

# Ten Cornhusker Gridsters Will Leave School in June

## Ten of Nebraska's Star Gridsters Will Play Their Last Game for Huskers on Thanksgiving Day

Lincoln, Nov. 14.—Ten of Nebraska's "Fighting Cornhuskers" of 1922 will, on Thanksgiving day, don the molekins for their last time.

Five of the seven linemen are lost by graduation, while the fullback, Captain "Chick" Hartley, the two quarterbacks, Preston and Russell, and a halfback, Roy, are lost from the backfield. A sixth linemen, a substitute end, who gets into the games regularly, is also lost to the squad.

The linemen who will not don molekins for Nebraska after Thanksgiving, unless a post-season game is arranged at the wish of alumni, are Scherer and Schoppel, ends; Weller and Wank, tackles; Bennett, guard; and Thompson, substitute-end. All of these men now have two letters and are virtually assured of their third and last letter this year.

Of the backfield to be lost, Preston is the only one who will not be a three-year letter man. A year with the varsity at Kalamazoo, left Preston eligible for only two years varsity at Nebraska. His time is therefore served this year.

Ten men lost with this year's team will leave Head Coach Dawson with a less promising squad next year.

With the linemen go virtually all the heavy men, Bennett, guard, being the only big man left. Peterson, 165-pound center, is the small man of the line.

An idea of the beef which the Huskers lose in the line when these 16 men quit the field, is shown by a glance at their weights. Schoppel and Scherer, ends, weigh in at 192 and 180. With the loss of these 16 men Dawson will find himself faced with a proposition of molding practically a new team next fall.

The line, a feature of the Husker defense, and the backfield, which has rained through opponents for touch-down after touch-down, will both need to be fitted in new clothes.

Four halfbacks, Herb and Rufus DeWitz, Lewellen and Noble, and one fullback, Hartman, will return for the 1923 season. These, together with the men who came in from this year's freshmen squad, will give Dawson plenty of working material in the backfield. Every man of them has the driving power to gain and the quarter position seems to be the hardest problem for the Nebraska mentor.

The line presents the big problem. Only two veteran regular first-stringers, back, Bennett and Peterson, will face Dawson, off ends, McAllister and Collins, have been showing good form this year and have gotten in to several games. Tackle prospects pivot about Rorby, Frasier, Hendrick and McGlasson. Guard candidates will be Nixon, Sturm and Packer. Besides these there will be a large group of incoming candidates from this year's freshmen squad.

## Kansas Aggies Never Winners Over Nebraska

Lincoln, Nov. 14.—(Special Telegram)—Preparing for what has been described as the "second wonder team of the valley," is the task of the Cornhuskers this week. Since the Kansas "Ags" forward passed themselves to a victory over Ames on the Sunflower field, which resembled an aquarium more than a gridiron Saturday, Coach Charley Bachman's eleven is being looked upon with some apprehension here.

Two blows were struck at the heart of the Cornhuskers when Clarence Swanson, last year's captain and member of this year's coaching staff, was stricken with appendicitis and Leo Scherer, one of the greatest of Nebraska's ends, was injured in the Kansas game and may not be able to start against the Sunflower "Ags."

Reports from the Kansas camp reflect an exuberant spirit in spite of the previous record of the two teams. The "Ags" have never been able to take a game from the Huskers. Their records in the seven years the two teams have been meeting:

Year	Nebraska	Kansas
1911	1	0
1912	1	0
1913	1	0
1914	1	0
1915	1	0
1916	1	0
1917	1	0

## Prospects Bright for Tiger Cagers

Columbia, Mo., Nov. 14.—With the 1923 basketball schedule within the Missouri valley conference arranged, George Bond, who is assisting Z. G. Cleveland, athletic director, in whipping the University of Missouri team into shape, has turned his attention to the early stages of practice with what is rated as one of the best squads that has raced up and down Rothwell gymnasium in many seasons. Bond was captain of the 1921 team.

