## Ak-Sar-Ben 2:11 Pace Is Decided After Four Heats

### Morgan Drives Thomas' Entry to Victory After Latter Is Yanked by Judges for Pulling Ribbons.

By HARRY K. WHITTED

I took four heats to decide the winner in the "Ak-Sar-Ben" 2:11 pace, for a purse of \$1,500 at the great Western circuit harness race meeting here yesterday afternoon. Eight horses took the word in the first heat, with Pete, a bay horse by Highland Twist, in the guide position the first heat. Roy Owens, driving Rags, a roan gelding by The Triumph, scored down on the outside the initial heat, taking the gelding across to the pole before the field headed into the first turn. Roy held the lead position until they reached the three-quarters pole when Henry Thomas, driving Lady May C, shook the mare out, coming through from about the third position, along the rail, and winning without any great amount of trouble. Hal Bee was coming last at the finish but the best brown daughter of Hal B. could do was third place, second going to Queen Okla., the long shot of the day. This mare paid \$37.40 on a \$2 ticket to place. All entries in this class were hopped for Lulu Brookie, a brown mare by Baron Brookie, driven by Shively, won the second heat after a hard fight. Shively took the mare out in front soon after they got the word, with the rest of the field bunched and not far behind. He held the lead throughout the mile, although Binagwood, Jr., made a hard try for first place through the stretch, coming through next to the pole, and pushing the mare out to her limit to hold the position. Hal Bee was again close at the finish, finishing in third place.

Judges Yank Thomas.

The judges evidently thought there was something wrong in the way the horses finished in the second heat for they yanked Henry Thomas before the start of the third heat, putting Morgan in his place. Lady May C, Thomas' mount, won the first heat in 2:04 1/2 and was fifth in the second heat, in 2:05 1/2. Roy Owens took Rags across to the pole as they headed into the stretch the third heat with the field bunched at the quarter, which they reached in 33 seconds. They raced with the roan gelding out in front all the way. In the last quarter Chiswick brought Hal Bee through last on the inside, and when they were 100 yards from the wire it looked as though he would win the heat, but Owens let out another link with the roan and won by half a length, with the mare second, and Morgan, who replaced Thomas behind Lady May C, finished in fifth place this heat.

This mare, winner of the first heat, was drawn before the start of the fourth heat, as she was blowing at the nose. This left Roy Rags and Lulu Brookie to contest for the fourth heat. They loafed the first three-quarters of the mile, with Rags out in front all the way, breaking the wind. The three-quarters was reached in 1:45, but from there on, both mares were picked up. Shively shook out the mare and they raced the last quarter in 30 seconds flat, a 2-minute clip with both whipping at the finish. The mare beat the roan gelding out by a nose in about the hardest drive of the meeting so far.

Fay Matthews Wins.

Five horses came out in the first heat of the 2:11 pace. Again in the second heat, Idelt Mix being the added entry. But he didn't get anything but the flag in the first heat. Gen. Byng, a brown gelding by Binolia, drew the guide position in the first heat. Slycock was back at the start, and Idelt Mix went to a break on the first turn, leaving the other three to fight it out. Fay Matthews, a bay mare by Guy Axworthy, entered and driven by Henry Thomas, seemed to have the necessary steam and won with a big margin riding in the finish. Gen. Byng and Anna Voleta, a bay mare by the former Nebraska sire, Sorrento Todd, fought it out for second place, the mare winning.

Fay Matthews was "it" all the way in the second heat, winning with several notches to spare. Again in the third heat, Gen. Byng and Anna Voleta fought it out for second place, and again the mare won, but it took a hard drive to place her in the second position.

Fay Matthews was back at the start in the third heat, and trailed most of the way. Anna Voleta was leading the field as they turned into the stretch, but Thomas set down for a drive, and the mare coped through the stretch in a hard drive. Anna Voleta again took second money this heat, but Slycock, heat Gen. Byng out for third place.

Pull Second Driver.

Five side wheelers started in the 2:18 pace, purse \$800, with Ponywood Bay, at the pole in the first heat. Thomas took Todd Maid, a black mare by Blue Grass Prince, owned by Mrs. W. D. Forrest of Omaha away in front on the outside, going the long route around the first turn. The mare was leading at the head of the stretch, when Chandler shook out Golden Fred, a bay stallion by Judge Massey, coming through in third place from the rail, winning without much trouble by a couple of lengths. Todd Maid seemed to run down half way up the stretch and finished in fourth place. Golden Fred paid \$20.80 to win in this heat.

