She is No Longer Fat

She found a way to reduce her fat. It was a way far more pleasant than dieting or exercising would have been. This new way allowed her to eat foods without danger of becoming fat again.
She found **Marmola Prescription Tablets**. They aid the digestive system to obtain the full nutriment of food. They help Nature to turn food into muscle, bone and sinew instead of fat.
Marmola Prescription Tablets are made from the famous Marmola prescription. Thousands have found that these handy tablets give complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.
All good drug stores the world over sell **Marmola Prescription Tablets** at one dollar a box. Ask your druggist for them, or order direct and they will be sent in plain wrapper, postpaid.

Guaranteed Harmless

Brownatone is guaranteed not to injure hair, scalp or skin. The active coloring agent of this popular hair tint, being vegetable, rather helps the natural, healthy growth of the hair.
Gray, faded or bleached hair, when Brownatoned, quickly regains its original color, whether golden, any shade of brown or black. And, with the color, is renewed the glossy splendor and softness of the hair.
