Russians Attack **Entente Attitude Towards Turkey**

Soviets Announce to World That They Will Not Stand for Being Ignored or Slighted.

Mescow, Nov. 12.—No better evi-dence could be shown of the new Russian attitude towards the world than Saturday night from the foreign of fice, one sharply attacking Poland and the second attacking the entente account of its attitude towards Turkey. These statements are an an ouncement to the world that Russia will not stand for being ignored, insulted and slighted.

The notes are in the same tone as he recent notes addressed to Great Britain, Roumania and Japan regarding other disputes. They show that the Russian attitude is influenced more and more by the Russian victory in Vladivostok, by the Turkish victory, by Russia passing through the famine and by its new army, which American observers believe, could now march through Poland vic toriously.

The noe concerning Poland insists Russia must be treated on the same footing as the other powers." is considered an ultimatum to Poland Brunswick a short time before the that Gen.
