

\$17 More Will Put Milk Fund at \$1,500 Mark

Gap Between Amount Needed and Amount Received Rapidly Being Closed—Last Chance to Help.

The gap between the amount needed and the amount received to defray the cost of milk and ice purchased for poor babies of the city is rapidly being closed.

Contributions received up until Wednesday leave only \$17.10 more to be given in order to reach the \$1,500 mark.

As fall approaches and the days become cooler, the suffering of babies of poor parents ceases. Hence the fund will be discontinued for the summer as soon as the \$1,500 mark has been reached.

The Visiting Nurses association, which, with the aid of contributions to this fund, has been able to fight off suffering and death in hundreds of homes during the summer, reports that it will require \$1,500 to finish the job up right. This fund has never failed to do just that thing.

Here is a last chance to obey that impulse to do something helpful. Large contributions are not needed. "Omaha Jim" has made another contribution. Out in Howells, Neb., these girls raised \$1.25 for the fund by giving a show in a garage: Ruth Paik, Irene Straub, Lillian Koresl, Viola Folda, Olga Dvorak, Margaret Paik and June Allen. Lois Wrenn sends in a check for \$2.50 which she states was earned when a few of the girls on Willis avenue gave a show.

Graham Cited for Contempt of Court in Divorce Action

District Judge Sears yesterday ordered Howard B. Graham, president of the Graham Ice Cream company, to appear before him next Tuesday to show cause why he should not be cited for contempt of court.
Mrs. Myrl Graham reported to Sears that her husband has refused to obey the order of the court that states that Graham must pay \$200 a month temporary alimony. Graham appealed to the higher court.
According to Mrs. Graham, her husband told her that he did not intend to obey the order pending the decision of the supreme court.

Fairbury Rotary Club Entertains Youths

Fairbury, Neb., Aug. 31.—(Special)—The boys' picnic given each year by the Fairbury Rotary club, was held at Ferd Bowers grove on Rose creek. The Rotary club entertains the boys of Fairbury and vicinity once each year with a picnic, including amusements and a big feed.

The amusements include baseball games, races, swings, etc. The feed for this year includes two tons of watermelons, 200 pounds of weenies, 100 gallons of lemonade, 200 huns and other things to complete the demand.

This entertainment is for all boys between the ages of 7 and 15, and is looked and planned for by the youngsters from one picnic to the next. One boy making a short time before reaching the age of 7, when questioned about his age, replied, "I am between 6 and 8 years old."
About 300 attended last year and approximately 400 attended this year. The boys were taken in automobiles by members of the club and the men remained at the picnic to assist in entertaining their guests.

Motion Filed to Dissolve Krause Estate Injunction

Just after District Judge Sears issued a temporary order restraining administrators of the late John Krause of Box Butte county from distributing his estate, attorneys for the estate filed a motion for dissolution of the order. The judge set the hearing on the motion for this morning.

Mrs. Helen Krause obtained the restraining order. She alleges that John Krause obtained a divorce from her in Omaha in 1915 without her knowledge. She is seeking to have this divorce set aside and to obtain a wife's share of his estate, which she says is worth \$500,000.

Arizona Doctor Killed By Nurse

Florence, Ariz., Aug. 31.—W. G. Randall, 46, was shot and killed here yesterday by Miss Katherine Encinas, 26, a nurse at Florence hospital. Miss Encinas, after the shooting, walked across street to court house and surrendered herself to the sheriff. Miss Encinas refuses to discuss the shooting. Her motive is not known.

According to the story Miss Encinas told the officers, she telephoned Dr. Randall and asked him to call at her home. When he arrived he seated himself in a rocking chair in the living room. Then Miss Encinas said, she drew a revolver and shot him. The bullet pierced the doctor's heart and he was killed instantly.

Dr. Randall is survived by his widow, one son, 14, and a daughter, 12. Sheriff Thurman last night removed Miss Encinas to state penitentiary for safe keeping when excited crowds began to gather on downtown street to discuss the killing of Dr. Randall. Miss Encinas, in a statement to officials, said she shot Dr. Randall in revenge for remarks she claimed had been made about her by Dr. Randall's wife.

Johnson County Hogs Shipped to California

Tecumseh, Neb., Aug. 31.—(Special)—Johnson county breeders have sold a carload of choice purebred Duroc-Jersey swine to H. P. Slocum & Sons of Willows, Cal. The hogs were shipped directly to the California state fair. The hogs were sold by George Maulden, W. M. Putman & Son, Elmer J. Lamb and L. H. Ernst. Mr. Maulden received \$800 for a yearling sow and litter of eight pigs.

Many visiting breeders, who saw this bunch, pronounced it one of the best ever produced by the breed. They were sired by Mr. Lamb's boar, J. B.'s Friend Orion. Putman & Son sold the Californians some of their show herd.

Johnson county breeders have a live organization. On each side of the car transporting the hogs were displayed large banners exploiting where the stock came from.

H.R. Bowen Co. "THE VALUE GIVING STORE"

TWO-DAY Clean-Up Sale FRIDAY—SATURDAY

AFTER one of the busiest months this store has ever known, we naturally have some items that have not sold as readily as some others. Our August furniture sale was what any merchant would term a success, not from a money-making standpoint, but from the large volume of merchandise handled.

This success can be attributed to the fact that we made up our mind at the beginning of the sale to sell everything at Value-Giving Prices regardless of cost to us, and marked every item upon that basis.

Now, before we move what remains of our Fire Clearance Sale back into our Basement Salesroom, we propose for the next two days (Friday and Saturday) to cut prices even deeper in order to dispose of as much of this stock as possible before making the change.

Come tomorrow and Saturday with the purpose of securing some wonderful bargains you'll never again be able to find.

We give in this space only a few just to give you an idea what you may expect to find in the way of Furniture, Rugs and Draperies at unheard-of Value-Giving Prices.
