Married Life of Helen and Warren

"Did you find them " was Helen's "Nothing doing," viciously Warren jabbed his cane into the hall rack.
"Dear, it's so late—don't worry about it any more tonight. Let's go to bed and maybe you'll find them in the morning."
"In the morning! That case comes and the morning!"

"In the morning! That case comes and the morning when you woke?"

"In the morning! That case comes and the morning would drive away."

"Oh, I will! Where'd you expect to find these maners when you woke?

Now in the library he began an-other jumbling search through the might suggest somewhere to look."

"Oh, they aren't here! I've been mind suggest a good breakfast. You looking all evening. You couldn't mosey out to the kitchen and rustle have brought them home.

"I've gone through the office with a at it fine tooth comb."

fine tooth comb."

"And you look so tired! It's after 12—you've been working down there since 8. Dear, you'll be sick—come on to bed now. Maybe, if you get was so muddy yesterday."

"And be sure to use an egg in the coffee—it was so muddy yesterday."

"And be sure to use an egg in the coffee—it was so muddy yesterday."

"I can sleep without any dosing up." But as he got ready for bed Helen slipped out to the kitchen,

"No, you've had your supper," as you had them in your desk draw Pussy-Mew brushed ingratiatingly against her. "And there isn't any everything out a dozen times."

through the newspapers in the box under the pantry sink. Warren might have left the long envelope on the library table and Nora brought in the pantry table and Nora brought in the long envelope on the library table and the library table envelope on the library table envelop have left the long envelope on the library table and Nora brought it out you do." Left file drawer isn't full. I don't Campaign on to "Keep School Chil-

A sizzling overflow from the stove sent her flying to shut off the gas.

Warren was in bed when she brought in the milk. "Eh, what've you got there? Thought I told you I didn't want

"Oh. all right," irritably. "Anything to get rid of you."
"Careful, it's hot! Just sip it—I'll get ready quick as I can."

The hot milk had its usual somno-lescent effect. But Helen lay wideawake, worrying over the misplaced

As always, everything appeared more calamitous when she brooded over it at night. And now the lost papers loomed a real catastrophe. From this might come a gradual decline in Warren's professional

Just as some trival thing may turn one into the road that leads to success-something equally unimportant may start one on the downward
