Bandit Suspects Captured After Robbery Attempt

Third Man, Wounded, in . Bluffs Hospital Following Garage Holdup-Watchman Shot in Shoulder.

Two men are held by Omaha police and another is wounded in a hospital in Council Riuffs as a result, police allege, of a frustrated attempt to rob the McKinney-Seabury garage at Pingah, In., Tuurngay night.

The prisoners gave their names as Oscar Miner, 29, 709 to North Eighteenth street, and John Robinson, 22 1513 Capitol avenue. The wounded roan, Miner told police, is Dan Hazelrnor, 1982 Capitol avenue.

Night Watchman A. H. Lee of Pla who is said to have supplied the bandlt gong in its attempt on the guenges was alto; in the shoulder dur ing the gun fight.

Miner and Relinson were arrested at 1:00 this morning by Defectives Tropp and Munch at the east out of the Douglas rivest bridge as they raving up the appros h from the lowa side. The officers were lying in wall for the a fillowing word of

One was in this conference today were the boxcars. shot, two escaped, and two were captured after a chase, the reports stated, but the two prisoners also escaped in the confusion when one of them opened fire on the posse as he stopped to pick up the coat he had dropped while being led from his own car to the posse motor car, occupied by Marshal V. Nuzum, L. W. Hunt

Hotel Banquet Enjoyed by 350 Variable Condenser Also Aids

Ballroom of Hotel Fontenelle Is Specially Decorated for Annual Dinner.

More than 350 persons enjoyed the 20th annual banquet of the Northwestern Hotel Men's association at Hotel Fentenelle Thursday night.

The banquet, planned as a surprise by Eugente Eppley, owner and manager of Hotel Fontenelle, together with officers of the Hotel Men's assoziation, more than succeeded in its surpose and proved the top line event of the most successful convenion in the association's history.

The dinner was served in the ball room of the Fontenelle, which was specially decorated for the event. For worked to transform the big hall into s room symbolizing the rolling corn fields of Nebraska. The effect obtained was both unique and ple-
