Striking Minister Is Given Reception

Beatrice, Neb., Sept. 9.—When Rev. Ernest Powell of Wymore, a Burlington division point, entered the First Christian church Thursday to conduct a prayer service...

Watt discovered steam in a teapot and they laughed at him.

Bell invented the telephone and they called him an idle dreamer.

Back in 1905, only 17 years ago, an Omaha man conceived in his own mind a skyscraper of 16 stories and they called him a dreamer and laughed at him.

The other day John L. Webster was rummaging through some of his effects. Hidden away in a corner, long forgotten, he came upon a little four-page pamphlet.

Seventeen years ago that pamphlet was distributed by the late Peter E. Iler. It was his idea, his dream. A skyscraper for Omaha.

This Building 'Too Big' for Omaha 17 Years Ago

The building the late Peter E. Iler wanted to build at Thirteenth and Farnam streets 17 years ago.

It was preposterous. This was Omaha, not New York.

Iler expostulated that Omaha was a growing city. Then he argued. And then he pleaded. But all to no avail.

Disappointed and unhappy, Iler folded up his plans and prospectus and put them away.

He had an architect draw up plans, then pen a sketch. These plans and this sketch he put into a prospectus, distributed and then called a meeting of capitalists, real estate men and business men.

But he dreamed alone. Nobody would listen. A 16-story building?

Germany Makes Wireless Sets for Use in U. S.

Radio Enthusiasm Is Spreading Rapidly in Central Europe—Big Extension Planned.

Berlin, Sept. 8.—Thousands of radio instruments used by radio enthusiasts in the United States were made in Germany.

Wireless telephone service is now maintained in 140 cities and towns. Limited financial news is transmitted by cipher.

Amuse Factory Workers

Scientific progress is said to have reached such a stage of perfection here that wireless telephones can have a mechanical connection with the instrument so as to register the messages on a reproducing record.

Driving to Death Bed of Relative, Man Hits Youth

Boy's Condition Not Dangerous—Witnesses Say

While driving to the bedside of his dying father-in-law, George Peterson ran down a boy of 7 at 10:45 Saturday morning.

Hughes Fellers, son of Walter Fellers, 2527 North Forty-eighth street, the youth, who was struck at Forty-eighth street and Military avenue, was first hit by Peterson's car and then injured again when his head struck the pavement.

He was carried to his home, but is not in a dangerous condition.

Peterson, who resides at 3125 North Forty-ninth street, Saturday morning received news that A. O. Fitch, Missouri Valley, Ia., was in a dying condition.

Witnesses confirmed the story told by Peterson to police that he was driving slowly and that the youth, who had been playing with some of his friends, ran suddenly from behind a parked motor car directly in his path.

Prayer Each Day

Saying that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our confession. For we have not a high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like we are, yet without sin. Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.—Heb. 4:14-16.

Heaven! We look up to Thee now with reverence and trust and love. We thank Thee for teaching us to "come boldly unto the Throne of Grace."

With penitence we confess our sinfulness, and ask for forgiveness. With trust we bring our weakness to Thee, and ask for strength. With love we bring our hearts to Thee, and ask Thee to enter and possess. Lead us onward step by step. Order the pathway of life for us as Thine own wisdom and love shall see to be best. Help us to be found faithful throughout.

Bless with us our dear ones, and all for whom we pray. Let Thy peace possess the world. May Thy Kingdom come, O Christ, come quickly! All this we ask in the name of Jesus our Saviour, Amen. ANSON P. ATTERBERY, D.D., NEW YORK CITY, N. Y.

The Brandeis Store Restaurants Will Celebrate Their First Anniversary Friday, September 15, 1922 Beginning at 7 o'clock P. M. An Evening of Rollicking Fun Combined With a Table d'Hote Dinner Dancing—Music by Randall's Orchestra Make Reservations Now Telephone DO 5653 JUST one year ago The Brandeis Store Restaurants were formally opened. That was an occasion that will long be remembered by the happy participants. Visitors from other cities mingled with the throngs of Omahans and there were, on every hand, exclamations of surprise and approval at the beauty of the Dining Rooms, the completeness of arrangements in kitchens and serving rooms, the perfection of the service and the excellence of the cuisine. The reputation then established has been faithfully maintained, and now, after the first year's trial, the patronage has grown far beyond the management's expectations. It will not be regarded as immodest on our part when we say that Omaha has a right to be proud of these wonderfully equipped dining rooms. That is a remark that has come to be quite common among the people of this city. "I have seen nothing finer anywhere," is the statement that often falls from the lips of experienced travelers. These restaurants were established as a Brandeis Store convenience and, while the initial expenditure was enormous and the current cost large, it has all been justified by the place these dining rooms have taken in the affairs of the social and business world. We thank our patrons for the wonderful support given these restaurants during the past year. Friday, September 15, will, then, be "The Day We Celebrate"—the first anniversary of the establishment of these attractive dining rooms. We extend a cordial welcome to you, to your friends and to your friends' friends to take part in this celebration. J. L. Brandeis & Sons.
