

Attempt to Kill Injunction on Jewell Fails

U. S. Marshal in D. C. Restrained From Interfering With Rail Union Meet—Roads Silent.

Washington, Sept. 9.—A temporary injunction restraining United States Marshal Snyder from interfering with the meeting of the International Brotherhood of Electrical Workers, one of the striking rail shopcrafts, and from doing anything to prevent strike activities "in excess" of the Chicago restraining order was issued today by Justice Bailey in the supreme court of the District of Columbia.

The court denied the petition for a similar injunction against United States Attorney Gordon, but without prejudice to a renewal of the application after next Monday when the Chicago order expires by its own terms.

Motion Fails.

Chicago, Sept. 9.—(By A. P.)—A motion to vacate the government's temporary restraining order against the shopcrafts union, so far as it applies to Bert M. Jewell, head of the railway employees department of the American Federation of Labor, and John Scott, was filed in United States district court today.

The action was begun by Attorney Donald H. Richberg on behalf of the railway employees' department and was based on three general allegations: That the government had failed to make a case; that the relief asked and obtained on a temporary order was prohibited by the Clayton act, and that the relief was sought and obtained with ulterior objects and under misrepresentations.

Cuyler Says Roads United.

Philadelphia, Sept. 9.—Thomas Dewey Cuyler, chairman of the Association of Railway Executives, in a statement today said that "the reports emanating from Chicago, calculated to create the impression in the public mind that there is a division in the ranks of the executives, are absolutely incorrect." He said the "executives stand absolutely on the platform adopted by them at their meeting on August 23."

Bill to Restore Home Town of Lincoln Is Introduced

Washington, Sept. 9.—Federal control and restoration of Old Salem, Ill., a few miles from the State capital at Springfield, is provided for in a bill introduced by Representative Guy L. Shaw, Illinois, a measure which would restore the town to its architecture as it was in the days when Abraham Lincoln held wrestling matches in the village streets.

Play a tune in an hour on a CONN

It is being done. You can do it. Even without musical experience you'll master the saxophone well enough to play popular music in a very short time.

The Conn Saxophone is easiest of all wind instruments to play because of its simplified key system, easy blowing, perfect scale and superb tone.

Come in and try one today, no obligation.

Used Instruments at 1/2 and less

All Safe and Sound, But What a Scare!

Armour troop No. 60, Boy Scouts of America: First row, kneeling, Joe Dasovich, Frank Stanich, Peter Wasagis, Matthew Macacis, Rudolph Baslosich, James Vondrak.

Here they are all safe and sound; but what a scare, what a scare!

They were sound asleep near a lake in the Arlington (Neb.) fair grounds last Saturday night, when strange, threatening noises enveloped the scene.

Beds were abandoned and Armour troop No. 60, Boy Scouts of America, made ready to defend itself.

"Sall right, boys; 'sall right," announced J. R. Byerly, scoutmaster.

George Yackisch, George Olin, Milo Erb; second row, Lester Moaber, Maurio Deprez, Roland Groves, Frank Pluvias, Holgar Hanrup, John Gaspar; third row, Frank Burkus.

and his assistant, E. J. Novak, and the "battle of the screech owls" was a thing of the past.

Learning all about screech owls was just an incident of the troop's trip, which was made possible by J. H. Hansen and I. W. Jones, who gave the use of cars.

The youths swam in the lake cooked and slept outdoors and learned a lot of new things about the great outdoors of Nebraska.

George Spanich, Joe Andelich, John Zadina, James Merwald and Emil Bakke; back, C. F. Haseltine, office manager at Armour's; right, J. R. Byerly, scoutmaster.

"We hope to make it an annual outing," Scoutmaster Byerly said.

"Everybody had a bang-up time and we got so well acquainted our executives are able to do much more for the boys."

Armour troop No. 60 is backed by Armour & Co. under orders from Chicago offices of the big packing company. Most of the boys are sons of Armour employes, but there is no rule to that effect.

