Daugherty Says Government Used Injunction to Rescue Country From Grip of Civil War.

Canton, O., Oct. 22 .- Making his nly campaign speech to the voters of his home state, Attorney General Daugherty gave an accounting of his stewardship at Washington, defended his course in the Chicago injunction proceedings and in the prosecuof war frauds and declared that despite "accusations and calumny," the Department of Justice would proceed to perform its duties as it sees them under the constitution. In the strike emergency, he said, the federal government used the injunction as the last drastic means at hand for United States and in the laws of the been bitter political enemies for the rescuing the country from the United States and in the good opinion, last two years and the fascisti has grip of civil war. He ascribed by you deserved, of all the American repeatedly attacked the former presence of the blame to "the people. There is no quarrel between mier. Now, however, brought to Every day for several months Miss radication and character" of promi labor and the government. it to "hard boiled" railway ex-

Tender Spots Touched.

Declaring the real purpose of attacks on the department's record in war frauds investigation was to force the hand of the government and prematurely disclose important evidence. Mr. Daugherty said such assaults had had been touched by the suits already

"We would have heard little criticism of the Department of Justice," he said, "had it not been discovered that a case like the chemical foundation, for instance (in which valuable patents were assigned by public of ficials to companies which they them selves had organized) was under in vestigation, and the part played by those involved also was being scrutinized by government agents.

"And let me here, without giving any intimation as to who the men were, suggest that I have had the Motion for Dismissal Overunique experience of sitting in the De partment of Justice and listening to he story of a man formerly connected with the government and hearing patiently his pleas for certain fairly legitimate concessions, when, at the same time, in the city of New York, another former official, one of his as sociates, was busily engaged in get ting constructions and making connections in order that the attacks upon the Department of Justice and the government might be increased,
