

### Smoke Overcomes 20 Firemen in Downtown Blaze

**Captain's Ear Drum Ruptured  
—Chiefs Rescue Trapped  
Men in Bowen Furni-  
ture Basement.**

Nineteen firemen were overcome by smoke when fire did \$20,000 damage to the H. R. Bowen Furniture company's property, 1513 Howard street, at 9 Thursday night. All had fully recovered yesterday.

Capt. Peter Brookdorf of station No. 2 suffered the rupture of his right ear drum when he was struck by a powerful stream of water while groping in the dark in the basement. Trapped in Basement.

Martin J. Dineen, assistant chief, went down for the first time in his long career as a fire fighter when he rushed a third time into the smoky depths of the building to rescue his men.

He was carried out by four detectives, Treglia, Lickert, Vanous and Cich, and soon recovered, later participating in a fight on a second big downtown fire.

The firemen overcome by smoke were trapped in the basement of the building after it seemed the blaze was thoroughly under control. A hole had been torn in the floor and water had been played over the flames. Volumes of smoke suddenly swept through the basement.

Frank Soukup, station No. 3, staggered up steps from the rear and only exit, clutched at his throat and collapsed. Fire Chief Salter, Dineen and Brookdorf rushed into the basement after their men.

Revised by Surgeons.

Two police patrols and other motor cars soon were carrying the firemen to emergency hospital at Central police headquarters. Every member of the force from station No. 2 was taken there with the exception of Joseph Nichols, who protested his company had to be represented to the end, and he remained.

Brief treatment put many of the men in good condition. They were permitted by Police Surgeons Kinyoun and Murphy to return to the scene of the fire; others were sent to their homes.

Thousands of persons crowded around the scene of the fire.

In Packing Room.

The firemen who were overcome are:

Assistant Fire Chief Dineen, 112 North Forty-first street.  
Marvin Bishop, chauffeur for Dineen, 2527 Charles street.  
George J. Bero, 2413 South Sixteenth street, station No. 3.  
Henry Goth, 3860 Gordon street; station No. 4.  
P. H. Grimm, station No. 1.  
H. S. Green, 3617 South Twenty-fourth street; station No. 3.  
George Coogan, 3214 South Thirty-second avenue; station No. 4.  
James Matcha, 1423 South Fourteenth street; station No. 3.  
Frank Soukup, 2865 Saratoga; station No. 2.

Capt. P. McElligott, 2232 South Eighteenth street; station No. 3.  
James Powers, 717 North Twenty-third street; station No. 3.

David F. Barry, 2703 Woolworth; station No. 1.  
Joe Foreman, 1411 South Thirtieth; station No. 2.  
Joe Sailla, station No. 2.  
W. J. Dineen, 2759 Burt street; station No. 1.

Capt. Julius Donnermyer, 2019 Grand avenue; station No. 1.  
C. F. Adams, 2726 Burt street; station No. 12.  
Harry Olson, 1520 North Thirtieth street; station No. 12.

Spontaneous combustion in the packing room in the basement, where excelsior was stored, is believed to have been the origin of the fire.

The Bowen company, declining to make any estimate of its loss, announced it would reopen its store for business Saturday morning, with undamaged stocks from two big warehouses.

COULD HARDLY STAND AT TIMES

Hips, Back and Legs would Have That Tired Ache

Everett, Washington.—"For several years I have had trouble with the lowest part of my back and my hips and my legs would ache with that tired ache. I could hardly stand on my feet at times. I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound in a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "so good" feelings disappear.

### Fire Sweeps Two Farnam Buildings

**Firemen, in Second Battle  
With Flames on Same Night,  
Busy Four Hours.**

A fire of unknown origin swept two buildings at 2034-2036 Farnam street at 5:11 yesterday morning and kept firemen busy four hours. More than \$150,000 damage is estimated to have resulted.

Fireman Frank Soukup, engine company No. 2, who only a few hours before was overcome by smoke at the H. R. Bowen Furniture company's fire, was choked by fumes and was taken to his home at 2805 Saratoga street. Harry Olsen, 2114 California street, truck company No. 4, also overcome by smoke in the previous fire, fell 20 feet when knocked from a ladder by a broken hose.

Martin J. Dineen, assistant fire chief, who earlier in the night was prostrated by fumes in the other fire, was one of the firemen who responded and fought the blaze until late in the morning.

Damages were suffered by the Associated National Pictures of Iowa, Inc.; Ellis & Churchill, grill, and the United Auto Parts company.

### Big Liquor Seizure Made in Platte County

Columbus, Neb., Aug. 11.—(Special.)—The largest single seizure of contraband liquor in Platte county was made by Federal Agent Thomas Carroll and State Agents John A. Jones, O. D. Hedge, Carl Schmidt and Adam Kruger, when, in company with the Platte county sheriff, they raided the farm home of J. Clyde Moran, two miles from Creston.

Thirty-seven cases containing nearly 800 pint bottles of home-brewed beer, 100 gallons of mash, two gallons of hooch, five sacks of sugar, two cases of apricots, malt and a still comprised the chief items in the haul. The mash was found working in the hayload of a barn, but practically all the rest of the stuff was found in the basement of Moran's \$20,000 home, except the still. Where the still was located the officers did not know. Moran agreed to produce it if they would let him go alone to get it and not follow him. They agreed to this proposition and

he kept his word, returning shortly with the still. Five counts were filed against Moran; four charging specific sales of beer and whisky, and one charging illegal possession. He was fined \$500.
