

SLEEPY-TIME TALES
THE TALE OF REDDY WOODPECKER
BY ARTHUR SCOTT BAILEY

CHAPTER XXIV.
The Winter's Tote.

After Frisky Squirrel had enjoyed a hearty meal of beechnuts he began to make hurried trips to a hollow tree nearby. He lived in that tree. It had a fine big storeroom. And there he carried beechnuts in his cheeks. Frisky Squirrel did not intend to go hunting when winter came.

Meanwhile he watched Reddy Woodpecker out of the corner of his eye. He still hoped to catch Reddy unawares. And at last Frisky saw something that he hadn't expected to see. It made him stop short and stare. He saw Reddy Woodpecker loose-

That's what you get for being a pig, he told him.

A bit of bark and hide a beechnut way in a hole in an old stump. Frisky Squirrel was wild with rage. "I told you you might eat as many nuts as you pleased, if only you wouldn't mention beechnuts to Jasper Jay. I didn't say you might hide

Reddy Woodpecker was not ruffled—not even a single feather. "I'm putting away a few nuts," he admitted. "I expect to spend the winter here. And of course I shall need something to eat."

"Don't you dare hide another nut!" Frisky Squirrel scolded. "You're hoarding nuts yourself!" Reddy reminded him.

"That's different," Frisky blustered. All at once a loud, harsh voice squaled right above their heads. It belonged to Jasper Jay.

"A quarrel!" he bawled. "A quarrel over beechnuts! I must do what I can to stop it. I'll gather as many nuts as I can; because when they're gone there won't be anything to quarrel about."

"Another hoarder!" chattered Frisky Squirrel. And Jasper Jay was not the last to appear. For Johnnie Green soon came hurrying up with a basket. And Frisky Squirrel regarded him with great distaste.

"Another hoarder!" Frisky groaned. And he began to scold Johnnie. "Go away!" he cried. "We don't want you here."

To his great disgust Johnnie Green

shied a stone at him and told him not to be saucy. Jasper Jay jeered loudly at Frisky Squirrel. "That's what you get for being a pig," he told him. And, turning to Reddy Woodpecker, Jasper added, "You see the pigs aren't all in the pigsty!"

Frisky Squirrel pretended that he didn't hear any of Jasper Jay's remarks. He set to work again to gather beechnuts enough to last him all winter, and never once stopped to dash at Reddy Woodpecker, nor even look at him.

That was only the first of many busy days for Reddy. Having made up his mind to spend the winter at Farmer Green's place, he hid nuts in dozens of places.

No doubt he never could remember all of his hiding places. But he found enough of them when winter came. And though Frisky Squirrel had stowed away all the nuts he could possibly need, he never could hear to watch Reddy Woodpecker pull out a beechnut from beneath a strip of bark.

He said he never did like to see a bird eat nuts.

Shopmen Offered Seniority by Road

Northwestern Head Says Men Back by July 10 Retain Pension Rights Also.

Seniority and pension rights of striking shopmen of the Northwestern road will be restored if they return to the services of the road by July 10, according to a bulletin received in Omaha last night from New York. The bulletin reads:

"The president of the Chicago & Northwestern railway is sending out today the following bulletin:

"At 10 a. m., July 1, 1922, and subsequent thereto, some of this company's employees left the service without consulting or securing permission from proper authority.

"The extent to which this suspension of work is executed will automatically throw out of employment many employees who are in no way connected with alleged grievances of employees who left the service and further it must be realized that the

railway company as a public servant is obligated to perform its functions and in order to do so it can no longer excuse or ignore the apparent unwarranted action of employees who left the service in the manner described.

"Let it be understood that any of the above-mentioned employees who suspended work and who return to the service at or before the time designated have the positive assurance that their seniority rights and pensions will be protected."

Science discovers falling, lustreless hair due to simple infection (Sebum). Now quickly overcomes it. Hair actually grown on 91 heads in 100!

Thousands of women have made this test. Results are amazing. The charm of wonderful hair is now available to any one who chooses to have it.

Why 6 Women in 8 Have Dull, Unattractive Hair

Science has recently made amazing discoveries. It is now known that hair roots seldom die. They can be revived—given new life.

We have proved that conclusively by growing hair on 91 heads in 100.

The method we use is new. Years of exhaustive laboratory experiments were spent perfecting it.

Now world-great dermatologists employ these ingredients. Many charge \$500 for the same basic treatment.

Falling hair, dull, lifeless hair; hair without sheen or lustre—6 women in 8 have it.

the hair. Its natural function is to supply the hair with oil. But frequently it becomes infected. It cakes on the scalp; clogs the follicles and plugs them. Go to the mirror and you can see it in your hair, either in the form of dandruff or in that of an oily excretion at the hair roots.

Germ is the millions breed in it, then feed upon the hair. Soon your hair begins falling. You note too how lifeless it appears. In a short time, all the natural lustre and beauty are gone.

But—and note this scientific fact—remove the Sebum and the hair reverts back to the softness and brilliancy it displayed when you were a school girl.

The Van Ess treatment accomplishes that result. We know you will doubt it. So we guarantee it.

New hair grown in 90 days. Falling hair stopped in two weeks. Your own druggist gives you our guarantee to do these things. He signs it. If we fail, your money will be refunded without argument.

We urge you to give this new way a fair trial. It is folly not to test it; for remember, you take no risk.

Go to any druggist or department store today. Ask for the Van Ess Liquid Scalp Massage. Written guarantee accompanies it.

Pay Nothing

Unless we grow hair. The Van Ess treatment is absolutely guaranteed. You are the sole judge. The warrant is signed by your own druggist. You assume no risk making this test.

Note This New Way

—It Massages the Treatment Directly into the Follicles of the Hair

You can see from illustration that Van Ess is not a "lotion." It combines a massage and lotion in one treatment. You do not rub it in with your fingers. Each package comes with a rubber massage cap. The nipples are hollow. Just invert bottle, rub your head, and nipples automatically feed lotion down into follicles of the scalp where it can do some good. At the same time the nipples give your head a massage. It is very easy to apply. One minute each day is enough.

These two pictures show a cross section of the hair root or bulb and the case which encloses each hair from the root to surface of scalp (greatly magnified). Germ infected Sebum causes 95% of baldness and falling hair. Remove it and hair will grow. Illustration (A) shows Sebum infected hair and (B) healthy hair.
