

### American Labor Party Launched at New York City

Organization Is Designed to Supplant the Socialist and Farmer Factions Within Next Few Years.

New York, July 17.—The American labor party, patterned after the labor party of Great Britain, was launched Sunday by the socialists, farmer-laborites and trades unionists in convention at Beethoven hall.

Immediately after the new party was started off with a whoop, a trades union delegate who opposed the amendment, demanded that the question of its repeal be submitted to a referendum.

This threw the leaders of the recently formed labor party into a panic. They feared the loss of the votes that swelled the 69,908 total cast for the farmer-labor ticket two years ago in the "dry" sections.

**Happy Solution Found.**  
A happy way out of the dilemma was found when one of the intellectuals offered a substitute providing that all amendments to the constitution be submitted to a referendum.

This, of course, will not affect any existing amendments, but the "wet" delegate was not aware of what was being done, for he led in the demands for the innocuous substitute.

"It's nothing but a party of opportunists," said a left wing socialist, who, with his fellows has been ostracized by the convention.

**To Supplant Socialists.**  
The new party will not function as an independent political group this year, its organizers announced, but it will supplant the socialist and farmer-labor parties within the next year or two. The farmer-labor party is comparatively new. It nominated its first state ticket two years ago, with Dudley Field Malone at its head. There is little left of the old organization.

A few years ago the socialists elected 10 of the 62 assemblymen from this city. Last year they elected but three.

Five of these are democrats, three are republicans and one is affiliated with the progressive party. It is reported from camps of the women candidates that each has made an active campaign. Following is the list:

Democrats—Blanch L. McKelvy, Omaha, Seventeenth district; Freda M. Clark, Omaha, Twentieth district; Ada Carroll Worthman, Lincoln, Twenty-third district; Clara S. Paine, Lincoln, Twenty-sixth district; Mrs. Alice Brooke, Adams county, Sixty-ninth district.  
Republicans—Sarah T. Muir, Lincoln, Twenty-sixth district; Mrs. Jean Whitely, Madison county, Forty-ninth district; Etta Brooks Reese, Custer county, Eightieth district.  
Progressive—Edith Saunders Spence, Hall county, Sixty-seventh district.

### Three Die as Train Hits Automobile

Emerson, Ia., July 17.—(Special Telegram.)—William Eaton, 60, a retired farmer of this city, his son Lawrence, 18, and daughter, Eunice, 14, were killed here yesterday morning when Burlington train No. 5, bound from Chicago to Omaha, struck the automobile in which they were riding. All were instantly killed.

The car was carried on the truck for a distance of half a mile. Lawrence was mangled by the wheels. The others were killed by the fall.  
The party had been at the Eaton farm, near Emerson, over the week end and were returning home for Sunday.

### Jilted Harvest Hand Tries to End Life With Poison

York, Neb., July 17.—(Special Telegram.)—Glynn Townley, a harvest hand, said to be of Brownson, Kan., attempted to end his life at McCool, Neb., Sunday night by drinking poison. He said a young woman here had refused his attentions. Physicians said he will recover.

### Nebraska Marine Drowns

The body will be brought here and the funeral will be under the auspices of the American Legion.

### Candidates Wage Their Campaigns Up to Last Minute

Davis Makes Tour by Auto in Rain, Speaking in Eight Towns in Lancaster County.

Lincoln, July 17.—(Special.)—Political candidates aspiring to various nominations at the primary tomorrow carried their campaigns up to the last minute today.

Clarence A. Davis, attorney general and candidate for the republican nomination for United States senator, left Lincoln by automobile at 8.30 this morning, in the rain, to deliver campaign speeches in each of the eight towns in Lancaster county today, expecting to end up with three speeches in Crete beginning at 8 and closing at midnight.

Tomorrow morning he expects to leave Crete for Holdrege, his home town, where he will cast his ballot. On the way he intends to make speeches at Dorchester, Friend, Ex-

eter, Fairmont, Harvard, Linden, and Astell.  
Charles H. Randall of Randolph, republican aspirant for the gubernatorial nomination, spent the day in Lincoln visiting with influential friends.  
He will go to Randolph tomorrow to vote.  
He took advantage of the absent voters law to send his vote to the county clerk in his home county, Cedar.  
Charles W. Bryan spent the day at the telephone in his office. J. N. Norton was reported to be filling a chautauqua date in Wyoming. A. H. Byrum was at his home at Bloomington.

The rest of the candidates also are "at the front" today, getting in their last speeches of the primary campaign.

