

## State Chairman Picks Republican Executive Body

E. B. Perry, Head of Central Committee, Establishes Headquarters at Lindell Hotel, Lincoln.

Lincoln, Aug. 29.—(Special Telegram.)—E. B. Perry, chairman republican state central committee, today appointed members of the executive committee, selected rooms at the Lindell hotel for headquarters and announced an active campaign would open shortly. The democrats have opened headquarters at the Lincoln hotel.

Republican executive committee members are:  
First district: Earl Cline, Nebraska City; Clara L. Smith, University Place.  
Second district: Robert Smith, 1914 Locust street, Omaha; Mrs. E. G. McGilton, 102 North Twenty-eighth avenue, Omaha.  
Third district: F. O. Robinson, Harrington; Mrs. T. L. Matthews, Fremont.  
Fourth district: Charles A. McCook, York; Mrs. Ida M. Proudfit, Friend.  
Fifth district: George Austin, Orleans; Mrs. C. F. Heiler, McCook.  
Sixth district: T. W. Bass, Broken Bow; Mrs. Blanche Williams, Ainsworth.

### McCloud Presides.

Charles A. McCook of York, retiring state chairman, presided at the state committee meeting Monday night, with Mrs. Lulah T. Andrews of Omaha secretary.

"We are going to win this fight in November," said Mr. McCook. "We have always been able to do this when we have been harmonious and doing teamwork. So far as I have been able to observe, we are in that condition today. But we do not want to be over-confident. We must fight. We have a good ticket, and the candidates are willing and anxious to pull together and see that every man on the ticket is elected."

Dr. A. J. Jensen of Harvard, Clay county, moved that the chairman appoint a committee of three to confer with the candidates as to their desire in the matter of chairman and other officers of the organization, and upon its adoption, Mr. McCook appointed Dr. Jensen, Mrs. H. B. Cornelius, Hastings, and Mrs. Draper Smith, Omaha.

Upon report of the committee that the candidates recommended Judge E. B. Perry as chairman, T. H. Reaser, Hastings, vice chairman, and W. A. Sellick, treasurer, the committee unanimously adopted the report.

It was also recommended that the new chairman be authorized to select a woman vice chairman, two secretaries a man and a woman, and an executive committee consisting of one man and one woman from each congressional district.

T. L. Matthews, Fremont, retiring treasurer, made a report showing that there is in the treasury to be turned over to the new organization \$310.05 together with unpaid subscriptions of \$70.

**Vote of Thanks.**  
A rising vote of thanks for the excellent work done by Mr. McCook and Mr. Matthews was taken. O. S. Spillman of Pierce, candidate for attorney general, in a brief talk suggested that the democrats in Nebraska so far have been conducting a campaign of criticism, that is nothing more than the policy that party has pursued for the last 50 years. He said that the republican platform is a constructive document and that the candidates on the ticket from top to bottom stand on that platform.

Charles H. Randall, candidate for governor, spoke briefly, expressing confidence in the success of the ticket.

Robert Smith, Omaha, commended the benefits derived from the code bill, calling attention to the fact that today the five departments established under the system handle the work capably that formerly required 40 separate commissions and boards.

Mrs. Draper Smith, Mrs. Rosalia Condon, Pawnee City; Walter Anderson, candidate for congress in the First district; R. H. Thorpe, Auburn, candidate for the short term in the First district, and others made brief talks.

It was pointed out by various speakers that the democratic nominee for governor, Charles Bryan, is promising to reduce taxes. The only way that he can do that, it was said, was by stopping the construction of the state capitol, good roads and their maintenance and cutting off appropriations for our state institutions. Forty-two of 66 members of the state committee were present at the meeting, which was held at the Lindell hotel.

**Work Starts on Pawnee's Fourth Paving District**

Pawnee City, Neb., Aug. 29.—(Special.)—Work has been started on Pawnee City's fourth paving district. This area covers a portion of the residence district in the north part of the city. With the completion of other paving planned, the city will have a little less than five miles of paved streets. The American Paving corporation of Omaha is doing the work.

## New Alliance Methodist Episcopal Church Dedicated by Bishop Stuntz

Alliance, Neb., Aug. 29.—The new \$85,000 Methodist Episcopal church in Alliance was dedicated last Sunday, Bishop Homer C. Stuntz of Omaha presiding.

The building, which is one of the handsomest church edifices in western Nebraska, has been in course of construction for nearly a year. Its architecture is of the Greek temple design and both interior and exterior are in accordance with the latest style of church construction.

The bowl-shaped auditorium will seat 500 people and the gallery more than 200. A large gymnasium, Sunday school rooms and pastor's study are features of the building.

With George Long in the role of king, somebody remarked the storm scene was the only part of the show that seemed the same Monday night. The storm came and went with its usual precision, but the wild waves in the scene seemed just a bit wilder.

The orchestra started things by playing the opening number as if there was some rule against looking at the music. From that time on, things were happily extemporaneous, and the actors seemed to get as much kick as did the audience out of the proceedings.

**Surprise Staged.**  
Dr. H. A. Waggener and his saxophone octet staged one of the surprises of the evening. Instead of appearing in the usually pallid facial makeup the "Doc's" able assistants stole his stuff by blacking up for the occasion at the last moment. The black hand got to Walter Adams and left its imprint on his back, but he executed his dance act with customary grace and skill.

In the last scene the pony ballet appeared in street clothes, and following it, promptly hit the street, laden with scenery, the historic monkey and the dummy which took many a thrilling leap during the season. The old town clock tolled midnight before they disappeared.

