

Credentials to Be Presented to Good Will Girls

Mayor Dahlman to Give Out
Parchments Which Will
Be Signed by French
Dignitaries.

Credentials which later will be signed by the president of France, the archbishop of Rheims and other French dignitaries will be presented to winners of The Omaha Bee's Good Will election this morning at 10:30 in Mayor Dahlman's office.

Mayor Dahlman will sign and present the credentials. Mrs. J. J. McMullen, chairman of the sponsoring committee of the Omaha election, also will be present and sign the credentials.

The credentials are of folded parchment and room is provided on them for the signatures of many notables, with the idea that they will be kept by the Good Will girls as priceless souvenirs of their trip.

Another parchment bearing the names of all the girls who won trips to France through the Omaha contest, and carrying the seals of Ak-Sar-Ben and the Omaha Chamber of Commerce, will be presented to the delegation by Montagu Tancock, manager of the chamber's bureau of publicity, this morning in the mayor's office.

The bureau of publicity will request that the girls place this parchment in some historic spot in France or Belgium. It is dated July 14, a day which in France corresponds to the Fourth of July here.

The Omaha delegation will leave Omaha for New York Saturday evening at 6:30. Miss Katherine O'Brien

HYGIEA-CITY OF HEALTH.

In 1875 Dr. B. W. Richardson gave his specification for Hygiea, the city of health.

In this city, eventually, the death rate would be five per 1,000, less than one-half the death rate of today, and about one-sixth that of the day in which Richardson wrote.

The expectation of life in Hygiea was to be, say, 137 years; the probable mean duration of life 190 years, and old people more than 150 years old, would be found.

A death rate of five per 1,000, if maintained for years, and if migration were stopped, would mean an

Com in Nebraska Is Beginning to Tassel

Lincoln, July 20.—Corn in some fields of the state is beginning to tassel. The crop has grown well and is in fine condition, according to the official Nebraska crop report issued today for the week ending July 18, by G. A. Loveland, meteorologist in charge of the weather bureau here.

Threshing and stacking of wheat progressed well although delayed somewhat in regions of heavy rainfall. Some wheat was damaged in shock and hail injured crops in small areas, the report states.

Oat harvest is on with mostly light crop of good quality; potatoes and sugar beets are doing well while pastures are in good condition. Apples are doing well, according to the report.

Bohemian-American Artists To Give Concert Saturday

Prior to a tour of Nebraska and South Dakota, the Lyric quintet of the Bohemian-American Concert company will give a concert at So-

kol hall on South Thirteenth street, Saturday night beginning at 8:15.

This quintet is composed of Archie Baley, violinist; Mrs. Belle Tilton, lyric soprano; Lois Manning, woman baritone; Mervin Tilton, whistler; John Sveda, cornetist.

Archie Baley is a 16-year-old boy who tucked a violin under his chin when he was only 4 and a half years old. He studied ever since, both in this country and in Europe.

Concerts will be given by the five Omahans in 19 Nebraska towns and 18 towns in South Dakota beginning next week.

Full Line of Goodyear Cross Rib Tread Cord Tires

Did You Get the Bottom Price, After All?

The man who buys a "long discount" tire usually finds himself troubled by the above question.

Did he pay less for the tire than his neighbor might have paid, or actually did he pay more?

Did he get the bottom price, when all is said and done, or could he perhaps have driven a sharper bargain?

Was the net price really more than he might have had to pay for a tire of established reputation and value?

In the belief that the average motorist prefers a frank and open transaction, we built the new Goodyear Cross-Rib Tread Cord and discounted the "discount" in advance.

Instead of listing it at a high price, to enable the dealer to attract you with a so-called "long discount," we list it as low as we profitably can.

We build it of high-grade long-staple cotton, using the patented Goodyear method of group-ply construction, and sell it at a lower price than you are asked to pay for many "long discount" tires of unknown worth.

If you want a quality tire, and a reliable value, call today on any of the Goodyear Service Station Dealers listed here.

Compare these prices with NET prices you are asked to pay for "long discount" tires

30x3 1/2 Clincher.....	\$13.50	32x4 Straight Side..	\$25.45	33x4 1/2 Straight Side..	\$32.15
30x3 1/2 Straight Side..	15.85	32x4 Straight Side..	26.80	34x4 1/2 Straight Side..	32.95
32x3 1/2 Straight Side..	19.75	34x4 Straight Side..	27.35	33x5 Straight Side..	39.10
31x4 Straight Side..	23.50	32x4 1/2 Straight Side..	31.45	35x5 Straight Side..	41.05

These prices include manufacturer's excise tax

Goodyear Cross-Rib Tread Cord Tires are also made in 6, 7 and 8 inch sizes for trucks

All week day advertisements are given two insertions each day—one in The Morning Bee; another in The Evening Bee—at the one cost. Sunday advertisements are inserted in The Sunday Bee exclusively.

Bee "Want" Ads are accepted by telephone at no extra cost—may be brought to The Bee office—or written on this Mail Want Ad blank and mailed to The Omaha Bee.

REPLY.
1. Birth registration laws vary in different states. In most states both the physician or midwife and the head of the family are charged with the responsibility.
In some states the registration must be done with the county clerk; in others, with local registrars; in still others with the local health officer.
In your community registration must be done with the local registrar, who is also health officer.
2. He can be sued for violating the law.
3. Go to the local registrar in the city hall, get the necessary blanks, fill them out and file them.

Chlorine in a Well.
J. G. L. writes: "I noticed you mentioned in your column chlorine for use in water. I would appreciate it very much if you would give me more information on this subject, what quantity to put in a well, and how often it should be put in, and as to its purifying qualities."
REPLY.
Usually about three parts per ten million is enough. If the water is badly polluted, more is required.
In a public water supply the dosing is enough for a reserve supply if pollution is stopped.
Lodge Officers Installed
Omaha, Neb., July 20.—(Special.)—District Deputy George H. Morris and staff installed the officers of Garden lodge No. 388, I. O. O. F., here. The officers are W. A. Smith, N. G., and Charles E. Taylor, V. G.