### Man Held in Plattsmouth Wanted on Federal Charge

Plattsmouth, Neb., July 17.—(Special.)—Kent McLeod, arrested here for illegal possession of liquor, is wanted at Des Moines on a charge of auto stealing and by the federal government for violation of the Mann act according to information received by Sheriff C. D. Quinton. McLeod is alleged to have rented a Ford at Des Moines and to have crossed the state line into Nebraska with a Des Moines young woman.

### Crops Laid Waste in Pierce County By Hail Storm

Corn and Uncut Grains Beaten Into Ground and Shocked Grain Swept Into Creeks.

Norfolk, Neb., July 17.—Between \$500,000 and \$750,000 damage to crops was the estimate made by a correspondent who toured the region 10 miles in diameter, laid waste late Saturday night by the most severe hail storm ever known in Pierce county. Between 70 and 80 sections of the richest farm land in the county are in the devastated district.  
Corn and uncut grain were beaten into the ground and shocked grain on hundreds of acres swept into creeks. A deluge of rain amounting

to six inches in places, accompanied the hail.  
Hail fell for an hour and a half and in places it formed dams behind which water collected in small lakes inundating fields. Late Sunday hailstones as large as hen's eggs were to be seen on the ground.  
The storm which had its center about seven miles northeast of Pierce, was accompanied by a wind of almost tornado proportions, though no serious damage by wind has been reported.

### Odd Fellows Officers Are Installed at Randolph

Bloomfield, Neb., July 17.—(Special.)—District Deputy Grand Master H. F. Cunningham went to Randolph and installed the officers of Randolph lodge No. 252, I. O. O. F. He was assisted by the following Past Grands: W. L. McDonald, G. H. Liddell, A. L. Kingsley, Harry Chapman and Taylor Melford.

### Fire Destroys Store and Livery Barn at Emmet, Neb.

O'Neill, Neb., July 17.—(Special Telegram.)—Fire of undetermined origin, starting in the livery barn at Emmet at midnight Sunday night, destroyed the barn and the Farmers' Union store and warehouse. Loss was about \$30,000. The entire east portion of the village was threatened. Fire fighters from O'Neill assisted in subduing the flames.  
The election ballots for the district were burned.

THE NATIONAL CITY BANK OF NEW YORK, Trustees

Mr. J. M. Hood, Jr., President of the Company, has summarized his letter regarding this issue as follows:

The Crown Cork and Seal Company has been in successful operation for over thirty years. Its principal product is the Crown cork, which is the most economical bottle stopping device produced and for which there is no comparable substitute. The Company also manufactures bottle filling and crowning machines, cork specialties and lithographed metal signs.

The Company occupies a commanding position in the trade, being the largest manufacturer of Crown corks and supplying considerably over half of the total business done in this line. The Company's operations are world-wide, with plants in Baltimore, Toronto, Mexico City, London, Paris, Yokohama, Rio de Janeiro, Lisbon (Portugal) and Seville (Spain).

The Company's net profits for the past thirty years, after deducting interest, taxes and all other charges, have averaged \$788,377. During the ten years ended December 31, 1921, the average annual net income available for interest and Federal taxes was \$1,322,164, or 5 1/2 times the annual interest charges on this issue, its only outstanding funded debt.

In 1920, the Company showed net income of \$1,504,828, but in 1921, the decline in sales together with substantial inventory adjustments resulted in a net loss for that year of \$1,577,144 before interest. Due to curtailed operation for the purpose of liquidating inventory, a further loss has been incurred in the current year, but applying the contingency reserve which the Company has set up on its balance sheet it is expected that the operations for the balance of the year will show a profit.

The First Mortgage Bonds will be secured, in the opinion of counsel, by a direct closed first mortgage on all the real estate and fixed assets of The Crown Cork and Seal Company (as defined in the Mortgage) and further by the pledge of all of the capital stocks and other securities of subsidiaries, owned by the Company.

The Mortgage will provide for a Minimum Sinking Fund sufficient to retire \$2,000,000 face value of Bonds by maturity, and will also provide an Additional Sinking Fund based on dividend payments.

The Company will covenant not to declare or pay any cash dividends on its capital stock except out of income subsequent to August 1, 1922, and then only if upon completion of such dividend payment net current assets shall equal at least 125% of the Bonds outstanding.

After giving effect to the financing and also deducting all liabilities other than funded debt, the net tangible assets amount to \$15,139,660 or more than 3 3/4 times the amount of the issue. The net current assets alone are \$6,974,475.

Application will be made to list these Bonds on the New York Stock Exchange