Six members of last season's squad are on the floor, five of whom are letter men, and in addition there are eight new men of promise. Of last year's letter men, Browning, captain, and Bunker, Hays, Farout and Vance would make a formidable team for anything in the valley.

They all played on the all-valley championship team of last season and Browning, Bunker and Hays were picked for places on the all-valley team. Lester, who was on the squad last year, did not make his letter, but it was his initial year and competition was keen.

Of the new men who promise to battle the veterans for places on the team are: Wheat, Elstner, Thomson, Andrew, Campbell, Lewis, Walsh and Smith. Lewis, Walsh and Smith are on the football team.

All the games for the season have been scheduled except two which will be played outside the valley conference.

The conference schedule follows: January 1—Grinnell at Grinnell; January 4—Drake at Des Moines; January 12—Kansas Aggies at Columbia; January 17—Oklahoma University at Columbia; January 18—Kansas University at Columbia; January 20—Ames at Ames; January 21—Nebraska at Lincoln; January 21—Washington University at St. Louis; February 7—Oklahoma University at Norman; February 9—Ames at Columbia; February 10—Grinnell at Columbia; February 12—Nebraska at Manhattan; February 12—Kansas Aggies at Manhattan; February 13—Drake at Columbia; February 14—Nebraska at Columbia; February 22—Kansas at Lawrence; March 2—Washington at Columbia.

## Transfer of Western Club to Be Discussed

Chicago, Nov. 14.—President Terney of the Western league left last night for Lincoln, Neb., to negotiate a deal for the transfer of Sioux City (Ia.) franchise to Lincoln, which formerly was a member of the league.

The franchise was said to be valued at \$50,000.

George Abel of Lincoln has been conducting the negotiations to bring the club to the Nebraska capital.

The population of Greater London, according to the latest census, is 7,480,201, the highest on record.

## Large Entry List in Pin Meet

Kansas City, Mo., Nov. 14.—More than 100 teams have entered the annual middle weight tournament, to be held here from November 24 to December 4, according to Charles Nichols, secretary of the Kansas City Middle West Bowling association. Mr. Nichols said today that 100 local teams probably would enter and as many more outsiders have asked for dates.

Chicago and St. Louis, with 30 teams each, led the list of visiting entries. The St. Louis team will roll their events on Saturday and Sunday, November 25 and 26. The Chicago teams are scheduled to arrive December 2.

Fort Wayne, Ind., winner of last spring's A. B. C. tournament, by a score of 2,983, will send a team to defend the title. Another Fort Wayne team will also make the trip.

Cities that have entered from two to 15 teams are: Omaha, St. Joseph, Des Moines, Minneapolis, St. Paul, Davenport, Lincoln, Sioux City, Oklahoma City and Tulsa. Fifteen other cities are expected to be represented in this class before entries close November 14.

## "Babe" Ruth Returns to Farm: Says He'll Make Good in 1923

New York, Nov. 14.—"Babe" Ruth went back to the farm today to make good his promise that the kids who idolize him wherever baseball is played will not have cause again to lose faith in him.

"You can't fall down on these kids—these street urchins who heard their pennies so they can buy one of these dinky 'Babe' Ruth caps," said State Senator James J. Walker told the Yankee slugger at a dinner given by Ruth last night to sport writers. "They trust you, they always will and you've got to make good for them."

"Tell those kids they'll never again have to be sorry they're for me," the "Babe" answered. Ruth left with his family today for their farm at Sudbury, Mass., where he plans to spend the winter getting into condition for the opening of the 1923 season.

## Tommy Gibbons Kayoes Ashe

Detroit, Mich., Nov. 14.—Tommy Gibbons of St. Paul knocked out George Ashe of Philadelphia after 45 seconds of boxing here tonight in a bout that was scheduled to go 10 rounds.

The knockout blow was a short jab that few of the spectators saw. Ashe was out five minutes.

