## Men's Suits

### \$25 to \$55

Price is an important point in the purchase of a suit, but the quality you receive for the price you pay is of greater importance. Men buy here assured of Burgess-Nash quality whether they pay little or much. Newest models in standard makes are reasonably priced—\$25 to \$55.

## Young Men's Suits---\$40

### Two Pairs of Trousers

At \$40.00, these suits represent a special value that few young men can afford to overlook. Pencil stripes and dark checks are tailored with the same high standards of character and quality that prevail in our highest priced suits. The coat is a semi-conservative, form-fitting model with single-breasted two or three-button front. Every coat has two pairs of trousers.

## Complete Assortment of Winter Overcoats---\$25 to \$70

Great storm ulsters for every man, young or old; raglan ulsters for men who have no need for the heavier type of overcoat.
