Nebraska Must Battle Kansas Farmers in Mud

Sunflower State Agriculturists Take Final Workout on Nebraska Field—Russell to Pilot Huskers.

Lincoln, Nov. 17.—(Special.)—With weather predictions indicating showers and a drop in the temperature, the Kansas "Ag" may have another opportunity of displaying their prowess in the mud when the opening whistle sends them against the Corn Huskers here this afternoon. The game starts at 2:30.

The Huskers gave over Nebraska field to the invading Kansas Friday evening, while they journeyed to the State "Ag" campus for the last workout prior to the contest.

Coach Bachman, who arrived Friday morning with his full string of regulars, reported all of them in the proverbial pink. He would make no statements as to why he expected his charges other than intimating there was a hard fight in store for the crippled Huskers.

There is little question but what Bob Russell, three-year man, will start at quarter. That H. Dewitz will be at half, and Capt. Hartley at full is certain, but whether Dave Noble or Lewellen will be at the other half is a question. There is a bare possibility that Dawson will have Lewellen calling the signals before the game ends.

In the six tilts in which the Sunflower Farmers and Huskers have engaged, the Nebraskans have with drawn with 183 points, while the Kansas have been able to gather but 12.

The game Saturday is the next to last conference game on the Husker schedule. Ames closes the valley card next Saturday and then comes the supreme test of the season, with the fighting Irishmen from Notre Dame.

Tekamah Champions of Northeast Nebraska

Bancroft, Neb., Nov. 17.—(Special.)—Tekamah clinched the high school football championship of northeastern central association here this afternoon by defeating Bancroft, 7 to 0.

Cecil Knight took the pigskin across the Bancroft line for Tekamah's touchdown. The playing of Bies featured for the visitors. He ripped off yardage whenever called upon.

Bancroft was fighting with its back to the wall most of the time. Only once did they threaten Tekamah's goal, and then they were repelled on the 29-yard line.

Lombard Beats Knox.

Gambard, Ill., Nov. 17.—Lombard defeated Knox, 7 to 0, today in the annual football city championship game.

Dest Grid Play To Use

Team has ball on its 23-yard line, second down, 13 to go, with score 2 to 9 in its favor, game but half over. Better not punt until the third down. Try a wide run from a punt formation. If it fails, it may hit you a first down. If it does not, the fact that you used such a play will cause the defense to look for it on the third down, when you are really going to punt. That means your punter will have more time to get off a good kick, for the defense cannot protect for an end run and rush a punt at the same time. Such little points of judgment will attach men much to the success of a team's offense.

Tiger and Bulldog Grapple at Princeton in Annual Tilt Today

New York, Nov. 17.—With Yale and Princeton in the leading drama, football will stage another host of spectacles on eastern gridirons tomorrow.

While the Tiger and the Bulldog grapple at Princeton, other contests of scarcely less interest will bring together Harvard and Brown, Pittsburgh and Washington and Jefferson, Penn State and Pennsylvania, Colgate and Syracuse, and Dartmouth and Columbia.

Victory in several of these games will hinge on the mood of the "skin gods."

This is particularly true of the Yale-Princeton contest. In no respect does one team stand out as strongly superior to the other, and as was the case in the Princeton-Harvard clash

Unbeaten "Big 10" Teams in Action

Chicago, Nov. 17.—Three undefeated contenders for the Western conference gridiron championship will risk their chances against dangerous opponents tomorrow in games which probably will narrow the competition for the title.

Chicago must triumph over Illinois on Stage field, Michigan must take Wisconsin into camp at Ann Arbor, and Iowa must conquer Ohio at Columbus, if this trio is to remain on top of the heap tomorrow night.

However, in this season of upsets, "Big Ten" followers will not be surprised if one of the unbeaten three is relegated to the losing column.

Each of the three games is expected to develop into bitterly fought contests with close scores. Illinois and Chicago, traditional gridiron foes, always wage a desperate battle and tomorrow's contest will be no exception.

The Illinois eleven, which sprung the surprise of the season by defeating Wisconsin, 3 to 6, a week ago, will be primed to upset the Maroons if possible.

Iowa, 1921 champion of the "Big Ten" will meet Ohio State for the first time, and the Buckeyes, defeated three times this season, are expected to wage a last-ditch fight to throw the Iowans out of the running.

Swanson's Kick Wins for Tech

Teumessah, Neb., Nov. 17.—(Special.)—Swanson's dropkick from the 25-yard line in the final quarter enabled Tech to emerge victorious over Teumessah here today after one of the tightest struggles ever staged on a Teumessah gridiron.

A rain-soaked field made trick plays out of the question and both teams resorted to straight football. The last half was played in a drizzling rain.

The greater part of the contest was fought out in midfield, gains at times being reckoned almost in inches, so evenly were the two teams matched.

Five Syracuse Vets End Careers Today

Syracuse, N. Y., Nov. 17.—Five veteran Syracuse university football players, including Captain Culver, will take the field in their Orange uniforms for the last time today, in the annual battle with Colgate.