Larkspur was leading at the start of the second heat and took the lead on the first turn, leading at the half. As they headed into the stretch, Thomas shook up Todd Maid, winning out in a whipping finish, with

### Grand Circuit Results

Syracuse, N. Y., Sept. 14.—Through a misty fog and over a track nearly fetlock deep in mud, six horses of the grand circuit today raced simply to please a crowd of 15,000 harness race devotees who had gathered for what originally were six events and four exhibitions on the program.

Two racers were John Henry and John Pershing, driven respectively by Walter Cox and Tommy Murphy. The event was the 2:03 pace in which a half dozen other entries were withdrawn.

The fastest time in the ordinary pace of 2:03, was 2:17. In other words the track was at least 13 seconds slow, which probably sets a record on the grand circuit.

Summaries:

2:03 pace, three heats, purse \$2,500. John Henry, b. g., Wilcox (Cox) 1 1 1 John Pershing, b. g. (Murphy) 2 2 2 Time: 2:17, 2:17, 2:17.

The Chamber of Commerce 2:07 pace, purse \$2,500.

Edna Kelly, br. m., by Robert C. (Clemens) 1 1 1 Abbeduto, b. h. (Cox) 2 2 2 Peter Henley, b. h. (H. Fleming) 3 3 3 Time: 2:17, 2:17, 2:17.

### Field Club Golfer Wins Southeastern Title

Auburn, Neb., Sept. 14.—(Special Telegram.)—Playing under the name of "O. Tuft," Fred O. Clough, member of the Omaha Field club, Omaha, won the southeastern Nebraska golf championship tournament here yesterday when he defeated Kirk Brown of Brownville, 2 and 1 over 18 holes.

Clough's score was 137, while Brown's was 140. The tournament was held at the Omaha Country Club, and was the first of a series of similar events to be held in the future.

### Golf Facts

Q. In a handicap match, if two players finish even on the 18 holes, is the high handicap man required to play the extra holes to determine the winner without a tie?

A. No, the match is played to a decision with handicap applying. If the number of strokes are equal, the match is a draw.

Q. In a medal contest, if a player's ball is struck by another player's ball, is the player who played the stroke penalized?

A. Yes, the rule further states that he must not delay unnecessarily to remove the current ball to a more favorable place.

Q. Does the rule which forbids an entrant in a tournament from playing on any of the regular holes of the course before the start of the tournament apply to the following case? Player driving from practice tee along the rough and onto a regular green.

A. The rule does not apply in such a case. It is intended to prohibit players from playing normal approach shots to a green, or putting on a green.

# Over \$2000.00 in cash for those who win in the "B" Puzzle Contest.

HOW MANY OBJECTS CAN YOU FIND IN THIS SIMPLE PICTURE THAT BEGIN WITH "B"?

Here are a few of the words: Bank, bear, ball, beads, badge, batter. Just pick out the words and write them down. We are running the "B" Puzzle Picture to increase the popularity of this paper. It is not a subscription contest and you do not have to send in a single subscription to win a prize. If the judges award your answer the First Prize you win \$20, Second Prize \$10, etc. But if you want to win more than this, read the following offer:

