Special Receiving Set Installed at Plattsmouth Encampment—Women Soloists Are Features.

Classical piano and vocal numbers featured the Omaha Bee's radio program broadcast from the Omaha Grain Exchange station (WAAW) last night.

National guardsmen in camp at Plattsmouth, Neb., received the entertainment through a large receiving station installed there.

Two piano numbers, "Caprice Exotique" and "Turkish March" by Miss Ida Mildred Lustgarten demonstrated the player's race technique. Miss Gilbert Brown delighted radio audiences with a trio of vocal numbers, "Faded Moon," "Homing" and "From the Land of the Sky Blue Water."

Mrs. Mary Adelle Abbott accompanied her on the piano.

Mrs. Walter Rouse rendered two appealing numbers on the piano, "Prelude in E Minor" and "Ballad."

SUCCEEDS WHERE DOCTORS FAIL

Lydia E. Pinkham's Vegetable Compound Often Does That. Read Mrs. Miner's Testimony

Churubusco, N. Y.—"I was under the doctor's care for over five years for backache and had no relief from his medicine. One day a neighbor told me about your Vegetable Compound and I took it. It helped me so much that I wish to advise all women to try Lydia E. Pinkham's Vegetable Compound for female troubles and backache. It is a great help in carrying a child, as I have noticed a difference when I didn't take it. I thank you for this medicine and if I ever come to this point again I do not want to be without the Vegetable Compound. I give you permission to publish this letter so that all women can take my advice."—Mrs. F. M. MINER, Box 107, Churubusco, N. Y.

It's the same story over again. Women suffer from ailments for years. They try doctors and different medicines, but feel no better. Finally they take Lydia E. Pinkham's Vegetable Compound and they see its value in the case of Mrs. Miner. All ailments women ought to try this medicine. It can be taken safely by young or old, as it contains no harmful drugs.
