

School Officials Say Mrs. Schreiner Ignores Order

Fremont Woman, Jailed Once for Refusing to Educate Twins, Again Involved in Charges.

Fremont, Neb., Sept. 25.—(Special Telegram)—Mrs. Loretta Schreiner, wealthy Fremont woman, who gained country-wide notoriety a few months ago when she fasted throughout a 10-day sentence at the county jail, where she was placed following her refusal to send her children to school, is again in the limelight.

Again county officials allege that her 10-year-old twins, Larose and Lavisa, are not being sent to school as required by the statutes.

Following fruitless efforts to induce Mrs. Schreiner to continue the education of her children in some school, the board of education has again placed the matter in the hands of County Attorney H. C. Cook.

Mrs. Johnson, a sister of Mrs. Schreiner, explained today that the mother intended to take the children to Council Bluffs, Ia., where they would enter school. The death of a sister, Mrs. Johnson stated, interfered with the plans. Mrs. Schreiner being called to Iowa City.

Following her foodless stay in the Dodge county jail, where she was sentenced on a previous occasion for the same charge, by County Judge Waldo Wintersteen, Mrs. Schreiner removed the children to a private school in Kansas. At that time she claimed that she has been divinely inspired and that her religious interpretations convinced her that her children would not benefit by associating with the children who attend the public schools.

She blamed dancing and other social forms of amusement for her action in keeping her son and daughter out of school. An investigation of this alleged second offense has been started by county officials.

Beatrice, Neb., Sept. 25.—(Special Telegram)—The Crete Milling company of Crete, Neb., has closed a deal for the purchase of lots at the corner of Second and Court streets, where it will soon erect a brick block and establish a distributing point in this section of the state. He had started on a hunting trip and while leaning on his gun talking to Mr. Lovett it was accidentally discharged, tearing away a portion of his neck. He died almost instantly. He leaves a widow and two children.

Daily Prayer

And in every work that he began in the service of the house of God, and in the law, and in the commandments, to seek his God, he did it with all his heart, and poured out his soul.

Our kind Heavenly Father, we come to give Thee worship this morning. We have rested safely beneath the cover of Thy care through the night, and can say as Thy servant of old, "When I awake, I am still with Thee." Blessed be Thy name.

"Thy mercies are new every morning, and Thy thoughtfulness renewed in the night." We thank Thee for morning light and morning gifts, and for the opportunities to serve Thee through this new day. Help us, our Father, to enter into the work of the day with cheerful minds. Give us strength for our toil, clearness of mind for all decisions we must make, and grace to overcome every temptation to do wrong. Help us to walk before our fellow-men in such manner that others can see that we "have been with Jesus." Remember graciously all our loved ones: parents, brothers and sisters, and all dear to us.

"Though sundered far, may we often meet Around one common Mercy seat," and realize that we have a common Father over us all. Bless this day all efforts put forth to win men from sin. Give success to all teaching and preaching and living Thy word at home and abroad. Give us, dear Lord, the joy of winning a soul for Thee today, and to Thy name be glory forever. Amen.

They Wedded 60 Years Ago When Lincoln President

"UNCLE" HENRY DELONG

Sixty years ago yesterday, September 25, 1862, Miss Sophrona E. Whitcomb became the bride of Henry De Long. They were married by Rev. John Dodd of the Cottonwood Methodist church in Council Bluffs.

Yesterday, Rev. and Mrs. De Long kept open house at their home, 525 East Broadway, Council Bluffs, receiving the felicitations of their friends. Rev. Mr. De Long still likes to tell of their honeymoon ride in a "one-horse shay" to Magnolia, Ia., an all-day ride in those days.

Ten children were born to them, two of whom are still living, Harvey De Long of Kansas City and Henry De Long, Jr., living at home.

Rev. Mr. and Mrs. De Long have lived in Council Bluffs continually during the 60 years of their married life.

Governor Vetoes Parole by Sheriff

Lincoln, Sept. 25.—(Special)—Governor McKelvie today notified Sheriff J. Daley of Wahoo, Neb., that he had been informed a prisoner, Rudolph Berneseck, had been paroled from the county jail by the county judge and the sheriff after Berneseck had served but 20 days of a 90-day term imposed by the judge for illegal sale of liquor.

The governor stated he understood the parole had been granted in consideration of a petition with 50 signatures of residents of the county presented to the county judge.

The sheriff was informed by the state executive that no one except the state board of pardons and pardons has authority to revoke or alter a sentence. He stated further that Berneseck's release was absolutely illegal and cannot be condoned.

The prisoner must be returned, the governor informed the sheriff, and he kept on confinement until the application for parole is taken before proper officials and passed upon.

Fremont Youth Achieves High Mark in Brain Test
Fremont, Neb., Sept. 25.—(Special Telegram)—Leslie F. Ruwe, 20, son of Mr. and Mrs. F. W. Ruwe, a prominent Fremont family, accomplished what is considered little short of marvelous in a brain speed contest at Northwestern university, according to word reaching here. Young Ruwe, a student of the University of Minnesota, answered 100 questions in 15 minutes, 94 of which were correct.

In college circles this feat is regarded as wonderful. Will Moore Kendall, a 13-year-old prodigy, student at the same university, fell one below the average of 50, due to stage fright. The second best mark in the unique intelligence contest was 84. Several members of the college made marks as low as 15.

Common Sense

Are You Headed for Easy Street?
Copyright, 1922.

Perhaps you have worked hard and steadily all your life; but is it not true that you have taken things easily when it came to taking any loads which might cause you worry, or many hours of harder study and harder work?

You have been taking your salary each week, and making plans for using it nearly up as you go. You have forgotten there might be an end to it.

Perhaps you have had luxuries which men with many times your income hesitate about indulging, yet you continue to enjoy them.

Sometimes you have thought that you would not assume the responsibilities and the burdens you know they have, for all that they will be able to accumulate.

You say, "What is the use of living, if you do not live?" And so you go on from year to year. Sometime you may wake up to be more sensible.

You are going to think what is to be your fate when your salary stops. This line of thought will make you wish you had denied yourself a lot of good times, so that instead of recollections of enjoyment you might have had a nest egg stored up at 49 or thereabouts.

It is better to be on Easy street at 60 than to have a good time at 40.

The average life of a 35 bill is 10 months through the country as a whole and but eight months in dense centers of population.

Big Republican Majority in Dawes County Predicted
Chadron, Neb., Sept. 25.—(Special)—Dawes county will give a large proportionate majority for republican

state candidates than any other county. This opinion was expressed at the meeting of the county central committee held here. The committee met at the call of Chairman Scott Bright. Local and district candidates were present.

All precinct committees and candidates were heard. Common and fashionable work and co-operation by republicans of the community to disclose the merit of republican issues and the caliber and qualifications of republican candidates, is the order.

A fine reception will be accorded H. Randall when the republican nominee for governor visits this county early in October.