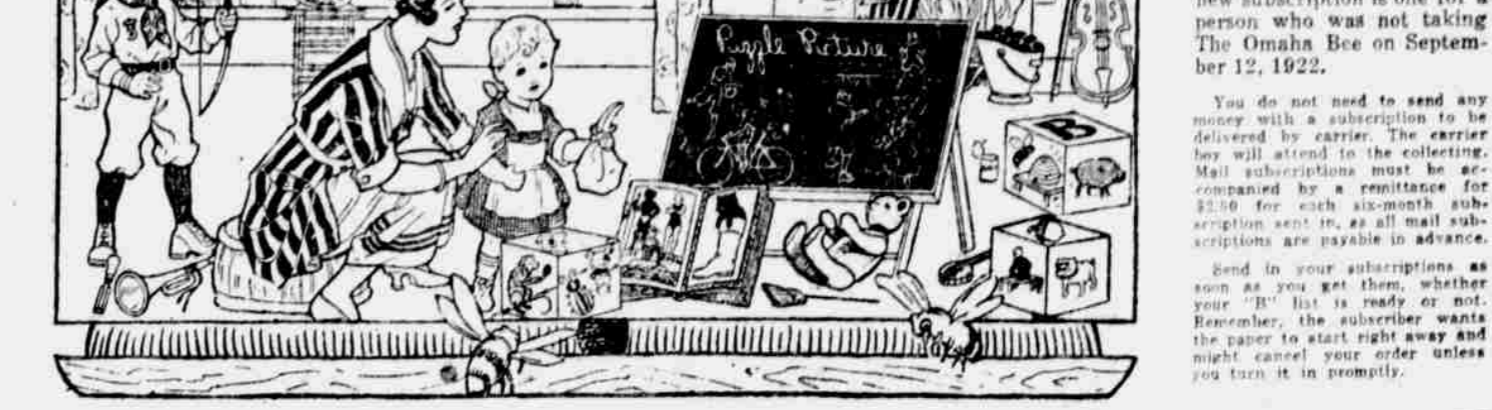

## You Can Win \$1,000

If the judges award you first prize and you have sent in one bona-fide new three-month subscription for the Morning and Sunday Bee or the Evening and Sunday Bee either in Omaha, Council Bluffs or any town outside Omaha or Council Bluffs where The Omaha Bee has carrier delivery service, or one bona-fide new 6-month paid-in-advance subscription by mail you will receive \$500 instead of \$20, second prize \$250, etc. (See second column of figures in prize list).

Isn't this a fine offer? It only takes two bona-fide new three-month subscriptions by carrier or two bona-fide new six-month subscriptions by mail to qualify for the big \$1,000 award. A new subscription in one for a person who was not taking The Omaha Bee on September 12, 1922.

You do not need to send any money with a subscription to be delivered by carrier. The carrier will attend to the collecting. Mail subscriptions must be accompanied by a remittance for \$2.00 for each six-month subscription sent in, as all mail subscriptions are payable in advance.

Send in your subscriptions as soon as you get them, whether by carrier or by mail. Remember, the subscriber wants the paper to start right away and might cancel his order unless you turn it in promptly.

### OBSERVE THESE RULES

1. Any woman, boy or girl, who is not an employee of The Omaha Bee or a member of an employee's family, may submit an answer. It costs nothing to try.
2. All answers must be mailed by October 18, 1922, and sent to The Omaha Bee.
3. All lists of names should be written on one side of the paper only and numbered consecutively, 1, 2, 3, etc. Write your full name and address on each page in the upper right-hand corner. Do not write subscriber's name or anything else on the same page with list of words; use separate sheet.
4. Only words found in the Webster's Unabridged Dictionary will be counted. Do not use obsolete words. Use either the singular or plural, but where the plural is used the singular cannot be counted, and vice versa. Do not use hyphenated or compound words, or any word formed by the combination of two or more complete English words, where each word in itself is a separate object. When an object can be correctly called by two or more names, any one of such names will be counted as a word.
5. Words of the same spelling can be used only once, even though used to designate different objects. An object can be named only once; however, any part of the object may also be named.
6. In making the awards each list will be considered solely upon its merits. Every incorrect word counts against the contestant just as much as a correct word counts in the contestant's favor. Therefore, it is very important that no incorrect words are included in a list.
7. The answer having the largest number of words which correctly name objects shown on the picture which begin with the letter "B," deductions to be made for incorrect words, will be awarded first prize.
8. Candidates may co-operate in answering the puzzle, but only one prize will be awarded to any one household; nor will prizes be awarded to more than one of any group outside of the family where two or more have been working together.
9. In the event of a tie for any prizes offered, the full amount of such prizes will be paid to each tied participant.
10. All answers will receive the same consideration regardless of whether or not subscriptions for The Omaha Bee are sent in.
11. Three business men of this city, having no connection with The Omaha Bee, will be selected to act as judges and decide the winners. They will use Webster's Unabridged Dictionary as reference and participants agree to accept the decision of the judges as final and conclusive.
12. The judges will meet directly following close of the contest and announcement and the list of words winning first prize will be published in The Omaha Bee just as quickly thereafter as possible.

### Only Visible Objects Count

Every object has been drawn plainly so everybody can recognize it. There are no hidden objects. Every one of them is as plain as the nose on your face. You don't have to turn the picture upside down or sideways. Just look at the picture and name the objects, that's all. An enlarged copy of this picture will be furnished free of charge upon request. The person who sends us the largest and most correct list will be awarded First Prize, Second Prize and so on. This picture will appear frequently in this paper until October 18, when the contest will close. But don't wait to send in your list. Get it in early.

### We think this is the best puzzle offer ever made. You'll find pleasure and profit in its correct solution. GET BUSY!
