

Walther Meeting Closes in Burst Of Spirited Song

Ode to Omaha, Composed by Field Secretary, Rings Through Auditorium; Detroit Next Year.

In a great surge of devout enthusiasm, the 30th international Walther league convention closed yesterday at noon in the City Auditorium, where it has been in session since Sunday.

A song written by H. E. Jacobs, field secretary, was sung to the ancient tune of "O Tannenbaum," at the close of the convention. It was, in part, as follows:

Oh Omaha, Oh Omaha! Thou city fair and noble, Thy natural beauty is so great, Thy business men all clean and straight, Oh Omaha, Oh Omaha! Thou charmer thy guests most noble.

Rev. George F. Schmidt of New York, in lauding the convention, said that only one of the 17 delegates from New York had attended a previous international Walther league convention.

Detroit Next Year. "But after being present at this," he added, "we hope never to miss another." Miss Esther Tassinari, deaconess, declared that "though I live 1,000 years, I will never forget this beautiful convention."

Detroit was unanimously chosen for the 1923 convention after Edmund Kuhlman of that city read letters of invitation from Mayor James Couzens, the Detroit Board of Commerce and the Detroit Walther League union, to come to "the greatest city in the United States" in 1923.

The convention in its closing session, after spirited debate, almost unanimously accepted a tract of 30 acres on the shores of Lake Michigan, near Arcadia, to be developed as a summer Walther league camp. The most successful.

Several speakers declared that the Omaha convention has been, by all odds, the greatest and most successful in the league's history. A resolution of thanks to the municipality of Omaha, the Chamber of Com-

Generous Hearts Respond to Plea For Ill Babies

Demands on Bee Milk Fund Extraordinary; Bills Keeping Right Behind Money Received.

Generous hearts are responding to appeals for funds to enable The Bee's Free Milk and Ice fund to care for two little, sickly babies found by Visiting Nurses in wretched homes where widowed mothers struggled for sustenance.

The demands on the fund this summer are extraordinary. Bills for milk and ice are keeping right behind the money received.

The 50 infants scarcely "know where their next meal is coming from." But we believe there are many kind hearts which will be moved to help today.

Delegates and guests began leaving on trains early yesterday afternoon. A delegation of 450 from the east left at 4.30 yesterday afternoon for Yellowstone park, stopping en route in Colorado to visit Wheatridge, the league's sanitarium.
