

# WHY

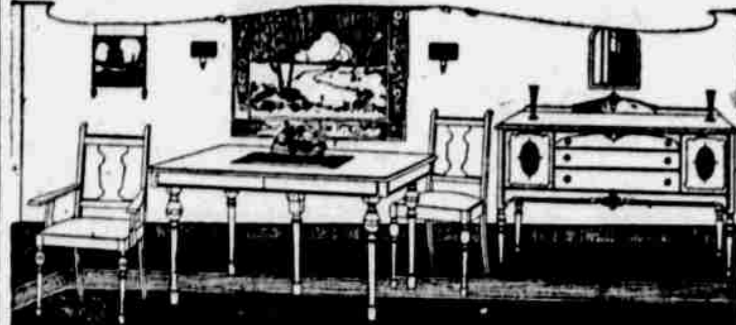

Is Our August Furniture Sale Such a Pronounced Success That It May Fairly Be Said to Be "the Talk of the Town" Among Furniture Buyers and Furniture Sellers?

## The Explanation

—is that in making the immense purchases in preparation for this event we bore in mind those characteristics that are essential to good furniture. The merchandise was selected from the stocks of manufacturers whose ability to make reliable and substantial furniture is unquestioned. We selected furniture that is substantially built in every detail. We selected furniture that is attractive and unusual in design and of careful finish. We bought in such quantities that we obtained big price concessions, and we marked the furniture at prices correspondingly low. That is why every piece of furniture in our August Furniture Sale is full of value, and full of value not only for the present time, but a value for a lifetime.