## Postponed Bout Between Delaney and Harry Greb

Oklahoma City, Okl., Nov. 14.—The 12-round decision bout scheduled to be held here November 17 between Harry Greb, American light heavy-weight champion, and Jimmy Delaney of St. Paul, has been postponed owing to an injury to Delaney's hand, sustained last Saturday night when he knocked out Young Richards, in the fifth round of their battle in Great Falls, Mont. It was announced tonight by Dan Lacker, promoter.

## "Yam" Yarsan Will Not Be With White Sox in 1923

Chicago, Nov. 14.—Evanis (Yam) Yarsan probably will not be among those present next spring when the White Sox get together for their training camp. Word comes from the Pacific coast that the Seattle club now is dealing for the services of the full Yarsan name to the south side's three years ago from Wichita, Kan. As a minor league he made quite a reputation as a slugger.

## Friedman Stops Laughlin

Philadelphia, Nov. 14.—Babe Fried of Chicago stopped "R. C." Laughlin of Bethlehem, Pa., in the fourth round of their scheduled eight-round bout here last night. The man was victorious.

## Nebraska's Proposed Memorial Stadium

## Purple Squad Works Out in Open

Central gridiron practices resumed outdoor practice yesterday in preparation for the annual clash with South High at League park Friday afternoon. The Purple mentor has been making several changes in the lineup's forward wall in this week's scrimmages and there are apt to be several new faces in the lineup Friday.

The Purple eleven has stamped itself as one of the foremost contenders for state laurels, and fresh from a 42 to 7 victory over the Beatrice footballers, the Centralites have a slight edge over the South Siders.

The backfield combination of Howell, Galloway, Marrow and Reynolds lived up to all expectations last week and for the Purple linemen this week and the Purple linemen this week and the Purple linemen this week.

## Arranges Tank Schedule in Valley

Manhattan, Kan., Nov. 14.—E. A. Knott, swimming coach and director of physical education at the Kansas state agricultural college, has arranged a tentative swimming schedule with several of the "Big Ten" and Missouri valley schools.

The present program calls for a trip beginning with Washington university at St. Louis, and includes contests with the University of Illinois, Chicago and Ames. It is planned to make this trip in February.

Several meets may also be held here, one of them probably being with Nebraska, and one with Ames. It is difficult to arrange a schedule with valley schools because so few of them have swimming teams, and there are also the handicaps of distance and traveling expense.

Coach Knott hopes to make swimming a varsity sport at K. S. A. C. The team last year was the first in the history of the school. With the material at hand this season, it is expected the coach's ambition may soon be realized.

## Jake Schaefer Defeats Hagenlacher

Omaha Box Leased Wire.  
New York, Nov. 14.—Jake Schaefer, the champion, tonight defeated Erich Hagenlacher, the champion of Germany. In the opening match of the international 182-half-line billiard tournament at the Hotel Pennsylvania.

The score was 500 to 228 and the game consumed 17 innings, giving Schaefer an average of 29.7-117 and Hagenlacher 19.5-17.

It was the inaugural of the 15-game round robin tournament, in which Willie Hoppe, the former world champion, Walker Cochran, Roger Conit, the champion of France, and Edouard Heymans, the Belgian champion of Europe, and others are contestants. The averages made by the rivals in the opening match were the lowest that have been made in a long list of such tourneys.

## Six Veterans Back in Harness for Wrestling Team at U. of N.

Lincoln, Nov. 14.—With six veterans of the last year squad back in harness and only one class lacking a veteran performer, the 115-pound class, Coach T. G. Clapp is viewing his early season wrestling prospects with anticipation.

Not only does Coach Clapp have a squad of veterans, among them is one wrestler who is 1922 western intercollegiate champion in the 175-pound class, another grappler who carried off third honors in the 145-pound class in the same meet, which was held at Wisconsin, but he also has a promising bunch of incoming men.

The slogan of the wrestlers this year is "Beat Ames." Ames has not lost a meet in five years, but last year defeated the Huskers, 41-0, getting five of seven bouts by decision. Minnesota and Iowa, both of whom Nebraska defeated last year, will probably again be Husker mat opponents.