"Farewell Flight" Fatal to Veteran Mail Pilot

Walter Smith, Who Brought First Air Mail to Omaha, Killed at Indianapolis.

Pilot Walter J. Smith paid with his life for a desire for "a farewell flight."

Star of the first air mail flight from Chicago to Omaha; husband of an Omaha girl, Miss Vita Walsh, at whose request he gave up his dangerous calling, Smith, last spring, completed a course in pharmacy and a short time ago purchased a little drug store in Chicago.

Then the Indianapolis fair came on. Old "budies" of the flying days urged him to come on.

"Just this once more," he promised.

And he never came back.

His widow also mourns the loss of their infant, which lived but one week.

Mrs. Smith is a niece of Mrs. Nora L. Fenton, 3601 Q street, who has gone to Chicago for the funeral; and of Warden Fenton at the state penitentiary. Prior to her wedding two years ago to Smith, her childhood sweetheart in Pierre, S. D., Mrs. Smith made her home with Dr. and Mrs. W. N. Davis on the South Side. Mr. and Mrs. Leo Wilson visited the Smiths in Chicago, this summer.

Smith was in the air service during the war and was photographed here, shaking hands with Gen. Pershing, on the day the local hangar was formally opened and the first mail brought from Chicago by Smith.

Smith was well known to many pilots of Omaha, having worked with some of them.

Doolittle Flies to San Antonio

Aviator Makes the Trip From San Diego in 11 Hours and 47 Minutes.

San Antonio, Tex., Sept. 9.—Lieut. James H. Doolittle, who crossed the continent from Jacksonville, Fla. to San Diego, Cal., the early part of the week, within 24 hours, returned to San Antonio last night from San Diego. He arrived at Kelley field at 7:47, having made the trip in 11 hours and 47 minutes.

An immense crowd of friends and admirers lined the field in the vicinity of Doolittle's hangar, looking for the intrepid aviator. Darkness set in and a light splash of rain fell.

Shortly after the big searchlights on the field had been turned on and while Kelly Field band was playing a concert for the visitors the big De Havilland came from the darkness less than a hundred feet over the beacon and settled with the grace of a bird directly on the beam of light cast by the searchlights.

After receiving the congratulations of his commander, Doolittle was whisked away to his quarters where his wife, mother and two children awaited his coming. Fellow officers hardly gave him time to clean up and eat a bit so eager were they to press his hand before he was again whisked away in Col. Howard's car to the city where Mayor Black, city officials, army officers and thousands of others waited to welcome him and pay tribute to his prowess in conquering the air on his record-breaking trip.

Lieut. Doolittle and family were to leave today for McCook field, Ohio, where he will attend the engineering school of the air service.

Heat Wave in Chicago Ends.

Chicago, Sept. 9.—The heat wave which in four days has been held responsible for 10 deaths and numerous prostrations was ended early today. After intermittent showers, the temperature dropped to 72 degrees. The maximum yesterday was 96.4.

Muriel McCormick May Sing in Opera Company of Father

New York, Sept. 8.—Miss Muriel McCormick will sail for Europe Saturday on the Homeric and will probably sing in the new opera company which her father, Harold F. McCormick, is forming to star his bride, the former Mme. Ganna Walska, according to Miss McCormick's secretary.

Miss McCormick has been studying for an operatic career for several years, it was said by Mme. Marguerite Sylva, prima donna with the Chicago Opera company. Another singer, Mme. Graciosa Pareto, also of the Chicago Opera company, said that Miss McCormick has a beautiful voice.

Miss McCormick has chosen for her operatic career the name of "Nawanna Micor."

Harding Commutes Term

Philadelphia, Sept. 9.—Edward F. Dorsey, who has been on leave here from the federal prison at Fort Leavenworth, Kan., to see his sick son, "Bueky," 5, received word from Washington that President Harding had commuted his sentence to expire at once, amounting virtually to a pardon. Dorsey was convicted during the war of violating the espionage act by making seditious utterances.

