Gotham Boasts First National Champ in Nine Years

New York, Sept. 23.—(Special.)—For nine years New York has been without a national golf championship. By winning the Metropolitan at Lakewood in June and the National at Brookline in September Jess Sweetser becomes the wearer of the double crown and it is a good wager that by next summer he will make quite a bid for a third title. This is the intercollegiate, which he held two years ago. When the college boys last met at Garden City they voted in favor of Siwaney for their 1923 championship, and as Jess was representing that club at Brookline it seems likely enough that the Siwaney officials will say "come and welcome."

Spanish Net Star Sort of Toddles on Courts

New York, Sept. 23.—(Special.)—J. P. Allen, tennis expert, says that Manuel Alonso, the Spanish champion, stood as one of the most interesting competitors in the 41st deciding of the American classic on the turf of the Germantown Cricket club. In one respect he is the peer of any of the other stars of major magnitude on the courts. His footwork is in a class by itself. Even "Little Bill" Johnson, with his catlike leaps, is not the equal of the Spaniard. Alonso does not run. He bounces. He twinkles from place to place.

EDDIE'S FRIENDS — Day Before Wifie Gets Home

Middle West Bans "Love" From Tennis

New York, Sept. 23.—(Special.)—A few seasons ago there was considerable agitation in tennis circles over a proposal to eliminate the expression "love" from the glossary of the game. There was plenty of talk about it, but in the end it was decided that the word was traditional in the game, and no change was suggested.

In Chicago the tennis people have taken matters in their own hands and eliminated the word when referring to a tennis score. At the national championships at Germantown there were several officials from the middle west who served in the umpire's chair. Instead of announcing the familiar "15-love" or "30-love," they announced "15 Alonzo, 30 Richards." The word "nothing" was used instead of "love."

One of the Chicago umpires in discussing the change said. "Tennis is a he-game, and to call out 'love' gives it a black eye. We have dropped it entirely in the middle west.

Exterminator's Victory in Cup Race Sets Mark

Establishing a record for important stake events by winning the historic Saratoga cup at the Saratoga, N. Y., track for the fourth year in succession, Willis Sharpe Kilmer's 7-year-old gelding Exterminator stands out today as one of the most remarkable thoroughbreds in the annals of the American turf.

No other horse has ever won a handicap of such prominence as the Saratoga cup four times. The best previous mark, the records reveal, was made by Roamer, another great thoroughbred, who captured the Saratoga handicap three times, in 1915 and again in 1917 and 1918.

Exterminator, incidentally, by gaining a purse of $6,550, brought his total earnings for six years of racing approximately to $220,000, close to the American record of $244,465, which Man o' War collected in his two seasons of running.

The Schuyler team won their victory by long-end runs and the aerial route.

Browns Drop Back.

St. Louis, Sept 23.—St. Louis lost to Philadelphia today, 6 to 5, and dropped to four and one-half games behind New York in the pennant race, as the Yankees won from Cleveland. The Browns now can do no better than tie it in the remaining games schedule, and to do this they will have to win their four remaining games and New York will have to lose its five games still to be played.

Kenneth Williams lost the major league home run lead by failing to connect with a circuit drive, as Rogers Hornsby of the local nationals, with whom he had been tied, clouted his 40th of the season in today's game with New York. Score:
