Gusher Syndicate—the best deal of an entire career of winners.

Harry Morris GUARANTEED A GUSHER in his Harry Morris Trustee Syndicate. HE GOT IT! It's paying dividends right now.

Harry Morris GUARANTEED A GUSHER in his Workingman's Syndicate. HE GOT IT! It will be paying dividends as soon as the first check is received from the pipe line company!

And now Harry Morris, a reliable, responsible, able, honest, experienced oil producer, absolutely, unequivocally and wholeheartedly GUARANTEES A GUSHER well for the Harry Morris Guaranteed Gusher Syndicate that will spot its stream of amber wealth over the crown block, that will be a profitable commercial producer, or—EVERY UNIT HOLDER IN THIS SYNDICATE GETS EVERY CENT OF HIS INVESTMENT BACK!

Dividends Guaranteed

And not only does Harry Morris absolutely, unequivocally and wholeheartedly GUARANTEE A GUSHER for this Syndicate, or your money back, but—

He absolutely, unequivocally and wholeheartedly GUARANTEES dividends to each and every unit holder in this Syndicate just as soon as he receives his first check from the pipe line companies for his oil.

You KNOW you'll get a square deal with Harry Morris—you have his iron-clad GUARANTEE that he'll get a gusher or give you your money back, and you have his absolute GUARANTEE to pay dividends the moment he gets his first check for the oil.

Isn't this the greatest deal you ever saw? It's so good, Mr. Investor, that if you want in on it you'll have to shake a rapid fountain pen.

Third, Biggest, Best

The achievements of Harry Morris read like fiction. He started in the oil fields at 15 years of age. He has climbed and climbed until he stands today at the top rung of the ladder of Success.

He's that kind—a human dynamo—knows no rest—works—thinks—lives an hour every minute—gets results—has little to say—acts a lot—his heart's as big as his own great out-of-door—he'd stop a truck train of supplies to pull a hicken out of the mud—a big, up-standing, clean-thinking, square-shooting, honorable MAN.

Speaking of results, Harry Morris Trustee Syndicate brought in its gusher February 11th. March 4th Harry Morris declared 100 per cent dividend.

Harry Morris started Workingman's Syndicate well, has brought in another gusher, which is earning big dividends every day.

Now comes Harry Morris Guaranteed Gusher Syndicate, with 5 acres in Section 28, "Home of gusher wells," surrounded by huge producers on every side, with derrick up and rig moving on. It's the third, biggest and best. It will make money—lots of money—and make it RIGHT NOW!

Square Deal Guaranteed

It seems hardly necessary for Harry Morris to guarantee a square deal. His friends—and they are legion—KNOW that Harry Morris isn't capable of giving anybody anything BUT a square deal.

Actual cost plan; \$28,500 buys this golden 5-acre lease and drills and equips the well. Harry Morris gets only one-fourth the revenue—the unit holders get three-fourths—the lion's share.

That's the only way to operate. It's the oil man's way—not the promoter's. Harry Morris is an oil man. He doesn't want to make a cent unless his unit holders do, too.

Hundreds of people are profiting greatly through Harry Morris. Hundreds more will profit, because he GUARANTEES A GUSHER or YOUR MONEY BACK. Will you be among that lucky throng? Then you'll have to sign up NOW!

You Know Harry Morris

Harry Morris' word is good as his bond. When Harry Morris says: "A gusher or your money back!" he means just that.

Harry's not gambling. He KNOWS he'll get a gusher on that 5 acres. Big gushers on all sides. Absolutely and undoubtedly jam-up proven stuff. You're not gambling, either. You're playing a SURE-THING for big, quick profits.

Think of it! Five acres, jam up—Gusher GUARANTEED—dividends GUARANTEED—Square deal GUARANTEED—quick action GUARANTEED—a Simon-pure winner operating on an oil man's actual-cost basis.

The others were mighty, mighty good! But this is the best. Oil is certain—dividends sure—no promises—everything's GUARANTEED. Send all you can TODAY for units at \$10 par. Maybe you'd better wire. But anyway, come in—NOW!