The veteran Nebraska mat men are Floyd Reed, last year captain, 134 pounds, and Captain Stanton Troutman, 175-pound western intercollegiate grappler, both two-year performers; DeFord, 125 pounds; Isaacson, 125 pounds; Thomas, 145 pounds, and Bender, heavy weight. Reed, Troutman and Thomas are the 1922 "N" men on the team.

Among promising comers are Felton, 115 pounds; Kellogg, 125 pounds; and Merritt, 134 pounds. Kellogg, downed DeFord at the R. O. Y. C. at Fort Snelling last summer and bids

## Still Running for State High Grid Title

Kearney still remains in the running for the Nebraska State High school football championship title. The local eleven has not been defeated this season and has won over such high teams as Havana, Grand Island, Mason City, Aurora, Lexington, Hastings, York and Hedberg. Goldenburg has been eliminated from the race, but last week humped off the Curtis Aggies. Kearney meets Goldenburg November 24, in a game that will attract much attention from State high football fans.

## BRINGING UP FATHER

## Prospects Rosy for Basket Ball

Basket ball prospects are bright at Central High school this year, according to Coach "Zip" Hill, who has started making plans for the winter season. Only two of last year's regulars graduated.

Reynolds, this year's captain and a regular forward on last season's squad; Percival, who played a good game at center the latter part of last season; and Lawson, the fighting guard, will be the mainstays around which Coach Hill will organize his team.

Among the reserves of last year are Marrow, who substituted several times at forward; Howell, guard, and Gerlach, guard, who will try out for positions when the indoor call is sounded shortly after Thanksgiving.

Several open dates remain on the Purple schedule but the schedule as it stands to date is as follows:

Jan. 12—Comptel Buffs, here.  
Jan. 12—Lincoln, at Lincoln.  
Jan. 15—Geneva, at Geneva.  
Jan. 18—Hastings, at Hastings.  
Jan. 20—Hastings, at Hastings.  
Jan. 22—Hastings, at South.  
Feb. 1—Benson, here.  
Feb. 9—St. Paul, at St. Paul.  
Feb. 10—Fremont, at Fremont.  
Feb. 14—Creston, here.  
Feb. 17—St. Paul, at St. Paul.  
Feb. 22—Fremont, here.  
March 2—South, at Central.  
March 5—Lincoln, here.  
March 7, 8—Tournament at Lincoln.

Several outside teams are asking for Central's open dates, among them are Schuyler, Columbus, Hastings and North Platte.

## Buffalo Welterweight Outboxes Ohio Middleweight Throughout Ten-Round Main Event Bout

Large Crowd Sees Douglas County Legion Show—Smith Wallops Welch on Jaw in Seventh and Wins by Technical Knockout—Sledge Beats Solkyn—Anderson Goes to Sleep in Second.

By RALPH WAGNER.

Frankie Schoell, the "Fighting Dutchman" from Buffalo, acted as an instructor in boxing for Bryan Downey, Cleveland, middleweight champ of Ohio, and recognized by his manager and friends as the world's champion, in a 10-lesson bout at the Auditorium Monday, and easily won the referee's decision.

The New York welterweight, who fought a middleweight weighing 10 more pounds than himself, beat Downey to the punch time and again; made the Cleveland swing like a windmill and danced in and out of Bryan's swinging arms.

## Jack Lelivelt Casting About for New Oilers for 1923

Tulsa, Okl., Nov. 14.—Jack Lelivelt, manager of the Tulsa Oilers, Western league pennant winners and victors of the post-season class "A" championship series with Mobile of the Southern association, is casting about for likely players to fill three gaping holes in his hard hitting lineup.

Two of his men, Herschel Bennett, left fielder, and Dave Danforth, pitcher, will go to the St. Louis Americans. Bennett made a home run record during the 1922 season of 23 circuit smashes, while Danforth was regarded as one of the most dependable members of Lelivelt's pitching staff. Russell also a pitcher, has been recalled by the Kansas City club of the American association.

