BEAUTIES FIGURE IN VIENNESE STAGE REVIVAL. Opera and drama are coming into their own in Vienna, and the new stars are as beautiful as any of their famous predecessors. Herewith are shown (above) Liane Haid, who played "Lucrezia Borgia," and (right) Maria Mindsendy, of the Viennese Opera.

WINDING UP FOR A FADEAWAY. Miss Madeleine Spicer, American actress in an "Afgar" company in England, demonstrates to skeptical Londoners, who are just offstage, where-in baseball differs from rounders.

PUNTING TAKES ONE AMONG IDYLIC SCENES. Mrs. Hamerton, of Twickenham, who is shown with her husband and the family dog, which has punted since puppyhood, is the inventor of a new punting pole, which punters are quite excited about. It's of hollow, light metal, and doesn't get the punter tired or wet.

ASTRONOMICAL DISCOVERY. Dr. J. S. Plaskett, director of the Astrophysical at Victoria, B. C., and the seventy-two-inch telescope through which he discovered and measured twin stars.

She is No Longer Fat

She found a way to reduce her fat. It was a way far more pleasant than fasting or exercising would have been. This new way allowed her to eat foods without danger of increasing fat again.

She found Marmola Prescription Tablets. They aid the digestive system to obtain the full nutriment of food. They help Nature to burn food into muscle, bone and sinew instead of fat.

Marmola Prescription Tablets are made from the famous Marmola prescription. Thousands have found that these handy tablets give a complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell Marmola Prescription Tablets. Ask your druggist for them, or order direct and they will be sent in plain wrapper postpaid.