The dummy, looking more respectable than ever, continued to furnish thrills to Farnam street motorists. It was cast under the wheels of many an automobile, much to the consternation of drivers. The monkey was hoisted to the top of the courthouse flagpole and part of the scenery was left at the bottom.

E. Buckling told the loyal knights of plans for the fall festival.

**ADVERTISING.**  
**SURE WAY TO GET RID OF BLACKHEADS**  
There is one simple, safe and sure way that never fails to get rid of blackheads, that is to dissolve them.

To do this get two ounces of calomine powder from any drug store—sprinkle a little on a hot wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear, leaving the parts without any mark whatever. Blackheads are simply a mixture of dirt and dirt and secretions from the body that form in the pores of the skin—pinching and squeezing only cause irritation, make large pores, and do not get them out after they become hard. The calomine powder and the water simply dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition. Anybody troubled with these unsightly blemishes should certainly try this simple method.

**Homes Sought for Seven Girls Between 11 and 17**  
Seven girls between the ages of 11 and 17 in Omaha need homes. Rev. R. B. Ralls of the Nebraska Children's Home society, 602 McCague building, is in charge of their placement.

He also is trying to find a home for a boy of 6.

In addition to these eight, six homeless children have been brought to the local receiving home in the last three days. Overtaxing the modest house at Thirty-second street and Cottage Grove avenue led trustees recently to decide on a \$40,000 campaign for a new home, to be built on Fontenelle boulevard. The campaign is to start January 1.

**Harvard Man Organizes Oil Company in Texas**  
Nebraska friends and acquaintances have been notified of the organization of an oil-drilling company at Rosenberg, Tex., by W. H. Hertzog, a native of Harvard, Neb.

Hertzog owns in fee a tract of land located in the west end of the Henry Christman league in Port Bend county, Texas, between the Santa Fe railway and the Brazos river and about half way between Booth and Thompson. He organized the company for the purpose of making a test on this tract. A location has been made and drilling will begin in a few days.

**Cellar Robbed of Fruit**  
Beatrice, Neb., Aug. 29.—(Special.)—A thief entered the cellar of Mrs. S. F. Rudder and carried away about 100 quarts of cherries, jelly, bacon and pickles during the absence of the family. It is believed an automobile was used in hauling away the stolen property.

**Still the original process.**

## Ak-Sar-Ben Den Show Closes in Burst of Mirth

Surprises Mark Concluding Performance of Summer Run of Samson's Three-Act "Hectic Flush."

Ak-Sar-Ben's three act "hectic flush," entitled "King Arthur's Wild Goats," came to a close Monday night at the Den, with more than 2,000 Omaha knights present to watch the finale of the 1922 season.

With George Long in the role of king, somebody remarked the storm scene was the only part of the show that seemed the same Monday night. The storm came and went with its usual precision, but the wild waves in the scene seemed just a bit wilder.

The orchestra started things by playing the opening number as if there was some rule against looking at the music. From that time on, things were happily extemporaneous, and the actors seemed to get as much kick as did the audience out of the proceedings.

which, he said, will cost \$75,000. He outlined the program as follows: First week: Afternoons, harness races and evenings, "Smiles of 1922." Second week: Afternoons, running races; Monday and Tuesday evenings the pageant, "Coronado," with 1,000 people in the cast, and Thursday evening a wrestling match between Hansen and McGill.

Programs of the 1922 Den show, which was directed by Gus A. Renze, with ritual by John F. Poucher and lyrics by A. R. Grob, were issued Monday night for the first time.

Listed as Samson's dignitaries are Harley Moorhead, Bert Wilcox, O. V. Eastman, E. C. Page, John F. Poucher, R. T. Thomas, Arthur Rosenblum and W. P. Wappich.

**Cast Personnel.**  
Personnel of the cast follows: Frank Latenser, H. W. Dunn, George Long, Dr. Gladstone Derby, M. T. Swartz, Marcus T. Nielsen, Charles R. Gardner, Kenneth Reed, Charles

R. Docherty, C. R. Tyler, R. T. Thomas, C. R. Suber, Arthur Frederick, Mike Gibson, H. R. Smith, Kurt Wittges, E. A. Wenberg, Walter Adams, E. Strickler and C. S. Larson.

The saxophone octet: Dr. H. A. Waggener, Frank Selby, Stuart DeLong, Jack De Long, Clifford DeLong, Claude De Long and Harold Pederson, Harry Evans.

Executive staff: Randall Brown, Henry Dunn, Oscar Lieben, Charles Docherty, Herman Reinholz, Theodore Lieben and son, Jack Virgil, R. Olson, Jack Cady, Frank W. Nelson, Dan R. Butler, Francis Musgrave and Otto Lickert.

**Woman's Hand Crushed**  
Beatrice, Neb., Aug. 29.—(Special.)—June Shaffer, living southeast of the city, suffered a crushed and lacerated right hand when she got the member caught in an electric wringer.

**Heat Your Home the Modern Way**  
Next winter's heating problem can be solved with a Vacuum Furnace installed in your home.

It puts you on a money saving fuel basis, as well as providing the comfort and convenience in the efficient heating of your home, that will materially raise the value of your property.

A guarantee of mechanical perfection is a part of every furnace contract.

Without obligations we will thoroughly explain how this furnace will heat your home at a saving of from 30% to 50% of fuel over any other style of heating plant.

Sold on convenient monthly payments.