With the exception of Bennett, Danforth and Russell, the club next year, according to present plans, will be the same as that which came through the 1922 season with the reputation of being the hardest hitting minor league team in the country.

The Oilers have five pitchers. They are Boehler, McLaughlin, Black, Hoagland and Sherman. Lelivelt and Fried expect to add two more moundmen to the staff before the opening of next year's season. Someone to fill Bennett's shoes and an extra man for the infield are also on the Oilers' shopping list.

## Start Plans for Bout Between Joe and Carp

London, Nov. 14.—Negotiations are proceeding for a bout between Joe Beckett, the British heavyweight champion, and Georges Carpentier, the meeting to take place in London early in the near future. The arrangements are still in a tentative stage, neither the date nor the hall in which the fight will be staged having been decided upon.

## Tulsa to Lose Bennett and Dave Danforth to Browns and Hurler Russell to Blues.

Nearly 750,000 American tourists in automobiles entered Canada during the last fiscal year.

## Outboxes Downey

The eighth, ninth and tenth stanzas went to the Buffalo lad on points. Schoell outboxed Downey at nearly every turn of the way.

Downey, deserves credit however, in pushing the fight to his lighter opponent, but only on two occasions, in the first and seventh rounds did Bryan appear to open up on his opponent. He did not get his own line press dispatches in his battle with Champion Johnny Wilson, which stated that Downey was a "real tiger" in the ring against Champ Wilson, springing at the champion and fanning not even the left out of Wilson, but at that it was a good exhibition.

Rocky Smith of the New York City welterweight, won a technical knockout over Frankie Welch of Chicago in the seventh round of their scheduled 10-round bill in the semi-windup when the referee stopped the fight.

The first two rounds of the bout were about even, while Smith took the third round. The fourth was even and Smith capped the fifth by a whack. Welch made a good showing in the sixth, but in the seventh the New York city battler cracked Frankie in the jaw with his left and followed with a right. Welch went down for a count of nine and then found his gas, but the Chicago lad was groggy and the referee put a halt to the scrap, which was good judgment on the part of the official.

In the second preliminary, "Kid" Sledge won the New York City middleweight of Lincoln in a six-round bout. Sledge, who lives in this town, has a cut over his left eye in show for six battles.

In Monday of St. Paul, Minn., City knocked out "Yam" Yarsan of Omaha in the second round of a scheduled eight-round bout, the first on the program.

## Italian "Comish" Clamps Lid Down on "Batting" Siki

Rome, Nov. 14.—Tentative efforts to arrange a match between "Batting" Siki and Giuseppe Spalla of Milan have resulted in the closing of the doors of every boxing club to Siki.

The Italian boxing federation, learning that Siki's friends in Milan, where he is well known and has appeared several times, were making overtures for a bout between him and Spalla, informed all promoters in Turin, Milan, Naples and Rome that their licenses would be revoked if they staged a match in which Siki participated.

## Repulsion of First

The second round was a repetition of the first and so was the third and fourth. Schoell easily outboxing his lanky opponent but not outslugging Downey.

In the fifth Frankie made a dandy showing. After being backed into a corner, Schoell fought himself out of the trap and started swinging both dukes in the direction of one Bryan Downey's map. A right caught Bryan flush on the jaw and he sort of lost his balance, but for just a moment. He came back at the Buffalo lad, but ran into another right. The crowd cheered wildly for Schoell to put over something that carried a little T. N. T., but Downey was much alert and rushed Schoell back into the corner by swinging, first a left to the side and then planting a right under the heart.

Downey's best round came in the seventh. After a little conference with the referee in the session previous, Downey breezed out of his corner; wiped the smile off his map; punched a couple of haymakers and started to get Schoell in a state of coma. Bryan succeeded in stopping Frankie into the northeast corner of the ring where he released said haymakers to all parts of Schoell's body. A stiff right under the heart caused a "rose" to blossom out, and then a left under the ropes. The Buffalo back against the ropes. The Buffalo lad covered up and boxed himself out of the corner, making Downey miss a uppercut just before the bell sounded.