Episcopal Dean Urges Licenses for Movies

Portland, Ore., Sept. 9.—Advocating a system of licensing motion picture producers in the manner in which the saloon was licensed in the pre-Volstead days, Dean Charles N. Davis, executive secretary of the social service department of the Episcopal church, addressed the members of the Portland City club yesterday. His suggestion came in a denunciation of censorship.

"Censorship has too many dangers," he declared. "There is no standard for censoring. One board may see good in a picture where another sees nothing but wickedness. Then there is the danger of those in authority to use the films produced to further propaganda of their own desires. It is an inroad on free speech and thought."

Referring to the danger films of questionable nature may have for children, Dean Lathrop declared: "If parents do not care enough to guard their children against such dangers, the country is in grave danger. Parents allow their children to go to movies two or three times a week without knowing what the picture is. They would not think of allowing them to attend stage plays which they knew nothing about."

SON BORN—A son was born September 2 to Mr. and Mrs. Harry Treisman, 2211 Pratt street.

St. Vitus Dance Conquered by Chiropractic Adjustments

Myrna Schaefer, aged 9, 4514 S. 27th St., is one of the many cases of St. Vitus Dance and Nervous Disorders that have been restored to normal by Chiropractic adjustments given by Dr. Burhorn.

To you who are suffering with any form of nervousness we invite you to investigate what we have done for others and what can be done in your case. Consultation is free.

Adjustments are 12 for \$10 or 30 for \$25. X-Ray laboratory. Lady attendant.

My Council Bluffs office is located in the Wickham Block, with Dr. Lee W. Davis in charge.

Turkish Forces Ready to Enter City of Smyrna

Panic-Stricken Populace Flees Port—Greek Soldiers Battle Citizens for Places in Boats.

Constantinople, Sept. 9.—(By A. P.)—The Greek disaster in Smyrna is complete, and Turkish troops are preparing to enter the city tonight or tomorrow morning, according to dispatches received here.

M. Stergiades, the Greek high commissioner in Smyrna, left the city today aboard the British battleship Iron Duke. The allied and American consuls will meet Mustafa Kemal in Cassaba today to arrange for the taking over of Smyrna.

The Kemal army occupied the towns of Brusa and Ghelek today. Both places are in flames. The allied and American consuls in their conference with Mustafa Kemal Pasha will complete arrangements for the administration of Smyrna so as to prevent further disorder and blood shed.

Surrender Demanded. Constantinople, Sept. 9.—(By A. P.)—Kemalist armistice terms according to Turkish newspapers include the surrender of the Greek army as a hostage, the delivery of certain war material of the Turkish occupation of the Anatolian ports, the immediate evacuation of Thrace and the reconstruction of the regions devastated by the Greeks. The allied high commissioners informed the Angora government of a request for an armistice.

May Dethrone King. Constantinople, Sept. 9.—(By A. P.)—A movement for the dethronement of King Constantine of Greece and the establishment of a republic is reported by the Greek newspapers to be under way on the islands of the Grecian archipelago.

Nationals Bombard City. Athens, Sept. 9.—(By A. P.)—Smyrna is being bombarded by the Turkish nationalists. Nine airplanes from the Greek naval base there, arrived here this morning, the air men telling of their departure from the city under artillery fire.

As they left the Smyrna airdrome an enemy shell damaged a tenth plane which was just leaving the ground. The machine was unable to continue and the aviators were ignorant of the fate of their comrades.

The city is being evacuated amidst scenes of great disorder, according to refugees, 2,200 of whom have arrived here. Panic reigns as the

A Comfortable, Smart Shoe

There is no need to wear shoes that tire your feet, cramp your toes, restrain and weaken your arch muscles. There is a good shoe which is smart in appearance as well as correct in shape—the Cantilever Shoe.

Its primary purpose is to make the foot comfortable. But it is also good looking, and has those excellent features which brought it the endorsement of health and educational authorities and foot specialists.

The lines of the Cantilever Shoe are so graceful that you would hardly imagine it possessed a natural sole line, room for the toes without crowding, good heels rightly placed, a flexible arch permitting free action and free action of the foot muscles.

