She Is No Longer Fat

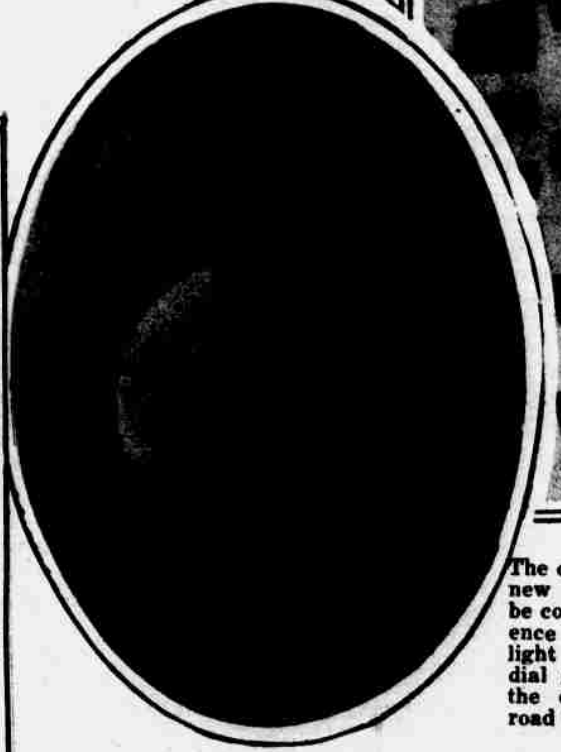

She found a way to reduce her fat. It was a way far more pleasant than dieting or exercising would have been. This new way allowed her to eat foods without danger of becoming fat again.

She found **Marmola Tablets**. They aid the digestive system to obtain the full nutriment of food. They help Nature to turn food into muscle, bone and sinew instead of fat.

Marmola Tablets are made from the famous Marmola prescription. Thousands have found that these handy tablets give complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell **Marmola Tablets** at one dollar a box. Ask your druggist for them, or order direct and they will be sent in plain wrapper, postpaid.

Let Us Beautify Your Home

Shade trees, flowers and shrubs, by artistic arrangement, make the final touches that change a barren plot of ground with "a house on it" into a home. We are experienced gardeners and architects, and are always ready to submit tentative plans for "the home beautiful."

We grow a complete line of nursery stock. Being locally grown insures a hardier shrub or plant. The plants are acclimated to this locality and to soil, and will grow and flourish from the moment they are planted.

Drive out among Omaha's finest homes, a few of which are illustrated in today's Home Section, and convince yourself as to the quality of our nursery stock. What we have done for others we can do for you. The beautiful effect produced at Mr. George Payne's new home has been accomplished in one year's time.