Besides Culver those who will doff their ironclad armor are Willard Anderson, halfback; Erwin Heers, tackle; Jimmy Prigmore, defensive back, and William Kellogg, halfback.

All of them will be sorely missed, especially Culver, who has proved himself a most capable leader, and, although one of the lightest centers playing on eastern teams this season, also a valuable man on the attack.

Husker Harriers Chosen.

Lincoln, Nov. 17.—The Cornhusker harrier team, which will run against the Kansas Aggie team here tomorrow in a dual meet, has been chosen by Coach J. Lloyd Mackers. It is headed by Captain Clair Bowman and consists of J. G. Haskell, L. L. Hyde, Deane Higgins, Maurice Gardner and A. L. Hartman.

last Saturday, the human equation—the fumble or the brilliant individual feat—may tip the scales.

Princeton, with sensational victories over Chicago and Harvard, is a team tried and ready for its closing battle of the season. Although defeated by Iowa early in the season, the Elis showed flashes of unusual power even at that time and have indicated a steady increase in strength and football resourcefulness in each succeeding game.

Five Satellites on Creighton Football Team

These five Creighton gridsters have distinguished themselves in the blue jerseys of Creighton this season. Fischer was virtually a life saver for Creighton when Lew Lane, the starry quarter, was injured. Fischer jumped into Lane's brogan and proved a regular gridiron Napoleon. In passing out the palms, Manley and Veckout cannot be overlooked. Veckout is widely known for his ability to hit the forward wall for consistent gains and Manley is one of the shiftest runners who ever lugged a Creighton mauler. McAleer, who is playing his last year on the hill at guard, is recognized as one of the best linemen the Hilltoppers have ever turned out.

Packers Helpless Before Heavy Attack of Central Gridders, Who Win, 40-0; Run Wild in Fourth

REYNOLDS returned a punt for a touchdown in the third quarter. In the fourth session, Schmidt's cohorts marched in double-quick time toward South's uprights, lacking only one point of doubling the score piled up in the other three periods.

Howell and Galloway accounted for much yardage with terrific smashes and Marrow gave a good account of himself in skidding around the ends and in taking dwarf passes.

Two long passes also helped in the massacre. Peredal snatched one out of the ozone from Galloway and romped 35 yards. Cogilizer picked one from Howell and dashed 30 yards.

Maryland Handicap to Open Meet at Bowie

Bowie, Md., Nov. 17.—With the addition of several prominent athletes from New York and the Mountfort Jones and E. R. Bradley racers from Kentucky to the regulars who always finish the season in Maryland, the 11-day meeting at Bowie, starting today, promises to be the best in its history. More than \$100,000 in purses will be given away with the Thanksgiving Day handicap of \$10,000, to be run on the closing day, as the outstanding feature. All the old features will be revived in addition to the Southern Maryland handicap of \$5,000, which will furnish the curtain raiser today.

Fraze Opposes Opening League on Tuesday

New York, Nov. 17.—An 11th hour change in the American league baseball schedule for 1923 impends if Harry H. Frazee, owner of the Boston Red Sox, can make good on a promised protest against opening the season with the Yanks at the new Yankee stadium Tuesday, April 17. Springfield, Ill., Nov. 17.—While the official tabulation of votes cast is progressing slowly in the office of the secretary of state, due to the tardiness of the country districts in reporting, there is no doubt that the Illinois legislature has made record gains in the membership of the Illinois general assembly. The legislature convening in January will be the most friendly to the sports-loving people of the state of any of its predecessors for many years.

Islanders Win Over Wesleyans

Lincoln, Nov. 17.—(Special.)—Grand Island virtually clinched the state conference pennant for Midland here today, when the Islanders outplayed Nebraska Wesleyan and won, 6 to 0. Grand Island has won all but one game this season, and played a tie with Chet Wynne's Midlandites. The game was forfeited because of the ineptitude of the Fledan brothers, and Grand Island dropped down to the bottom. Midland has not lost a game.

The result of today's game was a real upset as conference followers believed it was going to require a post-season game to settle the title honors, and the teams they were picking for this contest were Grand Island and Wesleyan.

Coach Holiste's charges outplayed the Methodist in the first half. A sustained attack carried the oval to Wesleyan's three-yard line after the first kickoff, but the Zebras lost the ball on a fumble and Wesleyan punted to safety.

The lone counter came in the second quarter, a series of line plunges carried the oval within striking distance and Holman skirted end for the touchdown.

Wesleyan was squaring away to score, when the final whistle blew. The ball was deep in Grand Island's territory and Wesleyan was ripping the line for gains.

Stink, Grand Island's halfback, was the outstanding star. He ended Midland's victory over Kearney at Fremont this afternoon almost "lead pipes" the warrior's chances for the state conference flag. By beating Nebraska Central and Doane, the Midlandites have a clear record for the season.

Among them is Walter Gein, a center fielder, who threw out more men at the plate than any other fielder in the league. He is a 300 batter and a sterling base runner.