By wearing the Cantilever Shoe you will have foot comfort and the peace of mind that follows when the feet are no longer a source of annoyance. Try it.

All guesswork eliminated: every shoe is now fitted by X-ray without extra charge to you. Sizes 2 to 11. Widths AAAA to EE. For Men and Women.

HOSIERY, SPATS and RUBBERS. Sold in Omaha only by CANTILEVER SHOE SHOP, New Location 1708 Howard Street, Opposite Y. W. C. A. Building. Write for Free Booklet.

The woman who risks her health by wearing poorly shaped shoes is invited to come and see the Cantilever models. Many women who have changed to Cantilevers for daytime wear acknowledge that good-looking shoes which are properly shaped are a source of satisfaction and happiness.

By wearing the Cantilever Shoe you will have foot comfort and the peace of mind that follows when the feet are no longer a source of annoyance. Try it.

Additional Men Named in Herring Mine Massacre

Twenty-One More Indictments Returned by Williamson County Grand Jury—Adjourns to Sept. 18.

Marion, Ill., Sept. 9.—Fifty-eight men, all but a few of whom are union miners of Williamson county, stand indicted for murder or conspiracy to murder, as the aftermath of the massacre of June 22, near Herring. After returning additional indictments naming 21 new defendants, the grand jury adjourned until September 18, when the investigation will be resumed.

The chief indictment returned yesterday is a blanket charge naming 58 persons, alleging conspiracy to murder. The victims of the massacre are named or described in this document. The men now in jail and those for whom the sheriff is looking have this new charge to face.

In addition to the original 37 defendants these are named: Gerald Bernard, Simon Miller, Noble Bell, Lew Corlan, Charles Hancock, Ernie Craig, William Travelstead, V. R. Wilson, Henry Skelcher, Bill Cullledge, Darby Babington, Brookhouse, Sam Catton, Jesse Childers, Orrie Kirby, Earl Baxter, Bill Clauder, Hastings, Fred Cooper, Lee Herron and William Sellars.

The original 37 and the 21 new defendants were also indicted for rioting, which carries a penitentiary sentence. The 27 men named in the John Shoemaker murder indictment Thursday were regrouped in 12 new indictments yesterday. This was done in order to get separate action against some of the men accused as leaders and members of the mob.

Two new prisoners, Bert Grace and Alva Loles, miners of Herring, were arrested this evening, making 10 men in all in jail.

To Make Women More Beautiful

HERE was a day when beauty too often was sacrificed to fashion. But that day is gone. A newer, finer ideal inspires the creators of our modes—an ideal which tends ever to the enhancement of woman's natural graces!

Even the fabrics which embody Fashion's fancies are truly wondrous. Lace, satin, crepe, velvet, woven surfaces—soft and supple—elegant and expressive—these are the materials the frocks of fall have chosen to make women more beautiful

\$59.50 to \$250.00

Thompson, Belden & Co.

Fall Is At Hand

Now is the time to get out your heavy clothes and have them put in shape for cold weather. You can easily make your old garments last another season by having them cleaned or dyed, repaired or relined.

Dyeing

Our dyeing department is in charge of one of the best dyes in the United States. We successfully dye dresses (either ripped or whole), suits, coats, sweaters, men's clothing or children's garments.

Repairing, Etc.

We employ only expert tailors and can make any repairs or alterations desired on either men's or women's garments.

We put in new linings, put on velvet collars, put in new pockets, make new edges on sleeves or pants bottoms, alter jackets, lengthen skirts, etc., at about two-thirds what regular tailors charge.

Rug Cleaning

Our rug cleaning is better now than ever before. Your rugs are cleaned through and through, color restored, resined and made to look and wear like new rugs.

Send us one rug as a sample, and if you are not delighted with the result you need not pay one cent for it.

Remember, The Pantorium is the oldest and best known Cleaning and Dyeing establishment in Nebraska. For over twenty-five years we have been "building for the future," so we can't afford to turn out inferior work.
