

Market, Financial and Industrial News of the Day

Omaha Grain

The foreign cables on wheat did not fully respond to our strength of yesterday and our prices in the early session were somewhat lower than last night's close.

Chicago Grain

Chicago, Sept. 21.—While there was sufficient news in the cables regarding foreign political developments to induce considerable buying of wheat at times, the disposition to take profits in the deferred deliveries resulted in a lower range.

Live Stock

Omaha, Sept. 21.—Receipts were: Cattle, 4,000; sheep, 2,000; hogs, 1,500; calves, 500; pigs, 300; chickens, 100; ducks, 50; geese, 25.

Financial

New York, Sept. 21.—The weakness on the Stock Exchange in the late trading, which resulted in declines of 1 to 3 points in a number of active stocks occurred in connection with a rise of the call money rate to 6 per cent, the highest since February.

New York Bonds

New York, Sept. 21.—Heavy institutional buying of bonds inspired a firm tone in the bond market today. The market advanced in a number of places, including the 4 1/2 per cent coupon U.S. 5-year bonds.
