Nebraska Field, Lincoln, Oct. 21. of the University of Nebraska for the second time this season. The University of Missouri fought and struggled grimly but buckled at last, to bow under the crushing weight of the Huskers by the score of 48 to 0, here

It was the first football game of consequence of the present season at the Columbia entry out of the Missourt Valley conference struggle. At the same time the victory added strength to the Huskers' position as a strong contender for the Valley championship again this year.

Tiger Outplayed. The Tiger went down to defeat be fore a better team. It might be added that the Bengal bowed to a bigger team and a stronger team but these qualities are not always essential to gridiron success. Nebraska was better grounded in the fundamentals, and there hangs the key to the huskers' 48 to 6 victory today. Nebraska ran its play off with more finish and speed and in more than one vital in-

stance, with more brains. Nebraska's superiority on the fense was most marked. Coach Dawson's linesmen charged as a unit, They lost little time getting into action. The two tackles, Wenke and Weller, per-Louis school than the Kansas Aggies on the Aggies' gridiren at Manhattan formed with fine effect as did Nixon, right guard, and former South high school star gridster. Scherer and Schoeppel, wingmen, played the brand of football that starts the fans to talkin', while Peterson at center was a tower of strength to the forward wall, assisted by Bassett, left guard.

Forwards Not Alert.

The Missouri forwards were neither aggressive nor alert.
